**Obituary reference on the death of Dr. Srikrishna Sinha, Chief Minister of Bihar**

**Shri BIMALA PRASAD CHALIHA (Chief Minister)** : Mr. Speaker Sir, with your permission, I beg to refer to the death of one of the distinguished sons of India, I mean, late lamented, Dr. Srikrishna Sinha, Chief Minister of Bihar, who passed away on the 31st January last. A life dedicated to the cause of the country, Dr. Sinha endeared himself to all high or low by his amiable nature and a sense of duty.

It may be known to you, Sir, that born in the year 1887 in an ancient Zaminder family of Bihar with a silver spoon in his mouth, Dr. Sinha gave up his roaring practice in the Bar at the call of Mahatmaji and join the Non-co-operation movement in the year 1920. Undaunted Sinha then started a life of struggle against the British imperialism for emancipation of the Motherland and paid no heed to the sufferings and privations consequent thereto as will be evident from the fact that he courted imprisonment several times extending over a period of more than 8 years. Since then Independence of India was his motto and he fought for it as a valiant soldier. Even since 1920 he was a leading member and an active worker of the Indian National Congress. By his honesty of purpose, sense of sacrifice and devotion to duty, Dr. Sinha acquired a unique position in the State and was called upon to fill up important offices like the Chairman, Monghyr District Board, President, Bihar Pradesh Congress Committee, etc. He was a Member of the Central Legislature also. In 1927 he was the Leader of the Swaraj Party in the Bihar Legislative Council. He became the first Prime Minister of Bihar in the year 1937. As a Member of the Constituent Assembly his contribution in framing the Indian Constitution is invaluable. He was re-elected Leader of the Bihar Congress Assembly Party in the years, 1946, 1952 and 1957 and continued as such and adorning at the same time the high office of the Chief Minister till death snatched him away from us.

Dr. Sinha was a friend of the poor and downtrodden. He realised that the march of India depended on the progress of the teeming millions and therefore he engaged himself to the task of upliftment of those who were lagging behind. During the pre-Independence period, Dr. Sinha fought for the freedom of the country but during the post-Independence period he directed his energies to fight the illiteracy, poverty and disease and also for moral and material upliftment of the people of the country. Dr. Sinha's death is not only a loss to Bihar but to India as a whole.

I am sure, Sir, that the honorable Members of this House will associate with me to convey our condolences, through you, Sir, to the Government of Bihar and also to the members of the bereaved family. Let us all pray, that the departed soul may rest in eternal peace.

**Shri GAURISANKAR BHATTACHARYA (Gauhati)** : Mr. Speaker, Sir we associate ourselves with the feelings and sentiments expressed by the Chief Minister on the sad demise of our revered leader Dr. Srikrishna Sinha. The Chief Minister has rightly remarked that though Dr. Sinha was born in a Zaminder family with a silver spoon in his mouth he dedicated his life for the cause of the dawn-trodden and he suffered much. Prior to independence during the Champaran Kishan Satyagraha he was one of the close colleagues and comrades of Dr. Rajendra Prasad. That Satyagraha was

primarily directed against British Imperialism and their lackeys, the feudal interests in India. During the post-independence period also one of the great achievements of Dr. Sinha was the enactment of the Zamindari Abolition Act in Bihar, which, however, was negatived by the Supreme Court later on. But even thereafter the latest Bill which was passed by the Bihar Legislature, *viz.*, the Agrarian Reforms Bill, was one of the outstanding contributions of Dr. Sinha in the cause of the abolition of feudal interests in our country. We take a lot of inspiration from such dedicated leaders and, therefore, in the loss of such a person, India is all the poorer. We deeply mourn his death.

**Mr. SPEAKER:** I fully associate with the feelings expressed by the Leader of the House, the Leader of the Communist Group and Shri Hiralal Patwary on the sudden death of Shri Krishna Sinha, Chief Minister of Bihar. Shri Sri Krishna Sinha was Chief Minister of Bihar since 1938 with an interval only during the last world war when the Congress Party resigned from Government. Sri Babu was a valiant fighter for the freedom of the country. He joined the non-co-operation movement in 1921 under the leadership of Mahatma Gandhi. In all subsequent non-violent battles for freedom of India he was in the forefront. After achievement of freedom he was one of the architects engaged for building up New India. He served the country till the last breath of his life and he died in harness. He was a great patriot and an able administrator. Sri Babu was a voracious reader and an erudite scholar. He had a library with books worth several lacs, which he donated to the Sri Krishna Sadan Library of Monghyr.

We pray for the peace of his soul. We also send our deep sense of sympathy to the bereaved family at their irreparable loss.

With these words, I request the hon. Members of this House to stand up in reverent silence for two minutes in memory of the departed.

(The House stood in silence for two minutes).

**Adjournment Motion Re: lock-out in the Chargulla Division under Ratabari Police Station, District Cachar**

**Mr. SPEAKER:** I have received notice of an adjournment motion from Shri Biswanath Upadhyaya just at 3-55 A.M., today. I request Shri Upadhyaya to satisfy the House that this adjournment motion is in order and admissible under the rule.

**Shri BISWANATH UPADHYAYA (Patharkandi):** Mr. Speaker, Sir, these tea gardens have been closed, rather they have been locked out creating a serious situation.....

**Mr. SPEAKER:** You need not go into the merits of the subject. There is a rule under which adjournment motions are tabled. Rule 57, which is the relevant rule, lays down certain conditions under which a motion for adjournment can be admissible.

You are first to satisfy the House that your motion satisfies the conditions laid down in the rule.

**Shri BISWANATH UPADHYAYA:** This is a matter of urgent public importance and I apprehend unless this is settled quickly the situation may take a very serious turn and the peace of the district is likely to be disturbed. I discussed the matter with the labour force and they also expressed similar apprehension. As this is a matter of urgent public interest this should be discussed in this House.

**Mr. SPEAKER:** Mr. Tripathy.

**Shri DANDESWAR HAZARIKA (Morongi):** What is the motion Sir ?

**Mr. SPEAKER:** Let me first hear the Government's point of view.

**Shri KAMAKHYA PRASAD TRIPATHY (Minister, Labour):** Mr. Speaker, Sir, this is a normal labour disputes. The garden has some difficulty and the employer has locked it out temporarily. This has been taken up for conciliation by our Department and conciliation proceedings are pending. Therefore, I do not think there is any necessity of raising this issue by means of an adjournment motion. We can issue a statement after the conciliation proceedings are over.

**Mr. SPEAKER:** Are conciliation proceedings still going on ?

**Shri KAMAKHYA PRASAD TRIPATHY:** Yes, Sir. In view of this, I feel this adjournment motion should not be moved.

**Shri BISWANATH UPADHYAYA:** In this connection I want to say that the management has refused.....

**Mr. SPEAKER:** Since when is the lock-out ?

**Shri BISWANATH UPADHYAYA:** Since 8th of this month.

**Mr. SPEAKER:** And today ?

**Shri BISWANATH UPADHYAYA:** 24th.

**Mr. SPEAKER:** Order, order. The matter is not of recent occurrence. The hon. Member got an opportunity to submit a motion on this subject in the ordinary course. Therefore, I rule this adjournment motion out of order.

**Mr. SPEAKER:** The question is that the Assam Taxation (on Goods carried by Road or Inland Water-ways) Bill, 1961 be introduced.

(The Question was adopted.)

(The Secretary, Legislative Assembly read the title of the Bill)

**Shri FAKHRUDDIN ALI AHMED (Minister, Finance):** Mr. Speaker, Sir, I beg to move that the Assam Taxation (on Goods carried by Road or Inland Water-ways) Bill, 1961 be taken into consideration.

In commending this motion to the House, I wish to point out the circumstances under which it has become necessary for us to bring this Bill. As the Hon. Members are aware, a Bill of more or less similar contents was passed by this House in the year 1954, since then we have been realising taxes, from tea and Jute carried by Roads or Inland Water-ways which came to nearly 2.50 crores of rupees per year. This Taxation legislation was first challenged before the Assam High Court and after the Assam High Court had given its decision holding the Act as ultra-vires, Appeal and petition under article 32 were filed before the Supreme Court. The appeals and the petition were heard by the Constitution Bench which, upholding the majority view, declared our Act as ultra-vires. The Chief Justice of the Supreme Court, who was in minority, was of the view that the Act did not interfere with the freedom of trade and commerce and such was ultra-vires of the Constitution but the majority view as I have said, held the Act as ultra-vires on the ground that it interfered with the freedom of trade in the country. When any freedom of trade is interfered with, though the Legislature is competent to enact a law under article 304, but the Legislation was to satisfy three conditions, one of the conditions is that the legislation must be in public interest, the second condition is that it is reasonable and their condition is that before the introduction of the Bills the assent of the President must be obtained. The majority judgement

without expressing any view on these two matters, held that our Act was ultra-vires of the Constitution as assent of the President was not taken before introduction of this Bill, so after we considered carefully the Judgement of the Supreme Court, the legal advise and the necessity for such measure we have decided to place this Bill before the House for realising tax from Tea and Jute carried by Road or Inland Waters and validating the actions which have been taken by Government under the relevant Act. This matter was also discussed by me with the Central Government which has advised us to proceed with the necessary Legislation on condition that it may, for the present, we only for the period ending next financial year. The Central Government is of the view that this question should be Finance Commission is known, the State Government may consider the question of extension this taxation income beyond the next financial year. Hence this Bill. The provisions of this are entirely the same as were of the Act which was passed by this House in 1954, except that there is a provision validating the action taken out and the tax realised from 1954 till Bill the was declared ultra-vires by the Supreme Court and Authorising as the collect tax from the latter period I hope, Sir, the House will after taking the Bill into consideration, accept the motion which has been moved by me.

**Mr. SPEAKER :** The motion moved is that the Assam Taxation (on Goods carried by Road or Inland Water-ways) Bill, 1961 be taken into consideration.

