QUESTIONS AND ANSWERS

(To which oral replies were given)

Re : Representation in Central Secretariat

Shri Dulal Chandra Barua asked :

*78. Will the Chief Minister be pleased to state—

(a) Whether it is a fact that the people of Assam have no representation in the Central Secretariat in almost all the cadres ?

(b) If so, what steps have been taken by the Government with the Government of India to make such provision in different cadres in the Central Secretariat ?

(c) If not, the reasons there of ?

(d) Whether Government is aware that such negligence is detrimental to the interest of Assam ?

Shri Mahendra Mohan Choudhury (Chief Minister) replied :

78. (a)—There is no quota for different States for representation in different cadres of Central Secretariat.

(b), (c) & (d)—In view of (a) above does not arise.

Shri Dulal Chandra Barua : As the other State Governments are representing their people in the Central Secretariat from their State Secretariat for getting the benefit in all the Central Services, for instance, at the planning and other things, do not our Government consider it proper to take up this matter with the Govt. of India for representation of our people in the Central Secretariat ?

Shri Mahendra Mohan Choudhury : In some cadres, there

are some representations from Assam cadre. For example, in the cadre of IAS, from Assam cadre, there are some Deputy Secretaries, Joint Secretaries and Under Secretaries in some other departments like Law and Education departments, there also some representations are there. Therefore, the point is that in the matter of direct recruitment to the lower cadres, our people are generally not interested and so they do not try to get entry into the Central Secretariat in the lower cadre. That is the difficulty.

Shri Gaurisankar Bhattacharyya : Is it not that our people are not interested in entering into the Central Secretariat not for any other reason but because of the difficulties and impediments on their way of being represented there; that they have not been getting any scope. In the Secretariat, as the Chief Minister has said, there are different grades or different sets of personnel. So, far as the IAS personnel are concerned, some from the Assam cadre now doubt go there; but most of them who go or almost all of them who are, though belonging formerly to Assam Cadre hailing from outside the State of Assam. But so far as the lower level service is concerned, Assam is totally unrepresented and if the Government does not represent it strongly that there should be some arrangements for bringing people from those areas also which are almost completely unrepresented there, in the usual course, the youngmen of Assam will not get any service in the Central Secretariat. Secondly, the Chief Minister has said that we have got some people in the law and educa-

tion Department but their number is almost insignificant. For example, in the Law department, there are one or two and they are only Translators who are in the lower rang, and the Education department, probably, except Shri P. Barma, there is done worth the name. Inview of this, the Government of Assam should make out a strong case to the Govt, of India in the matter of representation from the people of Assam in the Central secretariat so that there should be adequate and proper representation of Assam in the Ceneral Secratariat as Assam uptill now is not getting and representation.

Shri Mahendra Mohan Choudhury : In some departments, of course, we can push some of our men when opportunity arises. But in the matter of direcruitment there is no State-wise reserved quota. Generally these people are recruited in the lower cadre by competition. There is competitive examination and from the result of this compotitive examination, the incumbants are selected.

Shri Gaurisanker Bhattacheryya : These competitlve examinations are held in Delhi ?

Shri Mohendra Mohan Choudhury : Yes. I had a talk this time with the Controler of Examinations of the U. P. S. C. He made this complaint to me your people do not come for the Central Secretariat appointments. From the list. He has scrutinised, he found that Assm and Jommu & Kashmir are almost not represented there. He has advised that we should make them interested in giving Central Secretariat examination, and he said, if necessary, they

would introduce some posts for pushing people from Assam so that they can get chance here, and that would be one of our terms of reference in the proposed Education Commission. Then, Sir, regarding the deputation of IAS cadre people to the Central Secretariat, it must be admitted that if we try to send our qualified people, there must be some length of service in their record to be eligible to go to the Centre, and these people who are eligible in point of qualification and length of service, generally, they are reluctant to go there. This is the difficulty. But we are taking up this matter and we shall try to persuade some of our people to go there and represent the Govt. of Assam in the Central Secretariat so that we can take advantage from them regarding matters which have been said by Shri Barua.

Shri Gaurisanker Bhattacharyya : Apart from that, is the Govt. contemplating to represent to the appropriate authorities, that there should be Examination Centres in Assam, because Delhi is far off and our boys and girls do not get any scope not because they are not competent but they cannot afford to go there and they do not get any information whatsoever about this.

Shri Mohendra Mohen Choudhury : That can be tried.

Shri Dulal Chandra Barua : Apart from the direct recruitment, in some other States, like Tamilnadu, Maharashtra, Punjab and others, they are taking their people from their State Secretariat to the Central Secretariat. Therefore, do our Government not consider it proper to depute

our people from all cadres ranging from I. D. Assistant upto the rank of IAS officers from our State Secretariat to the Central Secretariat.

Shri Mohendra Mohan Choudhury : We have not got any information about this but I shall look into this.

Shri Dulal Chandra Barua : Sir, those who have been sent from our State Secretariat to the Central Secretariat, the feeling is that those who were not wanted here, they were sent to the Central Secretariat. Their feeling is such. 6/7 Mizo officers were sent to the Central Secretariat and they thought that because they were not wanted in the Assam Administration, that was why they were deputed. But we want such kind of representation there which can render benefit to us to some extent and so will the government keep this point in view at the time of sending officers to the Central Secretariat?

Shri Mohendra Mohan Choudhury : We shall keep it in mind while making consideration in the matter.

Re : **Unutilised materials for closing the Desangmukh breach in Sibsagar**

Shri Promode Chandra Gogoi asked :

*79. Will the Minister-in-charge of P. W. D. (F. C. & I.) be pleased to state—

(a) Whether it is a fact that the unutilized materials for closing the Desangmukh breach in Sibsagar were not found on the spot at the time of inspection by the Chairman of the Brahmaputra Flood Control during 1970-71?

(b) If so, who ordered the removal of those materials from the spot?

Shri Syed Ahmed Ali [Minister, Public Works (Flood Control & Irrigation) Department] replied :

79, (a)—Chairman went for general inspection and not for checking of unutilized materials and hence his not finding the same does not arise.

(b)—Does not arise.

Shri Promode Chandra Gogoi : The reply to question (a) is evasive. May I know from the Hon'ble Minister how many timber posts were purchased by the Commission for the breach closure work at Desangmukh?

Shri Syed Ahmed Ali : In all there were 380 metres of Nahar piles for this breach closure work.

Shri Promode Chandra Gogoi : How many of them were utilised in that work?

Shri Syed Ahmed Ali : None of these Nahar piles were utilised now of these unutilised as these were scattered in the area. Subsequently they were kept in charge of the Sectional Officer. Some of the pallsiding bamboo stacks were utilised but these were taken by some Miri people by threatening the Khalasis who were on duty.

Shri Promod Chandra Gogoi : My question was how many timber posts were utilised for the breach closure work?

Shri Syed Ahmed Ali : I have already said that piles were not utilised for the breach closure work.

Shri Promode Chandra Gogoi : Secondly, Sir, the information given by the Minister is not correct. Actually, these unutilised materials were not taken away by the Miri people of the locality. These were taken away by the then Executive Engineer, E&D, and were used by that officer for his personal or family purpose.

Shri Syed Ahmed Ali : No, Sir, the unutilized materials were 380 metres of Nahar piles. These were subsequently removed from the area and kept in charge of the Sectional Officer, Mechanical, vide : Order No. 1924-45 dated 2.12.70. The utilised materials were bamboo sticks for pallisading, but these were removed by some Miri people by threatening the khulasis, as I have already said.

Shri Promode Chandra Gogoi : What about the unutilised materials ?

Shri Syed Ahmed Ali : These are in charge of the S.O.

Shri Promod Chan Gogoi : Whether these materials are available and if not whether these were sold in public auction ?

Shri Syed Ahmed Ali : We have no information that these are not available. We may enquire about it.

Shri Sailen Medhi : The hon. member has alleged that unutilised materials had been used up by the then Executive Engineer for his own personal purpose. Whether the Hon'ble Minister can say whether this is a fact ?

Shri Syed Ahmed Ali : As I have already said, these Nahar piles were received on transfer from the Sectional

Officer, Mechanical, and so the question of utilising them at that time by some other officer does not arise.

Shri Promode Chandra Gogoi : These unutilised Nabar piles were handed over to the S.O. belonging to the Mechanical Division by the Brahmaputra Commission. I want to know whether these unutilised materials are available and if they are not available, whether these were sold in public auction. The Hon'ble Minister has said that this information is not available at present. If this is the position will the Hon'ble Minister enquire into the matter in detail whether these materials are available or not ?

Shri Syed Ahmed Ali : From the records I find that these materials are in charge of the S.O. But I shall enquire into the allegation made by the hon. member.

Re : Relief to the Drought-affected People

Shri Dulal Chandra Barua asked :

*80 Will the Minister-in-charge of Revenue be pleased to state—

(a) Whether it is a fact that a sum of Rs. 50 lakhs has been sanctioned by the Government of India for the relief of the drought-affected people in the State ?

(b) If so, whether the said amount has been properly utilised for the purpose for which it has been sanctioned ?

(c) Whether the Government have proposed to take up permanent scheme to meet such emergency in future ?

(d) If so, what is the financial implication for such a scheme ?

(e) Whether the Government will move the Government of India for financial assistance to meet such natural calamities ?

