MESSAGE

It gives me immense pleasure that revised edition of Guidelines on Member of Legislative Assembly Area Development Scheme has been brought out by my Ministry. The scheme started in 1994 has been doing extremely well in creating community assets for betterment of the people at far flung areas also. Based on the performance, achievement and requirement of the scheme the Government has raised the annual allocation of Hon'ble Member of Legislative Assembly from Rs.40.00 lakh to Rs.100.00 lakh from the financial year of 2012-13.

To ensure the MLAADS fund can be spent timely, speedily, effectively and fruitfully throughout the state, the present guidelines have been made broad based enabling the District Administration for smooth implementation and monitoring of the schemes for full satisfaction of the society at large.

I am pleased to release the "Revised Guidelines of MLAADS" which I hope shall be useful for Hon'ble MLAs to take up development activities in much better and effective way.

(TANKA BAHADUR RAI)

REVISED GUIDELINES OF MLAADS - 2013

1. Background

1.1 With a view to intensify the degree of participation of local people and their representatives in the planning process, which is one of the main objectives of decentralized planning, the concept of Members of Legislative Assembly Area Development Fund (MLAAD Fund) was introduced in Assam in 1994-95. Under this scheme, Constituency wise fund will be provided from the State's Plan Budget every year which may be changed depending on the resource position and other commitments of the State. The "MLAAD Fund" is intended to be utilized for some essential projects/ works based on the felt needs of the local people. This fund is Non-Lapsable and not tied to any development sector and it shall be governed by certain guidelines as given below. All established administrative and financial procedures of the State Government for implementation of development programmes will apply to the utilization of fund under MLAAD Scheme.

In this context, the then Chief Minister of Assam announced in the Legislative Assembly on 22-03-1994 to implement the "MLA Area Development Scheme" in Assam. The Chief Minister addressed to all members of Assam Legislative Assembly vide his D.O. No. CMS .I (A) 94/15 dated 1st May, 1994 regarding implementation of MLAAD Scheme accordingly.

1.2 The scheme was introduced in the year 1994-95 initially the fund under the scheme was Rs.5.00 lakhs per LAC per year. From the financial year 1995-96, the limit of Rs.5.00 lakh was raised to Rs.10.00 lakhs per LAC and in 1997-98, the limit was further increased to Rs.20.00 lakhs, again in 2003-04 to Rs.30.00 lakhs and then in 2007-08 it was raised to Rs.40.00 lakhs. The Hon'ble Chief Minister while presenting the budget on 8th March, 2012 in the Assam Legislative Assembly announced that MLAADS fund would be enhanced upto Rs.100.00 lakh with effect from 2012-13. It was eventually raised to Rs.100.00 lakhs in 2012-2013. After gaining some experience the Planning & Development Department, revised the Guidelines in 2004 and thereafter in 2007. Again in 2013 the Planning and Development Department of the State Government decided to revise the guidelines to make the guidelines more specific, scientific and rational.

2. SALIENT FEATURES