**Shri GAURISANKAR BHATTACHARYYA** (Gauhati): **Mr. Speaker** Sir, I thought, at this stage we will not enter into discussion of the matter ; but I am prompted to speak a few words on the observations just now made by the Finance Minister while piloting this Bill. As all practising lawyers know, in a court of Law there is only one judgement which is operative. There are no two judgements operative like the majority judgement and minority judgement. There may be a majority view, but that which will be operative is only the majority view which is the judgement. Therefore, with all respect to our Finance Minister who was also our Advocate General, I beg to submit that the explanation he has given to the House about the Supreme Court's view is not legally correct. Then comes the question as to whether on principle I am opposed to this taxation. I am not. As a matter of fact, probably most of the Hon. members of this House also are not opposed to this taxation. When this matter was discussed in 1953-54, at that time also the House was unanimous that their should taxation on these capitalist. Of course we knew that this taxation was a direct taxation are that it will primarily be on the tea garden owners. Yet ultimately the burden of this taxation was shifted to the consumers in the form of raising the prices of tea and jute, etc. Now, we also knew so far as the consumers are concerned, these consumers are not confined to the State of Assam. These consumers are spread over throughout India, nay, even outside India where these materials, tea and jute, against which this proposal was directed, are consumed. Besides these material are also dollar and foreign exchange earners. Therefore, Sir, when this Bill was discussed in the Select Committee where I also had the honour and privilege to be member, some of us as a matter of fact wanted that the rate should be higher than what was proposed. That was our enthusiasm when this

taxation proposal was put before us. Now, it so happened that believing all our hopes we have been facing this difficulty due to a legal or technical omission or mistake. This omission was, as the Finance Minister has just now said, that the requisite permission or sanction of the President as required under article 301 read with the prior to article 304(b) of the Constitution of India, was not taken why was that previous sanction necessary? Because in view of article 301 of the Constitution of India free commerce is a fundamental right. If there is to be a reasonable restriction of this fundamental right of any individual or a set of individuals then the President is to certify that the restriction is reasonable, and, therefore, that certificates ought to have been sought and obtained. Whose was the duty to advise the Government and guide the Government in the matter? It was the duty of the Legal Remembrancer-cum-Judicial Secretary. We have these highly paid Secretaries and officials not simply to draw salary, T. A. and D. A. but to advise the Government correctly in all matters. Those representative laymen who are here as hon. members because they are hon. members of this House, are not expected to know all the niceties of these legal quibblings. That is why these highly paid officers are kept there. Now, it may be said that this was done during the Ministry is not responsible for this mistake or omission. But may I ask whether the present Ministry, the present Government is trying to find out and locate who was the officer at that time who held this position but did not properly advise and guide the Government and whether any step have been taken against that officer or instead has that officer been recommended for a very high salaried post not only for the State but for the whole country? If that be the attitude of the Government against delinquent officers how can we expect that the administrative machinery will be running smoothly and properly in the State.

Secondly, Sir, we know that there are many dangers for the present form of Government which is there in a country namely the democratic form of Government. There are many wolves in sheep skin who are right now trying to find out the essence of democracy in what they call the basic democracy and so on which is only a garb for military dictatorship. Now, if this sort of action that was followed not only now but for the last several years is allowed to continue, and these people are going on ridiculing the Parliamentary form of Government how shall we justify our position? Because the Supreme Court had said that this Act was ultra-vires that it was illegal, all the collections that we made for the last several years are illegal collections. If what the highest Judicial body in the country decided to be illegality is now validated and is made legal, then the very purpose of parliamentary form of democracy is defeated. We know, Sir, that this taxation was necessary and if we cannot get this 13 crores or more our public exchequer will suffer and many developmental activities will also suffer. I also know the anxiety of the Finance Minister and of the Government because of this great problem before us, I must say that this sort of things may not be allowed to recur in future. But if those who are responsible for placing the Government and the Legislature in such a quandary are not located and properly punished, this sort of things will continue in future also. That is my apprehension.

About the justness or unjustness of the legalisation of this invalid realisation in the last few years and also about the legal aspect, we shall have occasion to discuss in the reading of the Bill clause by clause or in the third reading. So I do not go into the details at this moment. I am only provoked to say that the Minister was not at all communicative as to whether the responsibility has been located, as to whether the officers particularly the officer responsible for misguiding and misleading the Government has been given a sort of exemplary punishment. We also want to know as to the steps taken against the officer responsible for misleading and misguiding the Government, whether he has been granted a certificate or very high recommendation.

মই কও যে সুপ্ৰীম কোৰ্টৰ হুকুমৰ মৰ্যাদা ৰাখি এই টকা ঘূৰাই দিব লাগে আৰু তেতিয়া হলে এই টকাৰ capitalist সকলে মজদুৰক বোনাগ আদি দিব পাৰিব। নহলে এহাতে সুপ্ৰীম কোৰ্টৰ অবমাননা হয় আৰু আনহাতে দুখিয়া শুল্ক সকলে অতিৰিক্ত কিছু পোৱাৰ পৰা বৰ্ধিত হয়। আইন প্ৰণয়নক্ষেত্ৰত এইবিলাক কথা বিবেচনা কৰা দৰকাৰ। এই ক্ষেত্ৰত আজি দেখা যায় একো একোটা গ্ৰুপ অথবা পাৰ্টি ইন পাওৱাৰ (Party in power) সুবিধাৰ কাৰণে বাতাবাতি আইন প্ৰণয়নৰ কথা উঠে আৰু সেইদৰে বাতাবাতি কাৰ্য্যত পৰিণত কৰা হয়। ই বৰ পৰিতাপৰ কথা। চৰকাৰৰ এনে কাৰ্য্যত বিৰোধী দলৰ কোনো সংশোধনী পৰামৰ্শই স্থান নেপায়। এনে অৱস্থাত সংবিধানে দিয়াত মৌলিক সম্ভৱ ওপৰত প্ৰতিক্ৰিয়া নহয়নে? আজি চৰকাৰে Capital formation grow কৰিবলৈ চেষ্টা কৰিছে কিন্তু এটা প্ৰতিকূল অৱস্থাত কাৰ্য্য কৰে কেনেকৈ? এইবিলাক চিন্তা কৰিবলগীয়া। এনে অৱস্থাত চৰকাৰে Traders বা ব্যৱসায়ীসকলৰ মৌলিক সম্ভৱ ওপৰত সংবিধানৰ কোনো পয়েণ্ট উলিয়ায় তেওঁলোকক দমন কৰিবলৈ চেষ্টা কৰে তেন্তে তাতকৈ আৰু পৰিতাপৰ কথা নাই। কাৰ্য্যত, এই বিলখন backdoor আদি পুনৰ আইনত পৰিণত কৰিবলৈ চেষ্টা কৰা হৈছে। তাকে নকৰি পাবলগীয়া টকাবিলাক সুপ্ৰীম কোৰ্টৰ আদেশ অনুযায়ী ঘূৰাই দিলে ব্যৱসায়ীবিলাকৰ বহুত উপকাৰ হব। যিবিলাক uneconomic trader সেইবিলাকে টকা পালে তাৰে বহু কান চলিব পৰা উন্নতিৰ কাৰণে কৰিব পাৰে। এইবিলাকলৈ চৰকাৰৰ খবৰ নাই। আনহাতে চৰকাৰে এচিমা, ইউৰোপৰ পৰা Capitalist মান, যেনে Rumanian Capitalist, Russian Capitalist আদি।

**Mr. SPEAKER:** Capitalist নহয়, Capital হৈ আহিছে।

**Shri KHAGENDRANATH BARBARUA (Amguri):**  
বকচিয়ান কেপিটেলিষ্ট এজনৰ নাম কৰ পাৰেনে?

**Shri HIRALAL PATWARI (Panery):** এই কথা সদনৰ বাহিৰত বেচ আলোচনা কৰা যায়। অধ্যক্ষ মহোদয় formation ব কাৰণে Private আৰু Public sector কৰা হৈছে। Capital কেনেকৈ utilise হয়, সেইটো চৰকাৰে চিন্তা কৰিব বুলি আশা কৰিলো। Private sector ত Capital formation ব সুবিধাৰ কথা থাকিলেও বিভিন্ন টেকচৰ পৰিমাণ ইমান বেচি যে Capital গঢ়ি তুলিলেও জিয়াই বখা কঠিন—এনে অৱস্থাত এইটো স্পষ্টভাৱে পৰিলক্ষিত হৈছে যে সকলো ক্ষেত্ৰতে চৰকাৰে fundamental rights ত হস্তক্ষেপ কৰি গৈছে সেই কাৰণেই আজি বাস্তৱ উপবেদি অথবা নদীৰ জলপথেদি বস্তু অনা নিয়া কৰাত টেকসু দিব লগা হৈছে কিন্তু ৩০১ ধাৰা অস্বীকাৰ কৰিবৰ কাৰণে আকৌ ঘূৰাই-পকাই এই আইন অনাৰ ব্যৱস্থা কৰা হৈছে। আমাৰ দেশ মানসিক লৌকিকতাৰ ওপৰত নিৰ্ভৰ কৰিছে। আমি সেই ইতিকথা বক্ষাকৰা আমাৰ কৰ্ত্তব্য তাৰ লগতে আমি বাপুজীৰ আদৰ্শৰ কথাও পাহৰি গলে নচলিব। এটা বাস্তৱ উপবেদি যাতায়াত কৰা মানুহৰ সংবিধানিক অধিকাৰ আছে কিন্তু আইনখনৰ দ্বাৰা সেইটোও নাকচ কৰা হৈছে।

এতিয়া আকৌ এই আইনৰ দ্বাৰা অন্যায়ভাৱে সংগ্ৰহ কৰা টকাখিনিও বাখি দিবৰ চেষ্টা কৰা হৈছে। আমাৰ চৰকাৰে যদি পুঞ্জিপতিৰ ওপৰত এটা গোৱা ধৰণৰ অভিযন্ত পোষণ কৰে তেনেহলে দেশৰ শিল্প কেনেকৈ গঢ়ি উঠিব? যিখন বিল ১৯৬৯ চনত পাচ হৈছিল সেইখন চুপ্ৰীম কোৰ্টে নাকচ কৰিছে গতিকে এতিয়া আকৌ আমি সংবিধানিক সম্বৰ ওপৰত হাত দিয়া নহয় সেইটো লক্ষ্য ৰাখিব লাগিব। আমি সংবিধানিক সম্বৰ সন্মান দিব লাগিব। সেই কাৰণে মই এই কথাখিনি কলো।

**Shri PHANI BORA (Nowgong):** Mr. Speaker, Sir, in the name of fundamental rights, in the name of truth and justice we cannot associate ourselves with those who advocate for the exploitation of the common people by a few rich. I am one of those who stand for the full adherence to the Constitution of India. It is regrettable that this august House is put in quandary by certain faults on the part of certain officers who were responsible for giving incorrect advice in the matter of law. Now, these things have come again. It is declared to be illegal and we are going to realise it, and Government have come forward with a new Bill. I fully support such measures which try to harness certain resources for the development of the State and its economy from those who minted money like anything. Sir, the roads are there. Now is it the proposition of those who are in favour or giving away more than 13 crores of rupees to a few capitalists? Am I to believe that the common people will pay taxes for the maintenance of the roads and those who are carrying loads of hundreds of maunds will destroy the roads and the common people will pay for the repairs of the roads? I do not find any justification in it. It is not a question of fundamental rights. If we allow this kind of unbridled fundamental rights to the exploiting classes, the common people will be deprived of the fundamental rights to live like men in the society. Sir, because some hon. Members have said something in favour of the capitalist class from this side, I feel it necessary to disassociate ourselves from this point of view. Sir, the difference between the capitalist and capital is not understood.

They are overgoing to the extent of saying the recognised socialist country having capitalists. I do not know wherefrom the hon. Members have got this information. I also do not like that the Constitution should be violated. I say that things should not be done in haste so that we may not be put into difficulty.

Sir, it is said that the Bill was published a few days ago in the Gazette. The hon. Member Shri Patwari has raised a point that he had not received the Bill. Of course I must say that it is not always possible to get a copy of the Gazette on the same day it is published. The Gazette may reach the hon. Members after one or two weeks of its publication. So, Sir, it have not been able to study the provision of the Bill and at this moment. I cannot say that we must be cautious and we should not do things in a hurry so that we may not be put into difficulty afterwards.

With these few words, Sir, I conclude my speech.