Shri Biswadev Sarma (Minister Revenue) replied :

Total—10,29,428/-. These are the figures I have with me. Shri Prabhat Narayan Choudhury : Sir, for relief of the drought affected areas irrigation is most essential. Do the Govt. know that the Government of India has a provision of Rs. 1400 crores of rupees for tapping up of underground water resources for which the Govt of India wanted the States to form ground water Boards. If so, why the Govt. of Assam inspite of reminders from the Govt. of India, Ministry of Agriculture in their letter No. 18-30/70 TW dated 21st August reminded the state Govt. so that technical schemes can be prepared. In absence no such technical schemes have been submitted to Govt of India, and case of Assam went by default.

Shri Biswadev Sharma : Sir, the Hon'ble Member is not correct. Under the direction of the Department of Geology and Mining we already have constituted an underground water cell and the Govt. of India has provided us with money and rigs. Therefore, this information of the Hon'ble Member is not correct.

Shri Prabhat Narayan Choudhury : Will the Govt. take early steps to constitute a Board so that the technical schemes can be submitted to the Government of India and Assam also can come into the picture and money can be available to the land mortgaged bank, as almost all the states have been covered by that scheme except Assam ? Will the Govt. enquire into the matter and take early steps ?

Shri Biswadev Sharma : Sir, I have no information with regard to the Agriculture Department's schemes but so far as my department is concerned, i. e., Geology and Mining, we have already constituted an underground cell and the Govt. of India provided us money and rigs for this and we are making surveys.

Shri M. A. Musawwir Choudhury : Sir, certain areas of Nowgong district have been very badly affected by drought a continuous and even after continuous pressure by the local M. L. As the Deputy Commissioner did not declare these areas as drought affected areas and now famine condition is prevailing in those areas. Will the Hon'ble Minister be pleased to send some relief in the shape of Test Relief and Gratuitous Relief to those areas ? If necessary

I can place the names of those areas, these are Rupohi, Laokhowa Dhing, Morigaon and Jorabari.

Shri Biswadev Shaama : Sir, I have already said the other day in the House that as and when the Deputy Commissioners send schemes to us we will give necessary relief to those areas.

Shri Giasuddin Ahmed : Sir, we have been told that Rs. 50 lakhs have been sanctioned. May I know which are those drought affected areas ?

Shri Biswadev Sarma : Sir, I have already mentioned the list.

Shrimati Lily Sen Gupta : মাননীয় মন্ত্রী মহোদয়ে কৈছে যে ক্ষতিগ্রস্ত বিধবা সকলৰ কাৰণে ২৫ হাজাৰ টকাৰ আচনি ধাৰ্য্য কৰা হৈছে। এই মহিলা সকলক বিশেষকৈ তাত শিল্পৰ কাৰণে বিশেষ ব্যৱস্থা আৰু বেচি টকা ধাৰ্য্য কৰিবনে ?

Shri Biswadev Sarma : Yarn in kind to widows indigent women for Barpeta 27,000/-, Nalbari—27,000/-, Gauhati—19,000 Mangaldai 27,000/- totalling Rs. 1,00,00/- have been given.

এইখিনি পইচা কম হোৱা নাই।

Shrimati Lily Sen Gupta : কি scheme ৰ ওপৰত ধাৰ্য্য কৰা হৈছে ?

Shri Biswadev Sarma : তেওঁলোকক কাপোৰ বৰলৈ দিয়া হৈছে।

Shri Dulal Chandra Barua : May I know from the Minister in Charge of Revenue whether it is a fact that the amount which has been sanctioned by the Govt. of India is on loan. Though the Minister has given us a statement that

this amount has been spent in different heads. What are these heads on which these amounts are going to be spent?

Shri Biswadev Sarma : I have already given the break up in what heads the money is going to be spent.

Shri Dulal Chandra Barua : My question is that these amounts have not been spent in water supply, irrigation. If so, when and how the Govt. is going to spend the money now ?

Shri Biswadev Sarma : I have already said that in the remaining period the balance amount will be spent as and when we received schemes from different departments.

Shri Prabhat Narayan Choudhury : Sir, the entire sub-division of Nalbari was affected by drought as known to the Govt. but in sinking shallow tubewell points 4 blocks Pub Nalbari Borigog Barbhogi Tamulpur had been excluded and Pacchim Nalbari also has not been adequately covered. May I know the reason why four Blocks were excluded from sinking shallow tubewell points for irrigation purposes ?

Shri Biswadev Sharma (Minister, Revenue, etc.) Sir, I shall have to find about it. তেওঁলোকক কাপোৰ ববলৈ দিয়া হৈছে।

Shri Sarat Chandra Rabha : মন্ত্ৰী মহোদয়ে যে কৈছে বিলাসীপাৰাৰ পৰা খবৰ পোৱা বুলি দুৰ্ভিক্ষৰ সম্পৰ্কে। যোৱা ৬ তাৰিখে কোকৰাজাৰ পৰা এই অঞ্চলটোক দুৰ্ভিক্ষ পীড়িত অঞ্চল বুলি ঘোষণা কৰিবলৈ প্ৰতিনিধি দল আহিছিল সেই সম্পৰ্কে চৰকাৰে কি ব্যৱস্থা কৰিছে জানিব পাৰোনে?

Shri Biswadev Sarma : এই বিষয়ে খবৰ পোৱা নাই। মাননীয় সদস্যই যদি কৈছে খবৰ লম।

Shri Dulal Chandra Barua : ইমান দিনে সদস্য গৰাকীয়ে বিধবাৰ কথা কেহে কৈছিল সিটো দলৈ যোৱাৰ পাচত বিধবা নাইকীয়া হল নেকি ?

Shri Biswadev Sarma : এতিয়াহে খবৰ পালো ইয়াৰ ব্যৱস্থা লম।

Re: Promotion of Executive Engineer of Flood Control and Irrigation Department

Shri Promode Chandra Gogoi asked :

*81. Will the Minister-in-charge of Public Works Department (Flood Control Irrigation) be pleased to state—

(a) Whether it is a fact that some Executive Engineers of the Flood Control Department were promoted to the rank of S. Es during the current year ?

(b) Whether it is also a fact that the C. R. and other records of the present Director of River Research, Burnihat are missing from the office or were not available at the time of his promotion ?

(c) Whether it is a fact that the Government disregarded all adverse official records against this particular officer at the time of his promotion?

Shri Syed Ahmed Ali (Minister, Flood Control and Irrigation) replied :

81. (a)—Yes, provisionally.

(b)—No, the C. Rs and other records were available except one file which was misplaced but the facts of the case were made available.

(c)—Selection was made after due perusal of the C. Rs and other records, even then the appointment was made under regulation 4 (d) of the A.P.S.C. (Limitation of Functions). Regulations and approval of A. P. S. C. is still awaited for regularisation of the appointment.

Shri Promode Chandra Gogoi : Sir, may I know from the Minister whether it is a fact that this particular officer when he was the Executive Engineer, in the Cachar Division was placed under suspension by the then Minister Shri Moinul Haque Chaudhury on charges of corruption and moral turpitude.

Shri Syed Ahmad Ali, (Minister, F. C. & I.) : This concerns his personal life. There was case against him, proceedings were drawn up and he was put under suspension. The case went to High Court and to the Supreme Court, and he was acquitted by the Hon'ble Supreme Court.

Shri Promode Chandra Gogoi : Whether it is also a fact as

a result of the proceedings increment of this particular officer was stopped from the time of suspension ?

Shri Syed Ahmed Ali : It is is not a fact.

Shri Dulal Chandra Barua : Sir, at the time promoting such officer generally character roll and previous antedents are considered. Is Government aware of that fact that not only in this case, this particular officer was involved in other cases on Cachar and he was punished with severe warning? If it is so, under what circumstances and in what consideration this officer, who was heavily punished, was promoted from the post of Executive Engineer to the post of Superintending Engineer ?

Shri Syed Ahmed Ali : Sir, there were two departmental cases against this office. One was, while he was S.D.O., Nowgong in 1958-59. That case was enquired into and after enquiry he was absolved of the charges. Another case was regarding the Ganigram Dyke and necessary departmental enquiry was made. The Enquiring Officer recommended censure and he was censured.

Shri Promode Chandra Gogoi : Whether it is also a fact the then Chief Engineer, P.W.D. passed a order that this officer should not be placed in any working division.

Shri Syed Ahmed Ali : After the enquiry of the case in Cachar in 1964 he was not subsequently placed in any Division. He was put in the Gauhati Office.

Shri Promode Chandra Gogoi : Sir, in reply to (b) the

Minister has admitted that one particular file was not available at the time of his promotion. May I know from the Minister whether that particular file containing very serious records about the Executive Engineer was missing from the Office of the Chief Engineer at that time ?

Shri Syed Ahmed Ali : I have replied that the file has been misplaced. The facts of the case and other records of the case.....

Shri Promode Chandra Gogoi : The file was mis placed. Whether that particular file is available now ?

Shri Syed Ahmed Ali : We are in search of that file.

Shri Gaurisankar Bhattacharyya : It is one thing to say the file is mis placed or not found. Another thing is to say that the facts have been ascertained. The questioner has said that in that file there were reports and remarks about the character of the particular officer, who was on several occasion, charged of moral turpitude. Even if the facts are ascertained so far as the remarks and reports of the enquiries are concerned, they may not be available. This file may be missing or stolen. So without getting the file, wherein there are so many things, why he has been promoted ?