**Shri MOHI KANTA DAS (Barchalla):** অধ্যক্ষ মহোদয়, মোৰ কথা হৈছে এতিয়া যিসকলে consideration motion ৰ বিৰোধিতা কৰিছে তেওঁলোকে মনত ৰখা উচিত যে এই সদনৰ মৰ্যাদা কেনেকৈ ৰক্ষা হয়। এই বিলখনৰ অবতারণা কৰোঁতেই অনৰ্থক আলোচনা কৰি সদনৰ সময় কটোৱাৰ মই একো কাৰণ নেদেখো। এই ক্ষেত্ৰত মই দুই-এটা পৰামৰ্শ আগবঢ়াব খুজিছো। এই আইনৰ জৰিয়তে যি প্ৰায় ১৩ কোটি টকা সংগ্ৰহ কৰা হৈছে, সেই টকা ইতিমধ্যে ৰাজ্যৰ সমূহীয়া গঠনমূলক কামত খৰচ কৰা হৈছে। এতিয়া মাননীয় সদস্যসকলে বিবেচনা কৰা উচিত যে আইনৰ অন্তৰ্গত খৰচ-নাটৰ কাৰণে যদি এই ১৩ কোটি ফিৰাই দিবলগা হয় তেন্তে তাৰ পৰা আমাৰ ৰাজ্যৰ উন্নয়ন আৰু গঠনমূলক কামত কিমান ব্যাঘাত হ'ব আৰু সেই টকা যাব কাৰ হাতলৈ? সেই টকা সংগ্ৰহ কৰা হৈছিলেই বা কাৰ পৰা আৰু কি হাৰতনো কৰ নিৰ্দ্ধাৰণ কৰা হৈছিল? এই টকা চাহপাত আৰু মৰাপাট যাতায়াতৰ কাৰণে সংগ্ৰহ কৰা হৈছিল হাৰ নিচেই কম— চাহপাতৰ প্ৰতি পাউণ্ডত এপইচা আৰু মৰাপাটৰ প্ৰতি মোনত মাত্ৰ আঠঅনা নিৰ্দ্ধাৰণ কৰা হৈছিল। আমাৰ ৰাজ্যৰ পৰা চাহবাগানবিলাকে কোটি কোটি টকা উপাৰ্জন কৰিছে; তাৰ মাত্ৰ নিচেই নগণ্য অংশ এটা আমাৰ ৰাজ্যৰ বনুৱাসকলে মজুৰী হিচাবে ভোগ কৰে। সবহ অংশই বাহিৰলৈ যায়। মৰাপাট উৎপাদনকাৰীসকলে নিশকতীয়া অংশ এটাহে মূল্য হিচাবে পায়। আমাৰ চৰকাৰে মাত্ৰ মোনত ১১০ অনাকৈ আদায় কৰি আমাৰ দুখীয়া ৰাজ্যখনৰ উন্নয়ন-কামত খটাব ওলাইছে। ইয়াৰ দ্বাৰা দুখীয়া খেতিয়কক কৰৰ হেচা দিয়া হোৱা নাই বৰং কিছু সকাশ দিয়াৰ ব্যৱস্থা কৰিছে।

গতিকে পুজিপতিসকলৰ পৰা তেওঁলোকৰ বৃহৎ উপাৰ্জনৰ এটা নিকীৰ্ণ অংশ চৰকাৰে আদায় কৰি ৰাইজৰ উন্নয়ন-কামত খৰচ কৰাত আমাৰ পাটোৱাৰী ডাঙৰীয়াৰ আপত্তি কৰাটো যিমান যুক্তিযুক্ত হৈছে, সেইটো আমাৰ সদস্য-সকলে বিবেচনা কৰিব। আমাৰ সকলোৰে গড়মুৰী আয় (per capita income) বাঢ়িব সেইটো আমাৰ সকলোৰে ইচ্ছা, কিন্তু আমাৰ পাটোৱাৰী ডাঙৰীয়াই আমাৰ গৰিব ৰাইজৰ স্বাৰ্থ ব্যাঘাত কৰি পুজিপতি সকলৰ স্বাৰ্থৰ কাৰণে ওকালতি কৰাৰ যুক্তি-যুক্ততা হলে মই বুজিব পৰা নাই। আজি পুজিপতিৰ ওপৰত কৰ নিৰ্দ্ধাৰণ নকৰিলেও আমাৰ পাটোৱাৰী আৰু ভটাচাৰী ডাঙৰীয়াই ক'ব যে কংগ্ৰেচ চৰকাৰৰ পুজিপতি চৰকাৰ আৰু নিৰ্দ্ধাৰণ কৰিলেও বিৰোধিতা কৰিব আৰু পুজিপতিৰ কাৰণে ওকালতি কৰিব মই বুজি নাপাও।

**Shri GAURISANKAR BHATTACHARYYA (Gauhati):**  
Mr. Speaker, Sir, on a point of order, I like to say that my Friend, Shri Mohikanta Das has misrepresented me. I may tell the Honourable

Member that this is a Breach of Privilege. The Honourable Member has not right to misrepresent another member. I did not support the capitalists. What I said is that the officer or officers whose responsibility it is to advise the Government and legal implemations involved in the Bill failed to give correct advice to the Government.

**Shri MOHI KANTA DAS (Barchalla) :** কিন্তু আমাৰ ডটাচাই ডাঙৰীয়াই সেই সময়ত কৈছিল যে তেখেতে এই বিল সমৰ্থন কৰিব নোৱাৰে।

**Mr. SPEAKER :** The Honourable Member has wrongly accused Shri Bhattacharyya. He did not support the capitalists. He said that the Government could not get the legal interpretations of the Bill properly.

**Shri MOHI KANTA DAS :** গতিকে যি সময়ত চৰকাৰে আনিছিল তেতিয়া তেখেতৰ নিচিনা বিচক্ষণ উকিলসকলে তাৰ খুটি-নাটি point out কৰিব লাগিছিল। মহোদয় to err is human মানুহ মাত্ৰেই ভুল কৰে। যদি মানুহে ভুল নকৰিলে আমাৰ নিচিনা উকীলৰ ওকালতি কৰাৰ সুবিধা নহলহেতেন। আমাৰ Legal Remembrancer ও এজন মানুহ—বিলখন Draft কৰোঁতে কোনো ভুল নহব বুলি ধৰাটো সিমান সমিচীন নহয়। এতিয়া যিজন Legal Remembrancer এ আমাৰ চৰকাৰক এই বিষয়ে যি উপদেশ দিছিল সেইটো Supreme Court য়ে নাকচ কৰিছে এইটো স্বস্থভাবে চিন্তা কৰিলে তেখেতসকলৰ বিৰোধিতাত মোৰ আচৰিত লাগে। সকলোৰে ভুল হয়, আৰু Omission যিটো হৈছে সিও বৰ simple. বিলখনত President ৰ assent নোলোৱাকৈ বিলখন প্ৰয়োগ কৰা হৈছিল। কিন্তু এই বিলখন সমৰ্থন কৰি আইনত পৰিণত কৰাৰ চেষ্টা আনি কৰিবলৈ লাগিব। এই বিলখনৰ দ্বাৰা যি টকা আদায় কৰা হ'ল সেই টকা যাতে ঘূৰাই দিবলগা নহয়। গতিকে এতিয়া আইনখন শুদ্ধ কৰি সোনকালে পাছ কৰা উচিত। আমাৰ বন্ধু শ্ৰীপাটোৱাৰী ডাঙৰীয়াই অভিযোগ কৰিছে যে ইয়াৰ দ্বাৰা পুজিপতিৰ অপৰাধ হৈছে। এই কও নে আমাৰ চৰকাৰ কংগ্ৰেছ চৰকাৰ। সেই কাৰণে এই চৰকাৰে চেষ্টা কৰিছে যে পুজিপতিসকলৰ আয়কৰ অতিৰিক্ত আয়কৰ, আনকি মৃত্যু-কৰৰ পৰা আদায় হোৱা টকাৰে সাম্যবাদী সমাজগঠন কৰাৰ চেষ্টা কৰিছে। It is not done by killing the Capitalist or stabbing the Capitalist but by following the Gandhi ideas. আজি গান্ধীজীৰ আদৰ্শৰে অনুপ্ৰাণিত হৈ আচাৰ্য মিনোৱা ভাৱে সাম্যবাদী সমাজ গঢ়িবৰ বাবে পদযাত্ৰা কৰি গোটেই দেশতে কুৰিব লাগিছে। আজি বিৰোধী দলে ভুল বুজিছে কাৰণেই চাহ বাগিচাৰ মালিকসকলে এক পাউণ্ড বেচি দিয়াতো বা মৰাপাটৰ মালিক সকলে ১ টকা বেচি দিয়াতো সহ্য কৰিব পৰা নাই। তেওঁলোকে বিৰোধিতা কৰা বিষয়টোক মজলদৈৰ দৰে পিচপৰা ঠাইৰ সদস্য শ্ৰীপাটোৱাৰীয়ে বিৰোধিতা কৰাত বৰ বেজাৰ পাইছে। পিচপৰা ঠাইখন আগবঢ়াই নিবৰ কাৰণেহে চেষ্টা কৰিব লাগে। বিৰোধিতা কৰা মানে চৰকাৰৰ কামত বাধা দিয়াৰ বাহিৰে আন একো নহয়, সেই কাৰণে এই বিলখন সোনকালে সমৰ্থন কৰিব লাগে যাতে যিবিলাক টকা আদায় কৰা হ'ল সেই টকা যেন ঘূৰাই দিবলগা নহয়। ইয়াৰ দ্বাৰা আমাৰ ৰাইজক সহায় কৰা হ'ব আৰু বিৰোধিতা কৰি পলম কৰি থাকিলে আমাৰ ৰাইজৰ হয়তো অনিষ্ট হ'ব পাৰে। সোনকালে সকলোৰে বিলখন সমৰ্থন কৰিবলৈ অনুৰোধ কৰিছো।

**Shri DEVENDRA NATH HAZARIKA (Saikhowa) :** Mr. Speaker, Sir, I rise to support the Bill that has been moved by the Hon'ble Finance Minister. At the outset, I would like to say that I have not been able to

follow what the hon. Member, Shri Patwary contended in his speech. If I correctly understand him, I find that he is blowing hot and cold in the same breath. While he was advocating in favour of the capitalists, he also showed sympathy towards the village people. I could not understand how he can reconcile his views. Sir, when he was speaking about the fundamental right I do not understand how he can justify that these people could be allowed to have large amount of capital while our village people are suffering. As you know, Sir, these industrialists, these the garden owners have been given special facility in this country inasmuch as we allowed them thousands of bighas of land while we have fixed the ceiling for our cultivators with the maximum of 150 bighas. We have seen our people in the villages who are suffering while these tea garden owners and industrialists have been enjoying in this country. While we are speaking about socialism we find that the people wanted to criticise us pointing out the differences I could not understand the real intention in the views expressed by Shri Patwary.

As regards the speeches made by the hon. Member from Gauhati as well as that of the hon. Member from Nowgong, I find some truth in them that this House was put in a very awkward position due to the fault of certain experts, I mean some officers. I think it will be wise for the Government to take precautionary measures against such recurrence in future. Sir, when we are badly in need of capital for our developmental works, I find that we should impose taxes as much as possible from those well-to-do sections of the people. Some examples were brought forward before the House that certain tea gardens are now to be closed down. There are many tea gardens, Sir, where large profits are made. There are certain areas where sufficient income could not be made and some help may be given to them from those areas where large amount of profit could be made.

That argument I find will not be valid here. (Shri Hiralal Patwary—My argument is that clear illegality should be revised). I do not find any justice in his arguments. He might call anything legal or illegal. The upset was due to technical difficulties. These technical difficulties were already pointed out. I have already said in the interest of developmental activities we should pass this Bill and realise the taxes which would amounts to several crores of rupees.

With these few words, Sir, I support the Bill moved by our Hon'ble Finance Minister.

**Shri SARAT CHANDRA GOSWAMI (Kamalpur) :**

অধ্যক্ষ মহোদয়, বিত্তমন্ত্রী ডাঙৰীয়াই যি বিলখন ডাঙি ধৰিছে সেই বিল নতুন নহয়, ইয়াক ১৯৫৪ চনতে পাচ কৰি আইনত পৰিণত কৰা হৈছে; মাত্ৰ কেইটামান কাৰণতহে উচ্চতন ন্যায়ালয়ে বিলখন নাকচ কৰিছে। গতিকে যিবোৰ কাৰণত বিলখন নাকচ কৰিছে সেইবোৰ সমালোচনা নকৰি বিলখন যাতে নতুন আকাৰত বচনা কৰিব পাৰি সেইটোহে আলোচনা কৰিব লাগে। এই বিলৰ প্ৰসঙ্গত মোৰ বন্ধু শ্ৰীভট্টাচাৰ্য্যই আৰু পাটোৱাৰীয়ে যি সমালোচনা কৰিছে তাৰ তিতবত ভট্টাচাৰ্য্যৰ লগত মোৰ মতৰ কিছু মিল আছে। বিলখনৰ যিবোৰ কথাত আমাৰ আপত্তি নাই সেইবোৰ আলোচনা কৰা বুলি মই ভাবো।

প্ৰকৃতপক্ষে আনৰ এই বিলখন ১৯৫৪ চনতেই কৰা হৈছিল আৰু সেই সময়ত ভাৰতীয় সংবিধানৰ ৰহতো চৰ্ত্ত পৰিষ্কাৰ হোৱা নাছিল। এই আইন ভাৰতীয় সংবিধানৰ ৩০১ ধাৰামতে নাকচ কৰিছে। তিনিটা কাৰণ এই প্ৰসঙ্গত দেখুৱা হৈছে। তাক প্ৰথমটোৰ মতে—এই ধৰণৰ বিল আনিবলৈ হলে প্ৰথমতে প্ৰেচিডেণ্টৰ Previous sanction লাগে। এই ‘ছেঞ্চচন’ নোহোৱাকৈ বিলখন আনৰ কাৰণেই নাকচ হৈ গৈছে। তাৰ পিচত বাকী দুটা কাৰণৰ শেষ সিদ্ধান্ত কি হয় কোৱা টান। সেই আইন নাকচ হলেও যি টেকনিকেল গ্ৰাউণ্ডত নাকচ হ'ল তাৰ পৰা সেই আইন দোষমুক্ত কৰিব পাৰিলে নোৱাৰি তাৰ কালে দৃষ্টি দি সমালোচনা চলাব লাগে। এতিয়া সেই দৃষ্টিকোণৰ পৰাই আমি এইটোও চাব লাগিব যে ইয়াত Public interest আছে নে নাই আৰু ইয়াৰ দ্বাৰা যি কৰ কাটনৰ ব্যৱস্থা, তাত যুক্তিযুক্ততা আছে নে নাই? এই প্ৰসঙ্গত এই কথাই চিন্তা কৰা দৰ্কাৰ। আজি এই বিলখন আগৰ আইনখনকেই দোষমুক্ত কৰিবৰ কাৰণেহে অনা হৈছে, যি দোষৰ কাৰণে চুপ্ৰিম কোৰ্টত এই আইন নাকচ হ'বলগা হৈছে। এই সম্পৰ্কত মোৰ বন্ধু শ্ৰীযুত পাটোৱাৰী ডাঙৰীয়াই যিবিলাক কথাৰ অবতারণা কৰিছে—তাৰ উত্তৰ আগতে দিয়া হৈ গৈছে, কাজেই বেচি কোৱা নিষ্পয়োজন। তেখেতে যি মৌলিক স্বত্বৰ কথা কৈছে সেই স্বত্ব এটা পৰিঘৰ আছে আৰু সেই পৰিঘৰৰ ভিতৰত মৌলিক স্বত্বৰ পৰিসীমা। কাৰ্যেই মৌলিক স্বত্বৰ অজ্ঞাতৰ তাৰ পৰিঘৰ বৃদ্ধি কৰিলে নহ'ব যদিও তেখেতে ইয়াৰ নামত সেই আইনৰ বলত উঠোৱা টকা যুৰাই দিবলৈ কৈছে। সেই হিচাবে ৰাইজে আজি বহুতো টেকচ দিছে—যেনে চেলচ টেকচ, চিটিপত্ৰ লিখা কামত কাৰ্ড এন্ডভেলপ আদি সকলোতে টেকচ দিয়া হৈছে, কাৰণ তাত যুক্তিযুক্ততা আছে। আনহাতে চাওক চাহশিল্পৰ কাৰণে যিবিলাক ‘ফি চিম্পল গ্ৰাণ্ট’ চাহ মালিক সকলে পাইছে তাৰ খাজনা অতি কম। কিন্তু দুখীয়া খেতিয়কসকলে অতি কম পৰিমাণৰ খেতিৰ মাটিৰ ওপৰত খাজনা তাৰ প্ৰায় ৮ গুণ বেচি দিছে, অথচ তাৰ পৰা খেতিয়কসকলে বাবনাই চলিব-পৰা ফচলো নাপায়। তাৰোপৰি নতুন চেটলমেন্ট নিয়মত খেতিয়ক সকলৰ অৰ্থাৎ জনসাধাৰণৰ খাজনাৰ হাৰ আৰু বৃদ্ধি হৈছে আৰু চাহশিল্পৰ মাটিৰ ওপৰত আগৰ যি খাজনা সিয়েই হৈ আছে বৃদ্ধি হোৱা নাই। এইটো এটা ডাঙৰ সুবিধা চাহশিল্পৰ মালীকসকলে ভোগ কৰি আছে। এই কাৰ্য্যই Public interest ত যথেষ্ট আঘাত কৰিছে। এনেস্থলত তেওঁলোকৰ পৰা টেকচ আদায় কৰি জনসাধাৰণৰ কামত খৰচ কৰাত যুক্তিযুক্ততা আছে। কাজেই যি টেকনিকেল গ্ৰাউণ্ডত আগৰ আইনখন চুপ্ৰিম কোৰ্টত নাকচ হৈছে সেই আইনখন দোষমুক্ত কৰি প্ৰণয়ন কৰিব পাৰিলেই সকলোৰে গ্ৰহণযোগ্য হ'ব বুলি মই বিবেচনা কৰো।

**Shri KHAGENDRA NATH BARBARUAH (Amguri) :**

মাননীয় অধ্যক্ষ মহোদয়, বিশেষ কথা এইটো যে ৰাষ্ট্ৰপতিৰ মত নোলোৱাকৈ ১৯৫৪ চনত বিলখন কেনেকৈ আইনত পৰিণত হ'ল? তাৰ বাবে কেৱল চৰকাৰী কৰ্মচাৰীসকলেই দায়ী নহয়? তাৰ লগত মিনিষ্টাৰসকলো আছে, তাৰ ওপৰিও সেই সদনৰ সদস্যসকলো আছিল। সকলোবোৰেই দায়ী। এজন কংগ্ৰেছী সদস্যই বিৰোধী পক্ষই আয়নত সদনৰ সময়ত খৰচ কৰিছে বুলি কৈছে। সদনৰ সময়ত খৰচ হোৱাৰ কাৰণে চৰকাৰী পক্ষই দায়ী। কিয়নো চৰকাৰী পক্ষৰ দোষৰ ফলতেই এই বিল আলোচনা হ'বলৈ যুৰি আহিল। সিদিনা হিমিওপ্যাথিক বৰ্ডৰ সদস্য এজন বঢ়াবলৈ অনা সংশোধনী বিলখন মঞ্জী, কংগ্ৰেছী সদস্যসকলে গভৰ্ণৰৰ আগতে লাগে বুলি সদনত কৈছিল। অৱশেষত এডভোকেট জেনেৰেল আহি সদনত বক্তৃতা দিলেহি আৰু বৰবৰাৰ সংশোধনী বিলখন বিধিসন্মত হৈছে বুলি উপদেশ দিলে। বিৰোধী পক্ষই বিল আনিলে প্ৰেচিডেণ্টৰ সন্মতি লাগে কিন্তু কংগ্ৰেছী পক্ষই আনিলে নহলেও চলে। ই কি কথা। চুপ্ৰিম কোৰ্টে নাকচ কৰি ভাল কৰিলে

এই আইনৰ দ্বাৰা যি টেকচু লগোৱা হয় সেইটোৰ হেচা জনসাধাৰণৰ ওপৰত পৰে। বহুৰ ওপৰ যি কৰ লগাই তাক বহুৰ মালিকে কিনোতাৰ ওপৰত জাপি দিয়ে। যিবিলাকৰ চাহ বাগিচাৰ মালিক তেওঁলোকৰ ওপৰত যদি profit tax, income tax লগালেহেতেন তেতিয়া বুজিলোহেতেন যে সেইটো capitalist ৰ ওপৰত পৰিছে। কিন্তু এইটো consumer ৰ ওপৰতহে লগোৱা হৈছে। এজন সদস্যই সমাজ বহুৰ কথা কৈছে। গান্ধীৰ, বিনোৱাৰ কথা কৈছে। গান্ধীজীয়ে ধনীক সম্পত্তি এৰি দিবলৈ কৈছিল। বিনোৱাই মাটি বিচাৰিছে। কিন্তু বিনোৱা ভাবেক সেই সদস্যই মাটি দিছেনে বা সম্পত্তিখিনি বাইজক দিছে? ধনীসকলে, মাটি মালিক সকলে আশানুৰূপে মাটি এৰি দিছেনে? নাই দিয়া গতিকে বিপুলেই একমাত্র বাস্তৱ। দেশৰ সকলো সম্পদ জনসাধাৰণৰ হাতলৈ আহিব লাগে। আইনৰ যোগেদি যেতিয়া পৰা নাই, তলৰ পৰা বিপুলৰ সহায়েৰে ধনীৰ সম্পদৰ স্থল, উৎপাদনৰ শক্তি প্ৰাক বিতৰণৰ ভাৰ সনজুৱা কৰিব লাগে।

**Shri RANENDRA MOHAN DAS (Karimganj-North):**

Mr. Speaker, Sir, I take this opportunity to speak on the Bill presented before us. I have seen from their speeches that the Hon'ble Members here are mixing the two issues. The two issues I like to separate to subjects one is whether this Bill is necessary for us, merit and principle. Secondly, about the legal obligation, how we could overcome obstacles. Firstly, if we consider the necessity of merit only, I must say before the House that once in this Assembly, some 5 or 6 years back, the entire House supported this Bill. All sections of the Members, all parties, Leader of the Opposition, supported the Bill so far its merit and necessity is concerned. It is surprising that the Hon'ble Member my Friend, Mr. Patwary is objected to the merit and necessity of this Bill. He says that it is not for public interest to walk and move, drive his car and have conveyances, this and that. While I agree with him in that there is also obligation on the part of the people. We cannot ignore their obligation, I must ask him to consider that though a bridge is constructed from the Government offer even for considerable time till the cost of the bridge is not realised, general public and tea gardens have to pay a toll. It is continuing since the coming of the Northern India Freight Act? Considering this aspect of the question while the construction cost of the road has gone high, previously we had now we are having 11 miles. When the expenditure was 2 thousand previously the expenditure has gone to 50,000 for construction of a road. I do not understand why should the question on this has been that it is an infringement of the fundamental right. The permission of the Opposition was already there but there was no objection from him even today. Secondly, Sir, a question was raised by my Friend, Mr. Barbarua that actually it is a tax upon the general public. May be in the form of indirect tax, tax upon the general public is so low that when people taking tea for private consumption they do not realise it. During the last 5 or 6 years, so long the Act was in prevelent, there was no objection from the people so far this Act was concerned.