Shri Syed Ahmed Ali : The particular files refers to all-egations against three officers including him. One Shri J. Ahmed (this officers), Shri S. L. Mukherjee, Executive Engineer and Shri H.N. Deka, S.D.O. , Barpeta.

Shri Dulal Chandra Barua : The Minister himself stated

that this officer, about when the question has been put, while he was S.D.O., Nowgong there was a case against him for misappropriation and while he was posted as Executive Engineer at Cachar he committed something rather more. Whether the Minister is aware of the fact that while he was posted at Shillong, he also did the same thing. So without going into the facts and merit of the case how this officer has been promoted?

Shri Syed Ahmed Ali : I have already replied that there are two cases against him. One case regarding Nowgong affairs of which he was absolved. Regarding the other case in Cachar he was recommended censure and he was censured. All these facts were considered at the time of selection and the selection was made in the Month of August, 1970 and for the information of the hon'ble members I would like to say that I was not the Minister with this portfolio.

Shri Dulal Chandra Barua : Whether he was the Minister or not that is not our concern. The office of Minister is a continuous process. Now our question is that generally promotion is given to a particular officer by considering the merit cum seniority and at the time of giving promotion, his character roll and other past records are verified. I want to know under what circumstances or in what consideration Government has shown such undue favour to this corrupt officer?

Shri Syed Ahmed Ali : I have already said that all these

facts and findings were considered during selection for his promotion and all the character rolls are here and these character rolls were considered.

Shri Promode Chandra Gogoi: Sir, the question is very serious. One particular file was missing and it was not available. Though the Minister does not know, I know that this particular file was destroyed and the officer who destroyed the file was paid Rs. 50,000/- (noises from the opposition). So, in view of this may, I request the Chief Minister to enquire into the matter and review this case afresh ?

Shri Syed Ahmed Ali: Sir, this file was last endorsed in the year 1966 to the Under Secretary, Establishment.....

Shri Dulal Chandra Barua: We do not want these things. We simply want to know whether the file is destroyed or not ?

Shri Syed Ahmed Ali: Sir, this was last endorsed to the Under Secretary.....

Shri Dulal Chandra Barua: No, no we do not want this kind of reply.

Shri Syed Ahmed Ali: We have got no such information. I am giving the facts how this file was endorsed to.....

Shri Dulal Chandra Barua: If the file is not destroyed then whether the Minister will be pleased the file before the House.

Shri Syed Ahmed Ali: That file is not traceable Sir.

Shri Dulal Chandra Barua: If the file was not destroyed whether the Minister will be pleased to place before the House. We want that answer.

Shri Syed Ahmed Ali: I have already said that the file untraceable. Our office was once shifted from Shillong to Burnihat and again from Burnihat to Gauhati and during this shifting the file was misplaced and the file is yet untraceable.

Shri Dulal Chandra Barua: Sir, a Point of order. We wanted to that from the hon. Minister incharge of flood control and irrigation about the concerning files. So far our knowledge goes the file was destroyed and now the Minister wants to give some other information in which we are not interested, We want a categorical reply whether the file was destroyed. This is not the convention of the House. The convention of the House is to give a reply either in negative or in affirmative.

Shri Mahendra Mohan Choudhury: (Chief Minister): Sir, the reply given by the Minister concerned is that the file has been misplaced which could not be traced out and allegation is that the file has been destroyed. These are the two contradictory points put side by side, The matter will be enquired into.

There is no provision in the Government circulars for granting such dearness allowance to the Non-Government employees and as such necessary sanction from the Government dose not arise.

(b)—The matter is under consideration of the Government.

(e)—No, if they are entitled to any such additional dearness allowance under the rules.

Re : Seniority of Inspectors of Statistics

Shri Lakshyadhar Choudhury asked :

*92. Will the Chief Minister be pleased to state—

(a) Whether it is a fact that the seniority of the Inspectors of Statistics was prepared according to A. P. S. C's nomination list and was published in 1963 ?

(b) Whether it is a fact that this seniority list was ignored at the time of giving promotion in the year 1969 ?

(c) If so, why ?

(d) What was the principle followed for fixation of seniority in the revised list of 1969 ?

Shri Mahendra Mohan Choudhury : (Chief Minister) :
replied :

92. (a)—In 1963, tentative lists showing inter se seniority of the officers of different categories in the Directorate of Statistics (including Inspectors of Statistics) were prepared and circulated inviting objections, if any, from the officers concerned. After receiving objections it was decided that the final lists would be prepared category-wise starting with the seniority list of Research Officers. By the time the list for Inspectors of Statistics could be prepared after disposing of the objections, it was 1969. In the meanwhile, a number of Inspectors had been promoted and there had been considerable addition to the cadre also. It was therefore, decided to circulate afresh a tentative seniority list inviting objection, if any in fairness to all the officers then in service. After considering the representations filed in

response thereto the seniority list was finalised on 16th September 1969.

(b)—There was no promotions in the year 1969. However there were promotions upto 1967 and the tentative seniority list circulated in 1963 was taken into consideration by the Assam Public Service Commission in giving their recommendation.

(c)—Does not arise.

(d)—The principles laid down by Government in the Appointment Department for fixation of inter se seniority from time to time had been followed while fixing the inter se seniority of Inspectors of Statistics on 16th September 1969. Extract of Appointment Department circular letter No. AA A. 2/44/39, dated 21st February 1945, AAP. 27/50, dated 31st March 1960, ABP. 50/61/204, dated 2nd June 1961 and No. ABP.51/63/1, dated 5th February 1964 are placed on the table of the House.

Re: Famine Condition at Mankachar

Shri Zahirul Islam: Under Rule 301 of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly I want to bring to the notice of this August House, the acute famine condition prevailing in Dhubri Subdivision causing death and misery to the entire population for which many persons including one of the hon Member of House Shri Giasuddin Ahmed had to an ergo 24 hours hunger strike on the 25th of this month.

Due to the total failure of crops (Aman in 1970 and Ahu in 1971) and also due to fall of the price of jute and also due to large scale influx of evacuees the economic condition of the people of Dhubri Subdivision has gone down to such an extent that not to speak of getting essential commodities at cheaper price the people are not in a position to buy even the most essential things of their day to day life as a result of which severe famine condition is prevailing and many people have died of starvation.

The District and subdivisional authorities have failed to cope with the situation. Government on the other hand inspite of repeated demand from the people is keep-

ing silent in this respect. Unless immediate relief measures are undertaken more people may die and a chaotic condition will prevail throughout the region. It is a very urgent matter which needs immediate attention of the Government and solution by the Govt.

Shri Biswadev Sarma (Minister, Revenue) : Sir, this will take a little time. In May and the early part of June, 1971, it was reported that parts of Nalbari and parts of Mangaldai had not received sufficient rainfall and that had affected Aus crop on the field and the raising of sali seedlings. While information thus available at that time related to portion of North Lakhimpur Subdivision, portion of Mangaldai and Barpeta Subdivisions, Amteka and Gosgaigaon areas of Kokrajhar, Sijangram and Balijan circles of Goalpara Subdivision and isolated pockets of Nowgong District, a W. T. message was to the D. C., Dhubri amongst others, asking if there were any other such areas and also to signal daily rainfall figures in such draught affected areas.

On the 29th June 1971 a meeting was held in the room of the Commissioner for Agricultural Production regarding the growing of Sali seedlings and the Revenue Department agreed to make available a sum of Rs. 3 lakhs towards subsidizing the operation cost. The Seed Corporation was also authorised to raise Rs. 50 thousand worth of seedlings in the first instance and, if the draught continued beyond the month of July, to raise another Rs. 50 thousand worth of seedlings. A long W.T.

message was issued to the Subdivisional Officers, Kokrajhar and Goalpara, amongst others, and information was awaited from the D.C., Dhubri, in reply to our earlier message. Later on it was reported from North Lakhimpur, Kokrajhar and Goalpara that rainfall had taken place and our attention was given to Borpeta, Nalbari, North Gauhati and Mangaldai Subdivisions in relation to relief works for draught affected areas.

In July 1971 there was a Cabinet meeting in which it was decided to install tubewells. Towards the end of July and the beginning of August, 1971, the Chief Minister toured Goalpara and Dhubri Subdivisions and he telephoned me from Dhubri stating that some power-pumps were available in Goalpara and these would be immediately taken out and diverted to the draught affected areas and this was also done. For the first time, towards the end of July, 1971 information was received that Kukurmara and Karuabanda areas of Mankachar were hit by draught and were passing their days in difficulty. We immediately asked the D.C. and the Chief Engineer, Brahmaputra Flood Control, stating that works undertaken in the draught affected areas involving unskilled labour should use only the local labour to relieve the distress of such affected persons and further that if exception was to be made the prior permission of the Chief Minister should be obtained.