The agitation came from capitalists, owners of the tea gardens. They moved the High Court, the Supreme Court. If it was really tax opened to the poorest section they ought to have made an agitation in which that agitation was confined to capitalists, because capitalists directly were

effected. Mr. Patwary says that people are affected. Suppose 2 crores of rupees Government realise during this year, if refunded will it go to the owners of the tea gardens? Secondly, the question is that of legal obligation. I have heard my Friend, Mr. Bhattacharyya raised a question who was responsible for drafting of this Act.

**Shri CAURISANKAR BHATTACHARYYA (Gauhati):** For not giving proper advice.

**Shri RANENDRA MOHAN DAS (Karimganj-North):** Every person in this House is responsible, Government is responsible, some officers also are responsible. They do not take us anywhere. The question remains, suppose due to Legislature to pass an Act and it is due to interpret this Act, can we say or can any Member say similar instance in the world, can any Legislature in the world, the House of Parliament in Great Britain, pass legislation which has never been amended by the Supreme Court? That cannot be.

The Courts will do their duty and we shall do our duty. If there is a lacunse we shall come forward with suitable amendment. It is for this House and particularly it is for the Hon'ble Members of this House who study or carry on legal profession to put their heads together so that the lacunse are met by amendments so that the Supreme Court or any other Court does not challenge the validity of our Act. So, with all emphasis I support this Bill and I would request the Hon'ble Members particularly our lawyer friends to see their way in shaping the amendment in such a way that there may not be any trouble in future either in the Supreme Court or any other Court.

**Shri FAKHRUDDIN ALI AHMED (Finance Minister):** Mr. Speaker, Sir, I have listened with rapt attention to the observation were made by the Hon'ble Members. Except my Friend, Shri Patwary, all have supported this Bill but they have been pleased to make two observations which I consider are extraneous and not necessary to be discussed here. One of these observations made by my friend from Gauhati was regarding of the reference that I have made to the approved views by the Chief Justice of the Supreme Court and other judges. I really do not appreciate what objection can be taken it any references to these views. I had merely placed before this House a gift of the judgement of the Court, including the observations made by the Chief Justice and the other judges who hold the majority view. I had clearly stated that this result of the judgement was to declare the Act *ultra vires* of the Constitution, I merely stated the facts as immersed from the judgement of the Supreme Court which the tained both the majority and the minority view. Now, regarding second observation, made by my Friend, Shri Gaurisankar Bhattacharyya and other members that the officer responsible for not giving proper legal advice should be proceeded against and should be punished. I wish that observation had been made after ascertaining the facts. I entirely agree with Shri Barbaruah that is for this error any officer is to be proceeded against and punished, it is also equally reasonable to say that all these, who took part in passing the legislation, can not be absolved from this share of responsibility.

**Shri GAURISANKAR BHATTACHARYYA (Gauhati):** What was said by Shri Barbaruah was quite understandable but my point is what was said by the Finance Minister was not understandable. My point is that before the passing of the Act the assent of the President ought to have been taken.

**Shri FAKHRUDDIN ALI AHMED (Finance Minister):** - What I wish to point out is that, when bill is placed before the House, the Hon'ble Members are expected to scrutinise not only the provisions contained in the Bill and to say about the principles involved in it but also whether it has complied with all Constitutional requirements for instance whether the legislation before introduction required the assent of the Government or the President. The responsibility in this respect is of the Government and the Hon'ble Members. I have seen the Hon'ble Member from Gauhati on many occasions when the bills were introduced raising points of order and in working the Constitution in this support but when this Bill was introduced raising a constitutional point and eminent advocate did not say that the Bill was hit by Article 301 and therefore, required assent of the President before introduction under Article 304 of the Constitution. I wish to submit, Sir, that no error was committed by our Legal Remembrancer or the Advocate General, who were consulted the Government of the time, I am satisfied there was no *malafide* or negligence of duty on the part of the Minister or the Legal Remembrancer. More or less similar provision came for examination before the Patna High Court in what is known as Atmaram's case. Because of the judgement in that case it was felt at the time by our legal advisers that our bill was not hit by Article 301 of the Constitution and therefore, no assent of the President was necessary under Article 304(b). This matter was not only examined by the Legal Remembrancer but it was also examined by our Advocate General who, every one will admit, is a very careful man and has sound knowledge of the constitutional provisions. My friend must also bear in his mind that was done by us was found supported from the Assam High Court and the Chief Justice of India. Who can know or who can see before hand what view the judges of the High Court or of the Supreme Court will take about an legislative measures. Because of a judgement had declared a particular legislation as *ultra vires*, it can be no ground to punish or even to hold a departmental enquiries against those under whose supervision and advice the legislation was placed before the House. The only things in considering this matter would be whether such advice was given *malafide* or due to negligence of duty. But when we find that the action was neither *malafide* nor there was any negligence of duty there can be no justification to cast reflections on those who did their duty honestly. Further, as I stated before this matter was examined not only by the Legal Remembrancer but was also examined by the Advocate General.

The Advocate General of Assam at that time said 'Under Article 246(2) of the Constitution read with entry 36 of List II the 7th Schedule, the State Legislature has exclusive power to make law with respect to taxes on goods and passengers carried by road or on inland waterways. The taxes contemplated in entry 56 is a tax on passengers and goods carried or transported by road or on inland waterways. The person liable is the passenger or the individual who transports his goods. The imposition is in respect of his transactions and acting. Thus the tax is really not on the carriers but on goods and passengers carried by the carriers. 'He

further said that the proposed legislation does not appear to come under Article 304(b) and the special Bench decision of the Patna High Court in Atmaram's case supports this view. 'Our Law Officers win perfectly justified in their holding that this measure did not come under Article 301 ascending "subject to other provisions, trade, commerce and intercourse throughout the territory of India shall be free".

As regards the suggestion of action against the officer responsible, I must say that the Legal Remembrancer, who is soon going to adorn the Assam High Court, was their right in giving his opinion that the bill did not require the assent of the President. The Advocate General, who is an eminent lawyer, was also not responsible because the judgement of the Patna High Court. I hope the Hon'ble Members will be satisfied that the failure to obtain President's assent does not call for any action against the legal advisers concerned. It is really unfortunate that now we have become wise after the event. As I have said that any act of omission by our officers, has to be examined whether there was any *malafide* any negligent of duty on the part of these officers. Without ascertaining these it will not be just and proper for us to take any action.

Now, so far as my Friend, Shri Patwary is concerned, I need not refer to his observations. He was adequately replied by my Friend, Shri Bora. I was really surprised to hear from him that he was prepared to make a present of 13 crores of rupees to the tea garden depriving the State and its people from utilising it in various developmental activities.

Again, Sir, so far as the observation of Shri Barbarua is concerned, I am constrained to point out that he has not understood the correct implications of this provision. Taxes realised under this measure will not hit the people at all. I wish the provisions contained in the Act of 1954 had been studied by him and he had tried to understand them. He thinks that the tax realised from the tea which goes outside India is a burden for the people of Assam. It is really surprising.

**Shri GAURISANKAR BHATTACHARYYA (Gauhati):** He is speaking about the poor people in England.

**Shri FAKHRUDDIN ALI AHMED (Minister, Finance):** With these observations, I commend this Bill to the House and I hope that Shri Patwary will not persist his objection.

**Mr. SPEAKER:** The question is that the Assam Taxation (On goods carried by Road or Inland Water-ways) Bill, 1961 be taken into consideration.

(The question was adopted).

The Bill will be taken into consideration on 28th February 1961. The amendment, if any, should reach the Assembly Secretariat upto 4 P. M. Saturday, the 25th February 1961.

### Adjournment

The Assembly was then adjourned till 10 A. M. on Saturday the 25th February 1961.

R. N. BARUA,  
Secretary, Legislative Assembly, Assam.

## EXPLANATORY NOTES

A—9—I.—*Hospitality Charges.*—The additional amount of Rs.1,126 is required to meet the expenditure incurred by the Speaker in entertainment relating to the visit of the Government of India's Parliamentary Delegation headed by Shri A. P. Jain, M. P. and other Dignitaries of India and in meeting the members of the Assembly Press Association and on behalf of the Assam Legislative Assembly as also in keeping the dignity of the office of the Speaker.

## B—STATE LEGISLATURE

**B.2—State Legislature Secretariat—Allowances and Honoraria.**—The amount of Rs.15,000 is required for payment of Compensatory allowance sanctioned by Government with effect from 1st April, 1960 to the officers and Establishments of this Secretariat. This was not contemplated and included in the original grant as the sanction was given subsequently.

**Contingencies.**—The additional amount of Rs 1,000 is required for purchase of carpets, furniture, etc., for the newly extended rooms of the Speaker's residence, i. e., "Lake House".

The additional amount of Rs.1,500 is required for polishing the furniture and providing duplicated curtains in the Members' Hostel during the year, so that the old carpets might be washed

## D.—SECRETARIAT AND HEAD-QUARTER ESTABLISHMENT

**D.3—Director of Land Records—Pay of Establishment.**—The amount of Rs.2,481 is required for meeting the excess expenditure in connection with pay and allowances, etc., for entertainment of one Head Assistant and a Record Keeper for the office of the Director of Land Records sanctioned during the year in order to cope with the increased volume of work and hence the Demand.

**Allowances and Honoraria.**—The amount of Rs.10,000 is required to meet the increased expenditure under the heads "Winter Allowance", "Compensatory Allowance", "Travelling Allowance of Officers" and "Travelling Allowance of Establishment." The increase under Travelling Allowance of Officers and Establishment is due to frequent and extensive tours undertaken by the Director of Land Records, etc., in connection with the Settlement operation, Indo-Pak boundary Demarcation inside and outside the State, and for audit of district offices to be made by the Internal auditor which post was sanctioned during 1960-61. The increase under "Winter Allowance" is due to the increase in the grants of dearness pay. The increase under "Compensatory Allowance" is due to sanction of Compensatory Allowance during 1960-61.