In reply to our W. T. message, the D. C., Dhubri reported that no draught was prevailing in area of Mankachar and Aus affected by incessant rain and heavy pest

and that anti-pest measures were taken up by the Agriculture Department by spending Rs. 2,200/. No information of draught in any other areas of the Subdivision was supplied even at the that time (6th August, 1971). On 16th August, 1971 the D.C., Dhubri wrote a letter enclosing a copy of the letter from the District Agricultural Officer saying that rainfall had not been favourable and informing Government that if the situation developed further and warranted further report, this will be submitted to Government. Another report was also received from the D.C., Dhubri that there was no draught condition prevailing in Mankachar area where there was an incessant rain and that the condition on rainfall recently had not been favourable which might affect Sali crop adversely. This letter was issued on 14th August, 1971 and did not mention that Aus was affected. The D. C., Dhubri had not replied to our earlier W.T. message asking for rainfall figures and the names of the draught affected areas. Another W. T. message was sent to the D. C., Dhubri asking him to furnish the names of the Anchalik Panchayats, the total areas in square miles, comparative rainfall figures of 1970-71 and 71-72 of the areas affected by draught. No reply was received for this W. T. message.

In the beginning of September, 1971 Shri Kabir Ch. Roy Prodhani, M.L.A. had submitted a letter addressed to you mentioning that there was acute food crisis in the western part of Goalpara District, i.e., Dhubri, Gauripur, and Golakganj and Agamani areas. A. W. T. message was

sent to the D. C. to submit detailed report and in the meantime to increase the number of Fair Price Shops in these areas and arrange to supply atta regularly. The D. C. for the first time wrote a letter on 16th September, 1971 to the Chief Secretary stating that during his tour in the interior areas pointed attention had been drawn to the deteriorating economic condition of the people and feared that some political parties might try to magnify the situation. He had felt that test relief work could not be the solution and had wanted that works be undertaken by P.W.D., Agriculture Department and other Departments. Though a copy of this letter was endorsed to the Revenue Department, we had not received it and came to know of it from another letter. However, on the 20th September, 1971 we received a long W. T. message from the D.C., Dhubri. He had specifically mentioned that Sali transplantation was not largely affected but continuous dry spell for last fortnight caused apprehension. This indicated that while there was fear about Sali crop, there was no specific mention about Aus failure in any of the areas. The D. C. has also sent a letter forwarding a memorandum submitted by the M.L.A. of Golakganj, Shri Kabir Chandra Roy Pradhan, Shri Sahar Ali Ahmed, Shri Giasuddin Ahmed stating their demands which are-

- (1) Supply of all commodities through Cheap Grain Shops at reasonable rate,
- (2) Declaring these areas as famine areas,
- (3) Making provision for test relief work.

The Chief Minister had also visited Dhubri, on 21st September, 1971 and at that time also the D. C. had indicated that he was taking steps to augment supply of food-grains but had not specifically reported that certain areas were suffering as a result of draught and were in need of specific relief measures.

It may be mentioned here that large scale construction of refugee camps has taken place in the whole of Goalpara District, involving an investment of an order of Rs. 1 crore. In Dhubri Subdivision alone, a sum of Rs.15.95 lakhs has been spent on the construction of refugee camps. These camps have been constructed with locally available materials and if there was distress there was no reason why these distress affected people should not or could not have found employment in the construction of these camps.

Further, as per Forecast Report the total area of Aus cultivation in Goalpara District this year is 1,35,000 hectares against the figure of 1,31,000 hectares last year. This figure was reported by the District Forecast Committee of which the D. C. himself is the Chairman. It is true, however, that the production per hectare has fallen from 96,674 tonnes to 71,866 tonnes. This means a shortfall of 25 p. c. in the total production which cannot be said to have caused such acute economic distress as sought to be made out. However, we may sanction such test relief schemes as found fruitful and also ensure that food-grains which are available in the State are equitably distributed so that there is no shortage of food-stuff.

Shri Giasuddin Ahmed : Sir, one point for clarification. The problem of Dhubri has been misunderstood. The problem of draught has been mentioned many times by the Minister but one thing he has missed completely, and that is due to certain disease more than 90% of the Ahu has been completely damaged, and due to the fall in the price of jute, the main cash crop of the District, the whole economy of the Subdivision has been shattered. That thing had not been mentioned in the statement of the Minister. He simply mentioned about the draught but the failure of Ahu has completely missed the attention of the Government and the local officers, and as a result famine condition is prevailing there. Already 6 or 7 people have died of starvation although Government may not admit it. Therefore the Government should make a thorough probe into the matter and take suitable steps.

Shri Biswadev Sarma : We shall take suitable measures.

Complaint of Breach of Privilege against a Minister of state

Mr. Speaker : The day before yesterday, I have received a notice for privilege motion from Shri Dulal Chandra Barua at 10-32 A. M. Therefore it could not be taken up. According to the rule a member wishing to make a complaint of a breach of privilege shall have to give notice in writing before the commencement of the House. He has placed the complaint when the House was in session, So I could not study the case. In his complaint Shri Barua stated that Shri Jagannath Singh, Minister of State in charge of Industries has committed breach of the House and the matter may be allowed to raise a question of privilege. In support of his complaint he has not submitted relevant documents, but later on he has submitted them. According to rule, all relevant documents should be submitted along with the complaint. The subject matter is the core of the motion. If the honourable Minister against whom the complaint was brought does not know the subject matter, how can he defend himself? As a matter of fact, Shri Jagannath Singh has received the complaint only today. He does not know what is the complaint against him. In view of this, I do not think the motion is adequate. Now, the honourable member has submitted it and I received it at my Chamber to day at 11 A. M., otherwise this motion would not have been in order. Now, it is in order. According to the rule, when the complaint is to be made against a member, copy of the notice should be given to me.

(Voice - I have given)

No. Copy of the documents has submitted today. So it is deferred to today.

Shri Jagannath Singh, (Minister of State, Industries) : Mr. Speaker, Sir, I have received the notice just now, but documents have not yet been supplied. Simply he has mentioned that a news item appeared before the Azad. I do not know what appeared in the newspaper.

Mr. Speaker : Now, I will ask the hon. Member to speak in brief about admissibility of the question of privilege

*Shri Dulal Chandra Barua : Mr. Speaker, Sir, under Rules 58 and 59, I have given notice for a privilege motion against Shri Jagannath Singh, Minister of State in charge of Industries for committing a gross breach of privilege of the House by obstructing the functioning of the House in general. Sir, in this connection, I would like to raise a matter, under rule 301, of urgent public importance which is related to the behaviour of a Minister towards a nurse in certain hospital at Silchar. The honourable Chief Minister has also admitted that he had also received such kind of complaint against the Minister. He assured the House that he would make enquiry into the matter and action taken in this respect would be apprised to the House. He further assured as that if anybody was found guilty, adequate punishment would be inflicted on him. But unfortunately, that matter is still pending in the House. Sir, after that discussion and when the entire

matter was before the House for disposal, Shri Jagannath Singh, Minister of State in charge of Industries by ignoring the convention of the House, and by disrespecting the House has issued a statement in a weekly of Azad which was published on 27th October 1971, under the caption of ভিত্তিহীন অভিযোগের প্রতিবাদ ? While I brought this matter to the notice of the Chief Minister I did not mention anybody's name. Simply I stated that one Minister of the Cabinet misbehaved a nurse under alcoholic influence. Because he went out at 10-30 or 11 P. M. to the hospital in a drunken mood and behaved unmannerly way. As I have said, we have not mentioned the name of anybody, but what my friend has done ? Out of over zealotness he has given statement in a Bengali Weekly named Azad. It is a long statement, I need not go through it. But simply I want to draw your attention how he has committed the breach of privilege. Sir, under rule 159, a member wishing to make a complaint of a breach of privilege shall give notice. I have given notice. Under rule, 160, the matter requires the intervention of the House. As the matter is still pending in the House, there is no question and authority outside of the House who can deny the right of the house. When the matter is under investigation and when the Chief Minister has given enough assurance and when Mr, Upadhyaya raised a point of order at that time also the Chief Minister reaffirmed it, there should not be any topic outside the House about the same thing. If it is so, under what circumstance, the honourable Minister can go up to that extent for giving publication denying the allegation.

It is the responsibility of the Chief Minister to give to the House and not through public way. Sir, in this connection, I would like to mention here Mr. Kaul's Practice and Procedure, at page 201 - "refusal to produce documents in his possession". Now, the matter seems to be very simple. This gentleman has refused to give his evidence to the Chief Minister and as the Chief Minister did not inform us about the allegation or the truth, which is tantamount to refusal of his document. He refused to give the evidence to the House, but he went outside and gave his statement ignoring the House. Then again he has given false evidence, because we cannot accept any evidence which does not come before the House. He will fully want to suppress the matter. On the other hand he has given evidence outside by denying his allegation. Now, again I am quoting from the same book at page 202 - "disclosing of proceedings or decisions of secret sitting of the House in any manner". Sir, this is a secret session and the matter is still secret to the outside people. The honourable Minister instead of revealing the fact, he pleaded his innocence. He ought to have given all the documents to the Chief Minister and the Chief Minister would have given to the members of the House the whole affair. Therefore, he has committed a breach of privilege by divulging the secrecy of the House. Then, another aspect is that there is disobedience to the order of order of the Committee. "Disobedience to the orders of a Committee of the House is treated as a contempt of the House itself, provided the

order disobeyed is within the scope of the Committee's authority." Here, this is the scope of the authority of the House. He dishonoured the House by giving a statement in the Press by denying the evidence and instead of giving substantial evidence to the Chief Minister, when the House is still to decide the particular matter whether there is allegation or not.