**Contingencies.**—The amount of Rs.1,500 is required for service postage stamp, etc., due to increase in the volume of correspondence.

**F.—1-4—Contingencies.**—(1) The sum of Rs.8,81,000 was required to meet the expenditure for payment of hire charges, etc., of vehicles required during the last disturbances in the State. No fund for the purpose could be provided in the budget for 1960-61 as the disturbance was absolutely unforeseen. As the expenditure was immediate the amount was advanced from the contingency fund during 1960-61.

Hence this demand to regularise the said advance from contingency fund.

(2) The amount of Rs.3,690 was required for payment of electric bills in respect of the buildings occupied by the Army in Mikir Hills. No provision could be made in the budget as proposal was received after finalisation of the budget estimate for 1960-61.

As the aforesaid expenditure was of immediate nature, the same was met by an advance from contingency fund. Hence the demand to regularise the advance.

**9. Expenditure in connection with Adhi Conciliation Boards.**—The amount of Rs.8,720 was urgently required to meet the expenditure for the fixed allowance of Rs.20 per mensem granted to each non-official members of the Adhi-Conciliation Board. No provision for the purpose could be made in the current financial year's budget. The amount was advanced from the Contingency Fund. Hence the supplementary demand to regularise the advance.

## H—MISCELLANEOUS

**H.2. —Miscellaneous—I. A. S. Training School.**—In the original Budget for 1960-61, only a token provision of Rs.20,000 was made with a view to start the Administrative Training School at Gauhati. With the appointment of the Principal and a skeleton staff, the office of the Principal, Administrative Training School has been opened to make all preliminary arrangements to start the Administrative Training School at Gauhati. The existing token provision of Rs.20,000 is found to be inadequate to meet actual requirement and hence the additional sum of Rs.20,500 is required to meet the expenditure in connection with the pay, allowance, contingencies including cost of furniture equipments, etc., of the Administrative Training School, Gauhati.

**Directorate of Social Welfare Scheme.**—As per decision of the Government the Directorate of Social Welfare came into being in April, 1960. As there was no time for submission of budget at that time an advance of Rs.30,000 (Thirty thousand) had to be drawn from the contingency fund to meet the expenditure of the Directorate. Hence the supplementary demand to regularise the advance from the contingency fund.

**Establishment of Trade Adviser.**—The additional amount of Rs.8,000 is required to meet the increased contingent expenditure on account of service postage stamp, car propulsion, telephone charge, etc., due mainly to all round increase of works of Trade Adviser's Organisation in Calcutta which could not be foreseen.

## DEVELOPMENT SCHEME (SECOND FIVE YEAR PLAN)—

**F.3—(f) Low Income Group Housing Schemes.**—A sum of Rs.22,000 is required for meeting the charges in connection with the development of the Kharghuli Hill area, selected by the Government for construction of tenments under the "Subsidised Industrial Housing Scheme" and "Slum-Clearance Scheme". The expenditure could not be foreseen while framing the budget estimates for 1960-61 or the original Estimates relating to the work under those Schemes.

A sum of Rs.1,54,700 will be required to execute the work during the current financial year against which a sum of Rs.1,32,700 can be met from the savings in the current year's budget. The balance is required to be provided by Supplementary Demand.

**F.3—(g) Town Planning.**—As provided under Section 12 of the Town and Country Planning Act, 1959 an Authority has to be constituted for the purpose of implementation of the Master Plan for Greater Gauhati which has already been prepared. The main function of the Authority is to execute the improvement works, development of new sites and implementation of the provisions of the Master Plan as required under the Assam Town and Country Planning Act, 1959. Preparation of the necessary rules required for the functioning of the Authority has already been taken in hand and it is expected that the Authority will be established soon. But to give a start to the function of the Authority some initial expenditure will be required and for this reason it is therefore necessary that an amount of Rs.10.00 lakhs be placed at the disposal of the Authority in order to enable to establish itself and start functioning. Hence the Supplementary Demand.

## NORMAL

1. The additional amount is required to (1) cover short-fall to the extent of Rs.3,27,000 for sanction of post-Matric Scholarship to students belonging to Scheduled Caste, Scheduled Tribes and other Backward Classes and (2) to pay tuition and other fees to the extent of Rs.3,26,000 to students of other Backward Classes who passed in Third Division and who are not eligible to post-Matric Scholarships. Hence the Supplementary Demand.

2. Government of India has since sanctioned a sum of Rs.86,750 for giving grants to certain educational institutions for the development of games and sports. An advance for the same amount had consequently to be taken from the Contingency Fund of the State for issuing corresponding sanction, as no provision for the purpose could be made in the budget for uncertainty of Government of India's grant. Hence the Supplementary Demand for regularisation of the Advance taken.

## PLAN SCHEMES

1, 2, 3, 4, 5, 6, 7, 8, 9 & 12 (f) —The allotment under the different schemes were recast in accordance with the recommendations of the Advisory Council for Hills Tribals. The revised allotment necessitated and the adjustment of expenditure to the extent of Rs.3,50,000 to be made against the appropriate Heads of Accounts within the total ceiling fixed by the Government of India for Art. 275 Schemes under Education. The amount is not covered by the provisions made in the original budget. Hence the Supplementary Demand.

The Government of India has also made available an additional amount of Rs.3,57,000 under Art. 275 and Removal of untouchability schemes towards educational facilities of Scheduled Tribes and Castes out of the overall savings in the State Plan during the current financial year, thereby raising the current year's plan ceiling under Welfare of Backward Classes. As the decision in the matter was taken only recently, this additional expenditure could not be anticipated earlier.

Hence the Supplementary Demand for the total amount of Rs.7,07,000.

Out of the total Supplementary Demand of Rs.7,07,000 now applied for, Rs.5,27,000 had to be provided by taking advance from the Contingency Fund as immediate disbursement was necessary for the implementation of some of the schemes noted below:—

Name of Scheme	Head of Accounts	Amount

-------	-----	-----------------

10, 11 & 15.—Additional funds are required to meet the expenditure of the Second Plan which could not be provided in the original budget due to less allocation of the plan ceiling at the time of preparation of budget estimate. The Government of India will bear 50 per cent expenditure on items 10, 11 (1) and 60 per cent on item 11(k).

12 (i).—The amount is required for renewal of Scholarships and Free-student-ships to other Backward Classes students. As the scheme has been approved recently, the amount could not be provided in the regular budget during the current year. As the expenditure was also for immediate disbursement, the amount had to be provided by taking advance from the Contingency Fund. Hence this demand to regularise the advance.

13 & 14.—The additional provision is required to meet the State's share of expenditure of the Centrally sponsored scheme for imparting free education of the students of the Scheduled Caste and Schedule Tribes. The amount could not be provided in the original budget due to less allocation of the plan ceiling at the time of preparation of budget estimates.

## EXPLANATORY NOTES

1. The additional amount is necessary as the original estimate was less than the actual requirement; and due to absorption of 475 Vaccinators from Local Boards and consequent increase in contingent expenditure.

2. The additional amount is required for giving enhanced grant to Municipal Board/Town Committees for maintenance of Public Works Department roadside drains due to the increase in the cost of their maintenance.

3. Drugs and medicines, etc., were purchased for rendering medical relief in the Mizo District on account of Mautam, which could not be foreseen, by taking advance from the contingency fund. Hence the Supplementary demand.

4. The buildings of the Furkatting State Dispensary are in most dilapidated condition and becoming uninhabitable. Repairs and improvement to the buildings are immediately necessary as otherwise the Dispensary itself will have to be closed in no time. It is an unforeseen work and owing to limited provision of funds under the appropriate head of expenditure, the Supplementary demand for Rs.4,632. is necessary.

The amount of Rs.2,44,500 is required for emergency Water Supply Scheme at Aijal. The existing budget provision is found too inadequate to meet the situation. The scheme is to carry water by trucks for supply to the Town for both the Government servant, District Council staff and about 1,000 non-official families, from Sairang river a distance of 12 miles from Aijal. This year due to draught and the increase in the number of population, the need for supply of water increases to considerable extent which could not be foreseen.

5. It has been felt necessary to start a second Health Education Unit for the hills district, but for short of allotment under annual plan under Art.275, this could not be implemented so far. Since the amount required has now been made available out of the overall savings in the State Plan, necessary provision is required to be made in the current year's Plan Budget. The amount has already been advanced from the Contingency Fund.

6. The necessity of providing good drinking water through major water supply schemes the following areas was assessed and accordingly suitable schemes to the extent of the following amounts were prepared. But for short of funds, the schemes could not be taken up earlier. Since an amount of Rs.5,70,000 is now made available out of the overall savings in the State Plan during the current financial year, the amount is now required to be provided under the appropriate head of account in the current year's budget. The total estimated cost of the schemes are as follows:—

							Rs.
1. Aijal	...	...	...	...	...	...	8,66,000
2. Garobadha	...	...	...	...	...	...	4,00,000
3. Mairong	..	...	...	..	...	...	2,10,000
4. Haflong	...	..	..	...	...	...	7,09,000
Total	...	...	...	...	...	..	<u>21,85,000</u>

An amount of Rs.5,20,000 is required for starting the aforesaid schemes from No. 1 to 3 while an amount of Rs.50,000 is required towards the continuance of the scheme No 4 during the current year, as the current year's allotment falls short of the requirement. The amount is advanced from the Contingency Fund and hence the amount is required to regularise the advance by Supplementary demand.

7. It has been felt necessary to take up some schemes for the improvement of water supply specifically for the areas predominantly inhabited by the people of Other Backward Classes. As the decision was arrived at after the budget estimates were passed, no provision could be made in the original budget. Since immediate disbursement is necessary, the amount has already been advanced from the contingency fund. The Supplementary demand is required to regularise the matter by making provision in the appropriate head of expenditure.

8. An advance of Rs.1,77,492 was obtained from the Contingency Fund for Pilot Project for Eradication of Small-Pox in the State under the recommendation of the Central Expert Committee to be started in 1960-61. Saving to the tune of Rs.3,30,000 is anticipated in the Plan Budget under the head "39—Public Health General—Development Scheme Second Five Year Plan—Centrally Sponsored Schemes—A—4—Public Health Establishment (b) National Filaria Control Programme" and the amount required for the Pilot Project for Eradication of Small-Pox may be met by re-appropriation from the above savings. As such a Token Supplementary Demand for Re.1 only is preferred to regularise the advance from the Contingency Fund.

9. The amount is required for installation of Iron Eliminator Plant for removing iron contents of water of the deep tubewell sunk at the Regional Research Laboratory, Jorhat. An attempt has been made to clear the water by constant pumping out but without any fruitful result. As per advice of the Public Health Engineer it is considered essential to instal the Iron Eliminator Plant.

## EXPLANATORY NOTE

The amount of Rs. 33,000 is required to meet the expenditure in connection with the operation of Livestock census, 1961 in Assam. In the current year's budget, lump-sum provision of Rs. 5,000 has been made under the head "41.—A. H.—Normal—A—Superintendence—4—Contingencies—Livestock Census". But this amount is found inadequate subsequently and therefore Rs 33,000 was provided by taking an advance from Contingency Fund to meet the immediate expenditure.

The entire scheme for Livestock Census has been sanctioned at an estimated cost of Rs.50,178 for the current year and out of the above amount, Rs.12,178 is being provided by re-appropriation from savings in the "A. H.—Budget". The existing provision of Rs.5,000 will be written back to the new head.

Hence the Supplementary Demand to regularise the advance from the Contingency Fund.

## EXPLANATORY NOTE

Service Co-operatives have been organised with a view to stepping up agricultural production and raising the economic condition of the cultivators. It is proposed to distribute agricultural implements, good seeds, manure, pesticides, etc., through the Service Co-operatives. In addition to this in order to link credit with marketing and also to ensure a fair and reasonable price to the growers a scheme has been undertaken to procure paddy through the Service Co-operatives. It is also necessary to stock paddy in the villages for consumption during lean period of those cultivators who are compelled to sell immediately after harvest, has otherwise they will have no other alternative than to buy at a higher rate. It is therefore necessary that each Service Co-operative should have a godown of its own.

It is proposed to give grant-in-aid of Rs.1,000 to each of the Gaon Panchayats to purchase C. I. Sheets for construction of small godowns which when completed will be made available to the Service Co-operatives for their use. The Gaon Panchayats will mobilise labour and materials on self-help basis for the construction of these godowns.

To start with, 500 Gaon Panchayats are proposed to be given financial assistance at the rate of Rs.1,000 each, during the current financial year. Hence the Supplementary Demand. The amount has been advanced from the Contingency Fund.

## EXPLANATORY NOTES

**Techno-Economic Survey, etc.**—This amount is required for payment of 3rd instalment of Rs.50,000 out of the total amount of Rs.2,00,000 payable to M/S National Council of Applied Economic Research for preparation of the Techno-Economic Survey Report on Assam. There is no provision in the current year's budget as this could not be provided owing to shortage of the fund in the State Annual Plan budget. It is now found possible to meet this amount from the overall Plan savings of the State for the year 1960-61. Since the Council is pressing for immediate payment, it is proposed to make payment of the third instalment of Rs.50,000 within this year by taking advance from the Contingency Fund

Hence the demand.

**5. Grants-in-aid, etc.**—The amount of Rs.2,820 is required to meet the expenditure in connection with the Government contribution to the Assam Productivity Council, Tinsukia, a statutory organisation set up under the auspices of the Government of India to increase Productivity in the different industries of the country. The Government have decided to contribute a sum of Rs.2,820 in the shape of the Grants-in-aid to the Council only recently and so the expenditure could not be foreseen while framing the Budget estimates for the current year. Hence an Advance of the equal amount was taken from the contingency fund. The Supplementary Demand is proposed to regularise this advance.

**Other Organisation.**—A department of Geology and Mining was created on 15th February, 1960 with a Director as the functional head. No provision for the Directorate could be made in the original budget and accordingly an amount of Rs.10,000 was made available by the Industries Department out of their probable savings from the head '43.—Industries and Supplies—III—Major Industries' to meet the immediate initial cost. It appears that a further sum of Rs.1,66,000 is needed to meet the cost of drilling equipment amounting to Rs.1 lakh and Rs.66,000 to meet expenditure on the pay and T. A. of the Officers and staff as well as other incidental contingent expenditure during the year 1960-61.

An amount of Rs.1,66,000 has been advanced from the Contingency fund to meet the aforesaid unforeseen expenditure and hence the Supplementary Demand to regularise the advance.

The aforesaid amount will be made available out of the Annual Plan Allocation for 1960-61 under the Industries Sector.

## EXPLANATORY NOTES

A—(a) **Relief works.**—The current year's original provision made in the budget for all the Autonomous District for test relief works having being spent in the Mizo District in connection with relief operation against Mautam Famine, it becomes necessary to sanction test relief grant for United Mikir and North Cachar Hills to the extent of Rs.1,50,000. A sum of Rs.1,04,013 has been advanced from the contingency fund to meet the said requirement as this was of unforeseen and urgent in nature.

Hence the demand to regularise the advance from contingency fund.

The amount of Rs.2,00,000 was sanctioned to the Deputy Commissioner, Mizo District for execution of Test Relief Work in the Mizo District to fight with the Mautam Famine there, during the month of October, 1960. The said amount was sanctioned by taking an advance from contingency fund. Hence the demand.

(b) **Gratuitous relief.**—The amount of Rs.1,000 and Rs.500 were placed at the disposal of Deputy Commissioner, United Mikir and North Cachar Hills and the Subdivisional Officer, North Cachar Hills respectively with a view to enable them to give immediate relief in case of emergency.

Budget provision being proved inadequate to meet the requirement during the current financial year the amount was advanced from the contingency fund. Hence the demand.

The amount of Rs.2,250 was sanctioned as Gratuitous relief to 56 erosion affected people of Garo Hills at Rs.40 per family. As the expenditure was of immediate nature, the amount was advanced from contingency fund.

A sum of Rs.2,000 was sanctioned as gratuitous relief to the people affected by food scarcity in North Cachar Hills. As the expenditure was of immediate necessity, it was advanced from contingency fund.

(c) **Salaries of establishment.**—The current year's provision of Rs.81,700 fell short of the requirement on account of pay and allowances of the staff employed for relief fleet of Mizo District affected by Mautam. The additional amount of Rs.1,50,000 was therefore required to meet the expenditure on account of pay and allowances of the aforesaid staff and also the staff entertained for test relief schemes, United Khasi and Jaintia Hills and Mizo districts. The amount of Rs.1,50,000 was advanced from contingency fund. Hence the demand.

### EXPLANATORY NOTES

1. The Government of India has recently approved the sanction of Rs.3,08,000 as grants-in-aid to Ramkrishna Mission, Cherrapunjee. As the matter is urgent there is no time to provide the amount in question by Supplementary Demand during the last session of the Assembly, and as such the amount was provided by taking advance from Contingency Fund.

The balance amount of Rs.50,000 is required to give additional grant to the deserving non-Government Institutions doing welfare works for the Scheduled Tribes in the Autonomous Districts. The original provision made in the budget is not sufficient to meet the growing demand. This amount has now been made available by the Planning and Development Department out of the overall savings. The amount in question has also been provided by taking an advance from Contingency Fund. Hence the demand to regularise the advance.

2. An amount of Rs.1,25 000 has been made available very recently out of the over all savings in the State Plan for implementation of the housing scheme for Schedule Castes during the current financial year. There being no provision in the current years budget, the amount in question has been provided by taking an advance from Contingency Fund. Hence the demand to regularise the advance.

An amount of Rs.50,000 has been decided to be utilised very recently out of the over all savings in the State Plan for giving grants-in-aid to non official organisation including Namghars. There being no provision in the budgt, the amount in question has been provided by taking an advance from Contingency fund. Hence the demand to regularise the advance.

## EXPLANATORY NOTES

1. **B.—Donations for charitable purposes.**—The additional amount is required for increased expenditure on dieting charges consequent on the increase in the number of non-criminal lunatics.

2. **C.—Special Commission, etc.**—The amount of Rs.95,740 is required to meet the expenditure in connection with the Gauhati, Jorhat and Gorewar Inquiry Commissions. As the expenditure was unforeseen no provision could be made for the purpose in the current year's budget and the amount had to be made available by taking advance from the Contingency Fund. Hence the Demand to regularise the advance.

3. **G.—Rates and Taxes.**—The additional amount is required for occupation of additional court building in Cachar. The expenditure was unforeseen. Hence no provision could be made in the budget.

4. **J.—Miscellaneous and unforeseen charges, etc.**—The amount of Rs.29,75,000 is necessary to sanction rehabilitation grant upto a maximum of Rs.50 per family and gratuitous relief both in cash and in kind to the victims of the language disturbances which took place in July, 1960. This includes help to the affected students also. The gratuitous relief is necessary both in and outside the camps. An amount of Rs.18,71,000 had to be incurred in granting relief by obtaining advance from Contingency Fund against which a Supplementary Demand of Rs.40,00,000 was obtained to regularise the contingency fund and etc." An amount of Rs.22,92,160 has been spent upto 9th January, 1961 out of this fund. But as it has now been tentatively decided in consultation with the Accountant General, Assam to book the aforesaid expenditure under the appropriate head '57.—Miscellaneous—II—Donations for charitable purposes, etc.—J.—above amount is required. The previous amount of Rs.40,00,000 obtained by Supplementary Demand under head "54.—Famine Relief, etc.", is, therefore, to be surrendered.

The Additional amount of Rs.11,445 is necessary for adjustment of the expenditure incurred in connection with the flight of planes arranged for carrying the dead body of Late Shri Sayid Fazl Ali, Governor of Assam to Benares for funeral.

The amount of Rs. 50,000 was required for meeting the expenditure on gratuitous relief in the shape of food, shelter ration bills, transport cost, etc., for the Mikir Hills evictees and also a sum of Rs.25,000 was required for meeting the expenditure on gratuitous relief to the victims of language disturbance in the autonomous districts. As the expenditures were of immediate nature, the amounts were advanced from Contingency Fund. Hence the demand.

## EXPLANATORY NOTES

A.—(a) An amount of Rs.50,000 which has been made available out of the overall savings of Rs.40 lakhs in the State Plan Budget during the current financial year as intimated by Tribal Areas Department, is required as a grants-in-aid to Municipalities and Town Committees for improvement of working condition of sweepers and scavengers. As this is a new scheme, there is no provision in the current year's budget and for immediate expenditure this amount was advanced from contingency fund to meet the said requirement as this was of unforeseen and immediate nature. Hence the demand to regularise the advance from contingency fund.

(b) The sum of Rs.94,425 is required for the scheme extended by Government of India for the purchase of wheel barrow/hand carts. The total expenditure incurred for the implementation of the scheme will be borne between the local bodies and Government of India on 50:50 basis. Government of India's share will have to be borne by the State Government at the initial stage and will ultimately have to be re-imbursed. The grant is extended on the basis of the demand of the local bodies and it could not be provided in the original budget for 1960-61 as this was a new scheme. For immediate expenditure as it was of urgent nature, this amount of Rs.94,425 has been advanced from contingency fund. Hence the demand to regularise the advance from contingency fund.

(c) The supplementary grant of Rs.6,98,490.94nP is required for sanctioning to the Local Bodies the grants from the Government of India and also from the State Government for restoration of the damage caused to their properties, i.e., roads, buildings, etc., by the flood during 1959. The total estimated expenditure on restoration of the properties of local bodies damaged by flood during 1959 is Rs.97,132 27 approximately of which an amount of Rs.3,49,245.47 (3,64,245.47 minus Rs.15,000 as deducted on account of *ad-hoc* grant sanctioned to Silchar Municipal Board during 1959 for restoration of flood damage, etc.,) will be met by Government of India and an amount of Rs.3,49,245 47 (3,64,245.47 minus 15,000 as deducted in the case of Government of India's grant) by the State Government and the balance of Rs.2,42,830.32 by the Local Bodies themselves. As no provision in the current year's (1960-61) budget has been made for such unforeseen natural calamities, an advance has been taken to meet the expenditure from Contingencies Fund. Hence the Supplementary Demand. The amount in full will be spent during the current financial year.