Now, as I have said just now, there is disobedience "by refusing to permit books or papers to be inspected when required by orders of Committee" Now, the Chief Minister has to investigate the matter and examine all the documents, and if necessary, he may carry on some verification also...But we do not know whether the Chief Minister is going to do such thing. He is silent. But the question is that it is a fact that on the 27th October, no such evidence was given, otherwise this sort of things would not have been disclosed, and consequently we would not have discasion to bring such kind of notion before the House.

At page 303, we find- "endeavouring to persuade or induce a person to procure from another person a letter which such person had been required to produce before a Committee," Now, we are to expect from a young, energetic, most well well-educated person and he has visited many countries. He knows very much the practice and procedure of Parliament. He is aware that the matter is pending before the House. So, he ought to have known the rules and procedures. Because, his action is tentmount to breach

of privilege. So, we have every reason to small bad small. He might have influenced the editor of the paper who must be aware of the fact that this matter was pending in the House. But at page 205 (Kaul's Practice and Procedure of Parliament) it is said - "it is considered inconsistent with the dignity of the House to take any serious notice or action in the case of every defamatory statement which may technically constitute a breach of privilege or contempt of the House". And at page-207 of the same Book, it has been clearly mentioned - "reflections on the character and impartiality of the Speaker in the discharge of his duty (a) Reflections on members in the execution of their duties (b) Reflections on members serving on a Committee of the House (c) Reflections on the conduct of the Chairman of a Committee of the House (d)" By action, Shri Jagannath Singh, Minister of State for Industries, he was dishonoured you because under your authority we are functioning and under your direction the matter was pending before the House. No investigation, I think, was made and no statement has been made so far by the Chief Minister on this very particular fact. It tantamounts to a breach of privilege for dishonouring the authority of the Chair as well as of the House and also it is a reflection on the members in execution of their duties. Sir, this statement which has been made by him obstructed the smooth functioning of the members of this legislature. It also affect on the members serving on the committee of the House; in the same way, this statement which has

been made by the Minister of State, Industries, has obstructed all the Hon'ble members of the House including you in discharging thier duties sincerely and honestly in a parliamentary democracy. Again in the same Book, it has been mentioned-" the publication of false or distorted, partial or injurious reports of debates or proceedings of the house or its Committees or wilful misrepresentation or suppression of speeches of prticular members, is an offence of the same character as the publication of libels upon the House, its Committees or members ; and the persons who are responsible for such publication are liable to be punished for a breach of privilege or contempt of the House". By publishing that thing, he has distorted the wishes and the Speaker of this House and this also tantmounts to a breach of privilege. Now at page - 208 of the same book, it is mentioned - "Thus, the breach of privilege or contempt of the House in this connection would be : (i) wilful misrepresentation of the proceedings in the House (c) or of the speeches of particular members (d) ; and (ii) Wilful suppression of speeches of perticular members (e) ". Sir, he wilfully mis-represented the proceedings of the House by giving such kind of statements to the press for publication. In the same Book at page 211, another aspect of the thing is mentioned. That is the publication of making of policy announcements by Ministers outside the House while the House is in session". When it is concerned with the particular Minister, and a code of Conduct in maintained by the Ministry, it tantemounts to a policy matter of the

House. Any statement which is to be given to the House, and which has been submitted to the House, only the House is to be given the top-most priority in such kind of information. Under these circumstances, I feel that it is a fitcase to be taken up by the Privilege Committee. Sir, you can also decide the issue as is it a very serious matter concerning a person not less than a person but a Minister. When he does not know as to how to pay respect to the House, what will be the position of a layman outside the House. By considering all aspects of the matter I submit that Shri Jagannath Singh Minister of State, Industries committed gross breach of privilege to you and to the House as well and he is to be punished under the provisions of the Procedure and Conduct Rules of the House.

Shri Gaurishankar Bhattachyia : Sir, on the admissibility of the Motion I would like to make a few observations. I do not know whether Shri Jagannath Singh the Minister responsible for the Scandal on that particular night was drunk, I do not know that I also do not know whether under the influence of liquor he had misbehaved with a female nurse in a hospital at midnight. But I know this much that Shri Barua the other day brought a matter before the House and that matter raised certain issues Connected with the prestige & privileges of this House, the 1st issue was that in a very unfortunate incident a Member of this House who happens to be a Minister of the Government was involved and that he made himself involved not

as a private citizen, but as a "Minister". He said, further that though here in this State there is "Prohibition" and though we are supposed to further the cause of prohibition, that Minister of the Congress Government was dead-drunk. Particularly, he said that though it was none of the business of that Minister to go to a Hospital at midnight to confront a young Lady Nurse, well, that Minister under the influence of liquor did so. Then he said that matter went so far as to lead the local authorities concerned to send representations to the higher authorities. He further said this matter has been so much talked about by the general public that the dignity of the Government the dignity of the House appears to be lowered and therefore this being a very important matter of public importance, he wanted a clarification from the Government. I presume that the Hon'ble Minister, Shri Jagannath Singh was present in this House that day. He did not make any statement at that time. The Chief Minister was present. He found that the allegations were really serious and therefore he thought.....

Shri Jagannath Sinha (Minister of State): When Mr, Barua made the statement I was not present here,

Shri Gaurisanker Bhattacharyya: At any rate, if he was not present that was highly improper because the Ministers are expected to be present in the House when the House is in session and if they are to be absent for any exceptional, urgent reason which reason should be more important

than the business of the House, then they may be absent only with your permission and with the permission of the Chief Minister. I do not know whether he had that permission and whether something much more important was writing for him outside the House than the business of the House. I do not know that. Now, the Chief Minister thought that it was a very serious allegation that a Minister should go to a young lady nurse at midnight under the influence of liquor and that he should misbehave towards that young nurse. That was a serious allegation and the Chief Minister in all propriety thought that he should make a thorough investigation and should make a statement in the House. That was very good. It was thus that the matter became a matter of the House. It became a subject matter of the House, a property of the House and the matter was not decided. It was not settled by the house. It was in the possession of the House and had remained confined to the House and it was not settled. Now a property of the House which is still under discussion and on which a final verdict is yet to be had, on that matter the Minister has gone out or is alleged to have gone out and is alleged to have said that it is 'baseless' and he said this not inside the House but outside to a newspaper. He had every right to say this in this House. If he was not present at the time when the allegation was made, he could have said subsequently what he wanted to say. If there was any wrong allegation he had every right to say so and it would have been very good to say so. But he did not do that. It is alleged that

outside the House he gave a statement pertaining to a matter which is still in possession of the House on which no decision has been given and he calls it 'baseless'. He said, As I said in the beginning, the allegation was meaningful. When one goes through his alleged explanation, one does not find that it is baseless. The first allegation was that the Minister was in a drunken condition. In his statement nowhere he said that he was not drunk. In the allegation another point was mentioned that the Minister went there at night, Nowhere he has said that he did not go out at dead of night. The allegation was that the Minister did not go to the Hospital being ill. If of course, drunkenness is not considered as an illness, he did not go as a sick man. Anyway it is his statement ; and he says that it is baseless. Another thing is, how he behaved towards the Nurse. That behaviour anybody can take in any manner he likes. If patriarch like the Chief Minister pats a girl it will be taken that a father is patting his daughter ; but if a yong stranger does it, it may be taken otherwise. So, it is a matter of attitude and it is a matter of interpretasation. The only thing is that without specifically denying this specific allegation how can it be said that it is baseless ? This is yet another aspect. Particularly when the matter is in the House how could he say it out-side ? And what does he say ? He says that He does not say whether it was "Pratham" or "Madhya" or "Sesh ratri"

How can the Minister, Industry save somebody in the

Maternity Ward, I do not know.....This is his own statement.So, Sir, from his own statement it appears that it is not baseless. He may say that it is partly correct and partly incorrect. Atleast it is not baseless. So, first of all to say that something is baseless, his own statement does not prove it to be baseless. When it is a matter of the House, to give or make such statement actually comes under privilege of the House and it amounts to misrepresentation of the proceeding of the House. Therefore, Sir, I think, a prime facie case is there which should go to the Committee of Privileges for further investigation.

Mr. Speaker: Mr. Sinha, do want to make earlier statement to explain your position? In Rule 168 is said"..... the member complained against shall be given an opportunity to be heard in explanation or exculpation."

Shri Ataur Rahman (Minister Parliamentary Affairs) : Mr. Speaker, Sir, I want to speak a few words on the admissibility of the motion. About the irregularity of this motion of Privilege, I want to speak nothing because you have already dealt with it. It is true, on 26th October, 1971 Shri Dulal Chandra Barua had mentioned the contents of the allegation, but there he had not mentioned the name of any Minister particularly. Now, the contradiction which has been referred to in the "Saptahik Azad", has come out in the issue of the paper on 27th October, 1971. This is a weekly paper. It is not mentioned when Mr. Jaganath Sinha gave the interview to the paper. Only the publication is dated 27th October, 1971. In the interview

itself Mr. Jagannath Sinha was contradicting a report which had come out in the "Daily Sapath" dated 19th October, 1971. There certain report had come out which amounted to something like character assassination. Therefore, when there were reports tantamounting to one's character assassination one was surely justified to come out with a contradiction.

Under these circumstances Sir, I do not think that Shri Jagannath Sinha has tinkered with the property of the House. He was simply referring to the news item published in Sapath dated 19th October, 1971. He had not mentioned or made any reference to the proceedings of the House. The publication is of 27th October, 1971, but the date of interview is not given there.