The additional amount of Rs.9,155 is necessary to meet a portion of the additional expenditure of Rs.10,080 sanctioned by Government as transport subsidy for distribution of Rice at a pool price to the border areas in the North Cachar Hills.

Scarcity of foodstuff in these areas necessitated increased expenditure which could not be foreseen. Hence the additional demand.

This is to regularise the advance sanctioned from Contingency Fund.

## EXPLANATORY NOTES

It was necessary to obtain an advance of Rs.2,000 from the Contingency Fund to meet the cost of training in U. K. of Shri W. R. Marbaniang whose scholarship has been sponsored by the State Government. No provision could be made in the budget for this purpose as there was no certainty if any seat could be arranged for the scholar during the year. It was not also possible to anticipate if there would be savings in the provision made under the head for a specific purpose.

It is now anticipated that the expenditure can be met from the provision under the head. Hence the Supplementary Demand for the token amount of Rs.100 is for regularisation of the advance.

## EXPLANATORY NOTES

The additional sum of Rs.18,93,438 is required for transferring the amount to the State Transport Depreciation fund as set aside in the B. T. balance sheet of 1959-60. The provision against this head is meant for adjustment of the amounts to the credit of the D.R.R. fund by charges to operational expenses and not for direct expenditure. Due to increase in operational expenses the existing provision is not adequate and hence the Supplementary Demand.

The original allocation of fund under this Scheme was Rs.3,75,000 but it is found that the amount allotted is not adequate to meet the immediate demand for construction of some essential roads during 1960-61 to facilitate transportation of timber, etc., from the Forests. Hence requirement for additional amount of Rs.1,05,000. Planning and Development Department has agreed to meet this expenditure out of the expected savings from the total ceiling of the State Plan for 1960-61.

## EXPLANATORY NOTE

(1) An amount of Rs.10,00,000 was sanctioned by the Government for investment towards share capital of Assam Spun Silk Mills Ltd.—a State Government undertaking. The current year's Plan provision for the Spun Silk Mills was Rs.5.50 lakhs under the head "72—Capital Outlay, etc", which was invested towards share capital contribution of the Company. A further sum of Rs.10 lakhs was provided through Supplementary Demand in the last

Session of the Assembly as loan under the head "Loans and Advances, etc.—(XI Loans to Major Industries) Loans and Advances (Second Five Year Plan) Loans to Local Funds, private parties, etc.,—loans to Major Industries" towards the aforesaid Company's working capital. In the initial stage it was further considered necessary to invest a sum of Rs.10 lakhs towards share capital of the Assam Spun Silk Mills Ltd. It was decided to meet the expenditure from the over-all savings of the Plan provision for the year 1960-61. This diversion of fund has been approved by the Planning and Development Department. There is no further provision excepting Rs.5.50 lakhs in the budget of 1960-61 for this purpose. The needs of the Company at its initial stage could not be foreseen at the time of framing the budget estimates. The expenditure was met by obtaining an advance from the Contingency Fund as this was urgently required. The Supplementary Demand is proposed to regularise the advance taken from the Contingency Fund.

(3) An amount of Rs.77,500 has been sanctioned by the Government to meet the expenditure for purchase of share in M/S. Assam Tanneries Ltd. The Government have decided to purchase share in this Company very recently, i.e., in November, 1960. Hence the expenditure could not be foreseen while framing the budget estimates for 1960-61. An advance of the equal amount has been taken from the Contingency Fund to meet this expenditure. The Supplementary Demand is proposed to regularise the advance taken from the Contingency Fund.

### EXPLANATORY NOTES

The proposed amount of Rs.3 lakhs is necessary for investment in the Assam Government Marketing Corporation towards its share capital contribution. There is a provision of Rs.30,000 for the purpose in the budget for the year 1960-61 under "72,—Capital Outlay, etc." which will not cover the necessary requirements of the Corporation. This investment of Rs.3 lakhs in the share capital is urgently necessary to enable the Corporation to meet its running expenditure in respect of proper functioning of the emporia so far taken over by the Corporation from the State Government. It has been decided to meet the expenditure from the overall savings of the Plan provision for the year 1960-61. This diversion has already been approved by the Planning and Development Department. The requirements of the Corporation at its initial stage could not be foreseen at the time of framing the budget estimates. Hence the Supplementary Demand.

## EXPLANATORY NOTES

Total budget provision under Sub-head 4.—Contingencies is Re.3,76,13,220 out of which a sum of Rs.3,70,00,000 has been provided for purchase of Rice/Paddy and bags during the current financial year. Out of this provision expenditure to the extent of Rs.2,80,00,000 has already been incurred upto 31st December, 1960 thereby leaving a balance of Rs.90 lakhs only to meet expenditure in connection with purchase of winter sali paddy during the remaining 3 months of the current financial year. In this connection it may however be mentioned that sum of Rs.6,79,000 representing cost of sugar is included in the aforesaid amount of expenditure upto 31st December, 1960. As the expenditure in connection with sugar is debitable to the head "85.—A.—Capital Outlay, etc." Section I, this expenditure will, in due course be transferred to the Minor head Section I from Section II. Thus the total fund available under the detailed head purchase of Rice/Paddy and bags will be Rs.96,79,000 (Rs.90,00,000 + Rs.6,79,000).

While framing the budget for 1960-61 it was estimated that a quantity of 22 lakhs maunds of paddy would be purchased during the Khariff year 1959-60 i.e., from December, 1959 to November, 1960 and that out of this quantity 17 lakhs maunds of paddy would be purchased during financial year 1959-60, i.e. upto 31st March, 1960 and the remaining quantity of 5 lakhs maunds of paddy would be

purchased during the current financial year *i.e.*, from April, 1960 to November, 1960. Thus a provision for 5 lakhs maunds of paddy and 10,50,000 maunds of Rice to be purchased during the period from April, 1960 to November, 1960 was made in the current year's budget. But subsequently the target of procurement during the Khariff year 1959-60 was fixed at 35 lakhs maunds of paddy out of which 25 lakhs maunds of paddy were purchased during the period upto 31st March, 1960. Thus the increase in the target of procurement during the Khariff year 1959-60 affected the budget for the current financial year, *i.e.*, 1960-61 in as much as an additional expenditure to the extent of Rs.1.40 crores due to purchase of additional quantity of 5 lakhs maunds paddy and 5 lakhs maunds of resultant rice has already been incurred upto December, 1960. The balance expenditure of Rs.1.40 crores (2.80 crores—1.40 crores) already incurred upto December, 1960 represents the value of resultant rice purchased out of the stock of paddy as on 31st March, 1960 issued to the millers from April, 1960 to November, 1960 as well as the cost of Aus paddy to the extent of Rs.14,58,000. It will therefore be seen that out of the total budget provision of Rs.3.70 crores on account of purchase of Rice/paddy and bags, a sum of Rs. 2.80 crores has already been spent.

During the remaining 3 months of the current financial year, a total sum of Rs.2,62,50,000 will be required for purchase of 25 lakhs maunds of winter sali paddy including bags against the fixed target of 35 lakhs maunds of paddy for the whole Khariff year 1960-61, *i.e.*, from December, 1960 to November, 1961. In addition to this a sum of Rs.50,08,912 will have to be paid to the Government of India for supply of control rice during 1959-60 for which debit has already been raised by Government of India against the State. Thus for Government of India rice a sum of Rs.50,08,912 will have to be provided for.

In this connection it may be mentioned that under minor head E.—Consumer Goods Scheme—General Areas there is a total budget provision of Rs.1,20,00,000 out of which there is an expected savings of Rs.8 lakhs which is proposed to be re-appropriated by transfer to Section II.—4.—Contingencies purchase of Rice/Paddy and bags.

The net additional requirement is therefore estimated at Rs.1,49,71,363 or say Rs.1,50,00,000 as detailed below —

	Rs.
(i) Purchase of rice and bags Budget provision ...	3,70,00,000
(ii) Deduct—amount already spent upto 31st December, 1960.	2,80,00,000

(iii) Add—amount spent on account of sugar out of provision under Section II and to be transferred to Section I.	6,79,000
	<hr/> 96,79,000
(iv) Add—fund available under head E.—Consumer Goods Scheme and to be re-appropriated by transfer to Section II.	8,00,000
	<hr/> 1,04,79,000
Total fund available for purchase of rice paddy bags	<hr/>

(i) Value of 25 lakhs maunds of winter sali paddy including bags to be purchased during the month of January, 1961 to March, 1961.				2,62,50,000
(ii) Value of Central Government Rice ..				50,08,912
				<u>3,12,58,912</u>
(iii) Less—Quantity of paddy likely to be purchased during 2nd fortnight of March, 1961 in respect of which the suppliers bills are not likely to be paid within 31st March, 1961.				58,08,549
				<u>2,54,50,363</u>
Less Fund available .. .. .	..	..	..	<u>1,04,79,000</u>
Net requirement .. .. .	..	..	..	<u>1,49,71,363</u>

The above additional expenditure could not be foreseen at the time of submission of original budget for reasons explained above.

Hence the Supplementary Demand.

## EXPLANATORY NOTES

1. (a) The amount of Rs.600 is required for payment of decretal amount to Sari Ram Krishna Mahanta of Sibsagar as decreed by the Munsiff's Court Sibsagar. A truck belonging to Shri Mahanta was requisitioned by Deputy Commissioner, Sibsagar for eviction work from 18th November 1957 to 23rd December 1957. Shri Mahanta submitted a bill for Rs.1080 as hire-charge of

his vehicle but he was paid only Rs.480 which he accepted under protest. Shri Mahanta did not consider the amount to be reasonable and therefore filed a suit in the Munsiff's Court at Sibsagar for recovery of the balance of Rs.600 of his bill for hire-charge of the vehicle. The Court passed judgment for payment of Rs.600 to Shri Mahanta in the month of December 1959 and the Government was moved for granting the decretal amount in the month of May, 1960, by the civil authority concerned when there was no time to make provision for this amount in the current year's budget and so the amount had to be made available by an advance from the contingency Fund on 15th October 1960 to be regularised by a Supplementary appropriation. Hence the Supplementary appropriation.

(b) The amount of Rs. 865 is required for payment to the party concerned as decretal amount on the basis of the judgment of the Additional District Judge L. A. D., Nowgong in connection with Money Appeal No.11 of 1957. According to the terms of the decree the payment is to be made immediately. The decree was passed in the month of April 1960 when there was no time to make provision for this amount in the current year's budget and so the amount had to be made available by an advance from the contingency fund on 16th November 1960 to be regularised by a Supplementary appropriation. Hence the supplementary appropriation.

II. In Revenue Appeal Nos. RA 13 (M) 1960 and RA. 14(M)/60 before the High Court of Judicature, Assam, the amount was decreed against the State, and hence inspite of no provision in the budget, the amount had to be paid in due time, by taking advance from the Contingency Fund, to be regularised by supplementary appropriation. Hence the supplementary appropriation.