Therefore, in the circumstances, I think that because of the transparent irregularity itself, and because what I have said the privilege motion is not fit to be admitted.

Mr. Speaker : (When Shri Sailen Medhi rose to speak). You also want to speak on the admissibility. If we go on like this then.....

Shri Sailen Medhi : We can seek clarification from the Minister. The Minister who has been complained against, has given a statement of facts and we want to clarify those facts whether these are correct or not. The Minister for Parliamentary Affairs has said that the Minister against whom allegation has been brought, has made a statement contradicting a report which appeared in another paper.

Now, when the matter came up before the House it would have been the duty of the Minister to ask that paper not publish the report of the interview as it would have brought a question of privilege. So the Minister has failed to perform his duty in that respect.

Mr. Speaker : That is not the rule of the House. You have already spoken about the admissibility and the Minister for Parliamentary Affairs replied to it. The facts are not to be discussed.

Shri Dulal Chandra Barua : I have a submission. We have given our points. The matter is very delicate and we want that the matter should be referred to the Privilege Committee.

Mr. Deputy Speaker : Sir, I have got a submission I think it amounts some infriengement on our rules. Because on the complaint made by Mr. Barua the hon. Chief Minister categorically stated before the House that within this Assembly Session after the receipt of the report from Silchar so far as this particular incident is concerned, he will make a statement. In the meantime this Privilege motion has come up. Now, Sir, if you accept this Privilege Motion then it will go to the Privilege Committee before the Chief Minister could make a statement because the moment you accept it, it goes to the Privilege Gommittee.

Mr. Speaker : It seems there are clear misunderstanding.

Mr. Deputy Speaker : If you enquire from the Chief Minister about it and then you can decide the next course of action.

Mr. Speaker : I have got the notice from the Chief Minister. He will make a statement after lunch. Now, the main question is whether any member of this House not only the Minister, can make a statement regarding the House or whether he can comment on it while the matter is pending before the House and if so whether it amounts to Breach of Privilege. There are two different matters. One relates to the merit of the Case under Rule 301. The other is whether it violates the Privilege of the House if any hon. member give certain opinion relating a matter which is under consideration of the House. In respect of these a matters I have heard both the sides and according to Rule 168 we can given the member the earliest opportunity to explain whether the allegation made are correct or incorrect. I have been giving you such opportunities always.

Shri Debeswar Sarmah : Mr. Speaker Sir, I think I should seek a clarification from you before you give your final decision. A member may be maligned with a purpose. In Assam such dubious methods are not very much practised but in other places it happens. Now, so far as member is maligned with scurrilous sort of an allegations the Chief Minister is keeping quiet for a long time perhaps he is thinking let the man get a little 'Moja'. Sir, in such circumstances has not a member got the right of expression that I am innocent without attacking the House. Supposing in the House a member is maligned as a burglar or saying that he has committed certain heinous offence-Now, has he got no

right to say that I am innocent without attacking the House.

Shri Giasuddin Ahmed : I have got a Point of Order Sir. From the discussion it appears that some of us have missed the main point. The question is whether the statement published in that particular paper amounts to Breach of Privilege of the House or not. That is quite different matter and that is upto the Privilege Committee to look into the matter. Now, the question before us is about the admissibility of the Privilege Motion. The conditions of the admissibility of the motion is laid down under Rule 160 of the Rules of Procedure.

Mr, Speaker : About admissibility of the motion and whether the motion is in order or not that point is under investigation.

Shri Giasuddin Ahmed : I want to exert on that point. Here it states, that "not more than one question shall be raised at the same sitting". No such point was raised. "The question shall be restricted to a specific matter of recent occurrence". This is a specific matter. "The matter requires the intervention of the House"...interruption

Shri Mahendra Mohan Choudhury (Chief Minister) : In this case Sir, the Privilege issue is that whether a member can discuss publicly any matter which is under the consideration of the House. If any member discuss a matter publicly which is pending before the House he commits Breach of Privilege and he is guilty of that offence. But

in this case as the Minister incharge Parliamentary Affairs has rightly stated that it has nothing to do with the proceedings of the House. Some newspaper report of 19th October made certain defamatory statement against a member of the House. Sir, should it go uncontradicted? As soon as the matter is brought to the notice of the member that such and such defamatory statement is published in a newspaper which will lower him in public estimation he should immediately contradict it. It is the inherent right of the citizens. Therefore Sir, these two things should be distinguished and I hope you will consider these matters before you give your ruling.

Mr. Speaker: I have heard both the sides. I reserve my ruling. I have got a notice for another Privilege Motion against Mr. Tripathi. And both these cannot be taken together on the sameday it may be taken up tomorrow.

**Calling Attention to A matter of Urgent Public
Importance—The Assam Small Industries
Development Corporation**

Shri Dulal Chandra Barua: Sir, Under Rule 54 of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly I draw the attention of the Minister-in-Charge, Industries to a matter of urgent public importance and of recent occurrence in a news item published in the "Saptahik Nilachal" dated 20.10.71 under the caption "Udyogik Unnayan Nigamar Joa Joa abastha" wherein it has been stated that all the Industries started by Major Industries Development Corporation, Small Scale Industries

Development Corporation, etc. organisations, are incurring loss and giving no benefit to the people of the State, either through employment or through economic development. I want to know whether the allegations as reported in the paper are true, and if so, what steps Government have taken to reorient the entire thing for the benefit of the people. It has also come to our notice that some people, who had very bad records in their service careers, are entrusted with certain responsibilities. More particularly, there are some retired persons who have no interest in their work. This is one of the causes for incurring heavy losses by these industries. I want to know if this is true. If so, what specific steps Government have taken to improve the condition of these industries.

Shri Biswadev Sarma : (Minister, Industries) The position in respect of the various matters mentioned in the news item published in the "Saptahik Nilachal" dated 20.10.71 referred to by the hon. Member, is as follows :-

As this august House would recall, towards the beginning of this year the Government had decided in principle to take over the management of the closed textile unit of the Associated Industries, Assam. In that connection it was felt necessary to immediately arrange cotton, in view of the acute scarcity of this raw-material in the country at that time. The Assam Small Industries Development Corporation Ltd. was accordingly instructed to

arrange for the purchase of cotton urgently. This Corporation purchased 500 bales of cotton from Punjab, out of which 400 bales were of relatively superior quality and the remaining 100 bales were of relatively inferior quality. These purchases were made during the period 19.1.71 to 24.2.71. The ex-Punjab purchase price of relatively superior cotton ranged from Rs. 923.20 to Rs. 984.20 per quintal and that of relatively inferior cotton from Rs. 703 to Rs. 717.06 per quintal. The Corporation purchased these two varieties of cotton with a view to mixing them up. It would also be recalled that subsequently the Government came to the conclusion in consultation with the solicitors that it would not be prudent to take over the management of the closed textile unit of Associated Industries, Assam through negotiations as earlier intended. Therefore to avoid deterioration of this cotton in storage and to avoid further losses consequent upon anticipated further fall in the market price of cotton with the arrival of the new crop from the month of October, it became necessary for the corporation to sell this cotton. It may be mentioned that the ruling price of cotton in the country was extremely high due to acute scarcity of that commodity at the time when the corporation purchased this cotton. However, shortly thereafter the Govt. of India decided to import cotton to relieve the situation, with the result that the price of cotton came down steeply. The normal trade practice for selling cotton is to deal through cotton brokers. In Assam the only two consumers of this cotton were the Spinning mills.

at Gauhati and Charduar out of which the former had already closed down. The corporation contacted the Charduar mill as also cotton brokers in Calcutta for disposal of this cotton. In response three offers were received, two of which were from Calcutta parties and one from the Charduar mill. The highest rate offered for delivery ex-Calcutta was Rs. 820 per quintal while the rate quoted by the Charduar mill for delivery ex-Gauhati was Rs. 780 per quintal. The rate of Rs. 820 per quintal for delivery ex-Calcutta works out to about Rs. 804 per quintal ex-Gauhati after excluding the transport, handling charges, etc. At that time, namely in the second half of September, 1971, it may be mentioned that both the road and rail communications between Assam and Calcutta were disrupted due to floods. Hence it would have been difficult to send the cotton to Calcutta. On the other hand the Charduar mills were on the verge of closure due to non-receipt of cotton from outside the State on account of dislocation of communications. Hence efforts were made to persuade the Charduar mill to raise its price and ultimately the mill agreed to raise its offer to Rs. 804 per quintal for delivery ex-Gauhati. As there was no chance of getting any better offer at that time and in view of imminent further fall in cotton price, this offer was accepted and 300 bales of cotton were sold to this mill to avoid further loss. 200 bales of cotton still remain to be disposed of and the Corporation is trying for their disposal also. On the 300 bales of cotton sold, the Corporation suffered a net loss of about Rs. 1,17,000.

For examining this whole transaction, the Government have decided to set up a committee of enquiry.

The Government have already appointed a committee consisting of Deputy Secretaries in the Industries and Finance Departments and the Joint Director of Industries (General) for studying the working of this corporation in detail. The report of this committee is awaited. In the meantime at the instance of the Government, this Corporation has engaged the services of a Chartered Accountant for examining its financial position quickly and for suggesting remedies for improving its financial management. His report is expected to be received shortly, whereafter the Government would consider the required steps.

It is a fact that inspite of a loss being incurred during the year 1970-71, a bonus 8% has been given to the workers of Assam Conductors and Tubes Ltd. (a subsidiary of Assam Small Industries Development Corporation Ltd.), as against the statutory minimum bonus of 4 per cent. This apparently was done as a gesture of goodwill to the workers. As this bonus has already been declared and disbursed, no further steps are possible at this stage. In this connection the hon. Members would recall the recent discussions at various levels for raising the minimum bonus to above 4 per cent.

Thirteenth, Fourteenth and Fifteenth Report of the Public Accounts Committee.

Shri Gaurisankar Bhattacharyya : Sir, I beg to present the Thirteenth, Fourteenth and Fifteenth Report of the Public Accounts Committee. In this connection, I beg to say that the Fifteenth Report is under print, so only a typed copy of it has been placed on the table of House. Printed copies will be made available to the hon. Members as soon as they are received from the Press. Probably by tomorrow we may receive them.

Report of the Commission on Secondary Education in Assam.

Shri Sarat Chandra Goswami (Minister of State, Education) : Sir, I beg to present the Report of Commission set up by the State Government on the problems of Secondary Education in Assam.

The Assam Contingency fund (Augmentation of Corpus) Bill, 1971.

Shri Kamakhya Prasad Tripathi (Minister, Finance) : Sir, I beg to move that the Assam Contingency Fund (Augmentation of Corpus) Bill, 1971 be taken into consideration.

Mr. Speaker : There is a message from the Governor: It reads as follows.

“Under the provision of Article 207 (3) of the Constitution of India, I, Braj Kumar Nehru, Governor of Assam, recommend that the Assam Contingency Fund (Augmentation of Corpus) Bill, 1971 be taken into consideration by the Assam Legislative Assembly.

Sd/ Braj Kumar Nehru
Governor of Assam”

Shri Premadhar Bora : অধ্যক্ষ মহোদয়, আট মাহৰ ভিতৰত আটকোটি টকা ordinance কৰি লোৱা হ’ল। এইটো কি উদ্দেশ্যত লোৱা হৈছে তাত কোৱা হৈছে যে—

An ordinance augmenting temporarily the corpus of the contingency fund by Rs. 2.50 crores was promulgated on 29th June, 1971. But subsequently as a result of continued influx the expenditure on relief to evacuees from East Bengal increased. Therefore the necessity for further temporary augmentation of the corpus of the contingency fund by Rs. 2.50 crores was felt and accordingly another Ordinance was promulgated on 23rd September, 1971.....

কিন্তু আমাৰ ভাৰত চৰকাৰে কিমান টকা sanction কৰিছে। তাৰ পিছত কোৱা হৈছে। এই কেইটা কেনেকুৱা খৰছ? গতিকে এই

ক্ষেত্ৰত যদি consolidated fund ৰ পৰা টকা withdraw কৰা নহয় তেতিয়া হলে আনবিলাক কথা বাদেই মন্ত্ৰীসকলেও দৰ্শনা নেপাব। টকা পোৱা বন্ধ হৈ যাব। গতিকে মই মুখ্যমন্ত্ৰী মহোদয়কো জনাও যে টকা দিয়াৰ বিষয়ে Re-appropriation কৰি দিয়াতকৈ আগতেই আমাৰ estimate কৰি দিব লাগে। খৰচ নকৰাকৈ কিয় direct দিব নোৱাৰে। consolidated fund ৰ পৰা withdraw কৰা টকা কিয় ঘূৰাই দিয়াৰ মন্তলব নাই? Nagaland Security measure তো লাখ লাখ টকা দিবলগীয়া আছে। Kefugee ৰ ক্ষেত্ৰত ইমান কোটি কোটি টকা Consolidated fund ৰ পৰা যদি খৰচ কৰা হয় তেনে-হলে যদি সেই টকা কেন্দ্ৰীয় চৰকাৰে নিদিয়ৈ তেন্তে আমাৰ অন্যান্য Imergency মূলক কাম যেনে Brammaputra flood control আদি কামবোৰ বন্ধ হৈ যাব পাৰে। গতিকে মই মুখ্যমন্ত্ৰী আৰু বিত্তমন্ত্ৰীক এই বিষয়ে আগতীয়াকৈ ধন দিবৰ কাৰণে কেন্দ্ৰীয় চৰকাৰক জোৰ দিবলৈ অনুৰোধ জনাও।

Shri Dulal Chandra Barua : বিত্তমন্ত্ৰীয়ে আমাৰ আৰ্থিক অৱস্থাটো জানে। এই দুখলগা আৰ্থিক অৱস্থাৰ ক্ষেত্ৰত মন্ত্ৰী মহোদয় সকলে খৰচ মিতব্যয়ী কৰা নাই। আৰু এটা কথা আমি চাব লাগে যে আমি ভাৰত চৰকাৰৰ পৰা বহুতো ক্ষেত্ৰত প্ৰতিশ্ৰুতি পাইছো। যেনে—নগালেণ্ড সমস্যাত, সীমান্ত সমস্যা ইত্যাদি সংক্ৰান্তত আমি বহুতো টকা কেন্দ্ৰীয় চৰকাৰৰ পৰা পাবলগীয়া আছে। তেনেকৈ মিজোপাহাৰৰ পৰাও পাবলগীয়া আছে।

Shri Kamakhya Prasad Tripathi : এই বিষয়ে সন্দেহৰ কথা নাই। ভাৰত চৰকাৰে গোটেই খৰছৰ টকা বহন কৰিবলৈ গাত লৈছে আৰু ইতিমধ্যেই এককোটি ৯০ লাখ টকা আহিছে আৰু আহিব লগা আছে। এই বিষয়ে খৰছ কৰা দৰ্কাৰ কোনো interest ৰ প্ৰয়োজন নাই।

দ্বিতীয়তে Mizo Hills ৰ ক্ষেত্ৰত ১৪ কোটি টকাৰ adjustment ৰ প্ৰশ্ন আছিল। এইবাৰ দিল্লীলৈ যাওঁতে যেতিয়া আমাক মাতিছিল তেতিয়া আমি এইটো raise কৰিছিলো। ভাৰত চৰকাৰে এইটো বিবেচনা কৰিব। ইতিমধ্যেই ভাৰত চৰকাৰে যিটো টকা পঠালে সেইটো হিচাব কৰি নিকাচ কৰিবলৈ অনুবিধা হৈছে যে ইয়াৰ কাৰণে ভাৰত চৰকাৰে audit Report বিচৰাৰ সম্ভাৱনা আছে। তাৰ ওপৰত ভীতি কৰি এই ১৪ কোটি টকা মানি লৈছে।

ইয়াৰ দ্বাৰা আমাৰ যিকোনো planned বা non-planned খৰছৰ ওপৰত কোনো প্ৰভাৱ নহ'ব। consolidated fund ৰ ক্ষেত্ৰত হৈছে যিমান টকা ভাৰত চৰকাৰে দিয়ে consolidated fund ক দিয়া হয়। তাৰ পৰা অলপ Budget Provision মতে আনিব লগা হয়। ৩১ মাৰ্চলৈকে চলাব লগা হয়। তাৰ পিছত lapse পৰি যাব। দ্বিতীয়তে ৩১ মাৰ্চলৈকে চলাব লগা হলে consolidated fund ৰ পৰা adjust কৰিব লাগিব।

Shri Debeswar Sarmah : ভাৰত চৰকাৰৰ কিমান কোটি টকা over-draft ত পাব লগা আছে ?

Shri Kamakhya Prasad Tripathi : ২৪ কোটি টকা over-draft আছিল।

Shri Debeswar Sarmah : Nagaland ৰ সমস্যাৰ কাৰণে ?

Shri Kamakhya Prasad Tripathi : Nagaland Mizo Hills ৰ ক্ষেত্ৰত কওঁ যে Mizo-hills ৰ বিষয়ে কৰিছে কিন্তু Nagaland ৰ কথাটো মধ্যদেশৰ ডকাইতৰ লগত একে প্ৰশ্ন বুলিলেই ধৰে। শ্ৰীদেশাইৰ দিনৰে পৰা এই বিষয়ে তৰ্ক চলি আছে। সম্মত কৰাব পৰা নাই।

Shri Debeswar Sarmah : অধ্যক্ষ মহোদয়, নীতিমূলক হিচাবেই মই চাবি-আবামান কথা কব বিছাৰিছোঁ। সাংবিধানিক article মতেই এই consolidated fund ৰ ব্যৱস্থা আছে আৰু কিবা গৰজ পৰিলে এই fund ৰ পৰাই টকা উলিয়াব পৰা হয়। কিন্তু ২/৩ বছৰ পাচ কৰি দেখা গৈছে যে কিছুমান শিতানত কিছুমান টকা ধৰা হয়। কিন্তু Budget হিচাবৰ বাহিৰেও বহুত টকা Supplementary Demand ত আছে। Supplementary demand হ'ব নোৱাৰে বুলি কোৱা নাই। কিন্তু Supplementary demand উৎস্থাপিত হয় কিছুমান নীতিৰ ওপৰত। এইটো খৰছ আগতে বুজিব পৰা নহৈছিল। কিন্তু Emergency basis ত বহুতো কাম কৰিবলগীয়া হয় যি বিলাকত খৰছৰ মাত্ৰা বাঢ়ি গৈ দম বান্ধে। Supplementary Demand ৰ নীতি অনুসাৰে Supplement দি টকা লোৱা হয়। গণতান্ত্ৰিক নিয়মমতে আতাইতকৈ ডাঙৰ কথা যে নিৰ্বাচিত প্ৰতিনিধিৰ সন্মতি নহলে টকা খৰছ নহয়। মই আকোঁ

টকা খৰছ কৰিব নেলাগে বুলি motion টোৰ বিৰোধীতা কৰা নাই মই কব বিছাৰো যে আমাৰ নিৰ্ব্বাচিত প্ৰতিনিধিসকলে খুচিমতে টকা খৰছ কৰি থাকে আৰু পিছত consolidated fund ৰ পৰা লৈ লোৱা হয়।

Shri Kamakhya Prasad Tripathi : সন্মতি নোহোৱাকৈ ইমান টকা কি খৰছ কৰিব পাৰি নেকি ? ইয়াৰ দ্বাৰা গণতন্ত্ৰক দুৰ্ব্বল কৰিবলৈ চেষ্টা কৰা হৈছে বোলা কথাটো বুজিবলৈ টান কথা। গণতন্ত্ৰত আস্থা থকা আমাৰ মন্ত্ৰীসকলে গণতান্ত্ৰিক পদ্ধতিত আগবাঢ়িবলৈহে চেষ্টা কৰে।

Shri Promode Chandra Gogoi : Sir, I beg to move that in clause 3, Item

(1) In proposed sub-clause (i) in the first line, the word "and" appearing in between the words "Teachers and "Ministerial staff" shall be substituted by a coma (,) and after the words "Ministerial staff" the words "and Fourth Grade Employees" shall be inserted.

অধ্যক্ষ মহোদয় এই সংশোধনীটো এই কাৰণেই অনা হৈছে যে যদি কোনো এখন স্কুলত প্ৰভিডেণ্ট ফাণ্ড আঁচনি প্ৰয়োগ কৰা হয় তেনেহলে তাৰ শিক্ষক সকলে আৰু ministerial staff যেনে কেবাগী এ এই provident fund আঁচনিৰ উপকাৰ পাব। কিন্তু তাত যিসকল ৪ৰ্থ শ্ৰেণীৰ কৰ্মচাৰী থাকে তেওঁলোকে এই আঁচনিৰপৰা উপকাৰ নাপাব। কিন্তু অনান্য ক্ষেত্ৰত দেখা যায় যে provident fund আঁচনি আমাৰ চৰকাৰী বা বে-চৰকাৰী কোনোবা উদ্যোগ আদিত প্ৰয়োগ কৰিলে যি বিলাক কৰ্মচাৰী থাকে তেওঁলোকৰ সকলোৰেই এই আঁচনিৰ উপকাৰীতা পায়। হাইস্কুল কলেজ বা M. E. স্কুলত provident fund আঁচনি প্ৰয়োগ কৰিলে যিসকলে সবহ দৰ্শনা পায় অৰ্থাৎ কেবাগী, শিক্ষক সকলে এই আঁচনিৰ উপকাৰ পাব। কিন্তু যিসকল চতুৰ্থ শ্ৰেণীৰ কৰ্মচাৰী সকলোত কৈ কম দৰ্শনা পায় সেই সকলে এই আঁচনিৰ উপকাৰীতা নাপায়। এইদৰে এটা শ্ৰেণীয়ে উপকাৰ পাব আৰু এটা শ্ৰেণী তাৰ উপকাৰৰ পৰা বাদ পৰি যাব এই ধৰণৰ বৈষম্য মূলক নীতি আমি কেতিয়াও সমৰ্থন কৰিব নোৱাৰো। স্কুল বা কলেজৰ ৪ৰ্থ শ্ৰেণীৰ কৰ্মচাৰী সকলক সেই স্কুল কলেজৰ কৰ্মচাৰী বুলি নথৰে নেকি? যোৱাবাৰ তেতিয়াৰ খাদ্যমন্ত্ৰী শ্ৰীহাগজৈৰ ডাঙৰীয়াই এই আশ্বাস দিছিল যে স্কুলৰ ৪ৰ্থ শ্ৰেণীৰ কৰ্মচাৰী সকলৰ দৰমহাৰ নিৰিখ নিৰ্দ্ধাৰন কৰা হব আৰু কিমান অংশ স্কুলৰ ফাণ্ডৰ পৰা দিব আৰু কিমান অংশ চৰকাৰৰ তৰফৰ পৰা দিব তাৰ আশ্বাস আগতেই দি থৈছিল। কিন্তু এতিয়াও এইটো কাৰ্য্যত পৰিণত হোৱা নাই।

গতিকেই মই স্কুল সমূহৰ ৪র্থ শ্ৰেণীৰ কৰ্মচাৰীকো এই provident fund ব আঁচনিৰ অন্তৰ্ভুক্ত কৰিবৰ কাৰণে সংশোধনী ডাঙি ধৰিলো। আৰু এই কৰ্মচাৰী সকলেও তাৰ সুবিধা পায়।

Shri Kamakhya Prosad Tripathi : মোৰ তেখেতৰ মতৰ লগত কোনো মিল নাই। ইয়াতে এটা অসুবিধা হৈছে যে কিছুমান স্কুল আছে যিবোলাক Deficit গ্ৰাণ্ট পোৱা নাই। সেই বিলাকক centralised কৰিব লাগিব। আৰু সেইবিলাক স্কুলক centralised কৰাৰ পাচতহে সেই স্কুল বিলাকত প্ৰয়োগ কৰিব পৰা যাব।

Shri Dulal Chandra Barua : বোল মতে দিব পৰা নহলেও কিবা এটা provision ৰাখি থব লাগে যাতে ভৱিষ্যতে সুবিধা মতে প্ৰয়োগ কৰিব পৰা হয়। provision ৰাখি থোৱাতটো কোনো অসুবিধা থাকিব নোৱাৰে।

Shri Kamakhya Prosad Tripathi : provision ৰাখি থলেই তাক Apply কৰিব লাগিব। কিন্তু Apply কৰিব কেনেকৈ। কিছুমান চকি-দাৰ, পিয়ন আছে যি বিলাকক মাত্ৰ ৩০ টকাকৈ দৰ্শনা দিয়া হৈছে। সেই সকলৰ ওপৰত এই আঁচনি প্ৰয়োগ কৰি টকা কাটি আনিলে তেওঁলোক চলিব কেনেকৈ? গতিকেই Deficit scheme ৰ ভিতৰত নাথাকিলে দিব পৰা নহব।

Shri Dulal Chandra Barua : মই মুখ্যমন্ত্ৰীৰ পৰা জানিব বিচাৰো আৰু আশ্বাস লব খোজো, যিহেতু তেখেত বৰ্তমান শিক্ষামন্ত্ৰী—যে যি বিলাক স্কুলক Deficit system ৰ ভিতৰলৈ অনা হয় তাত এই provident fund ৰ আঁচনি লগে লগেই ৪র্থ শ্ৰেণীৰ কৰ্মচাৰী সকলৰ ক্ষেত্ৰত প্ৰযোজ্য হয় তাৰ এটা provision ৰাখিব লাগে।

Shri Kamakhya Porsad Tripathi : এইটো ordinance জাৰি কৰিও কৰিব পৰা হব।

Shri Promode Chandra Gogoi : I do not press my amendment.

Mr. Speaker : The question is that the preamble to clause 2 of the Bill do from part of the Bill.

(The motion was adopted)

Now, in clauses 3 and 4 that is no amendment. I put the question. The question is that clause 3 and 4 of the Bill do from part of the Bill

(The motion was adopted)

আমি ১২'৩০ বজাত শেষ কৰা কথা আছিল। কিন্তু এই আলোচনাটো যিহেতু শিক্ষক সকলৰ কাৰণে কৰা হৈছে গতিকে শুভ কাম সোনকালে সমাধা কৰাই ভাল হব।

Shri Promode Chandra Gogoi : Sir, I beg to move that in clause 3, item (5). proposed sub-clause (ii), in line 5, the words "under deficit system" shall be deleted.

(Voice-We have already finished Clause 3)

"Under deficit system sanctioned by the Govt of Assam under the Rule in force ; and includes schools of those categories in whose case, the maintenace grant has been frozen at any stage.

সেই কাৰণে এইটো অৱস্থা হৈছে গভৰ্মেণ্টে যিবিলাকে High School ক Grant দিয়ে তাৰ ভিতৰত provident fund যিবিলাকে deficit Scheme ৰ টকা পায় সেইবিলাক provident fund অনা হৈছে। যিবিলাক adhoc grant স্কুল সেইবিলাকক এই scheme ৰ ভিতৰলৈ অনা নাই।

চৰকাৰে যিবিলাক স্কুলত স্বীকৃতি দিছে আৰু যিবিলাকক মঞ্জুৰী দিয়ে সেই বিলাক বৰ্ত্তমান আইনখনৰ তললৈ আনিছে। চৰকাৰে যিবিলাক স্বীকৃতি দিয়ে সেই চৰকাৰে মঞ্জুৰী দিয়ে আৰু deficit স্কুলৰপৰা বেচি টকা আৰু non deficit স্কুলৰ পৰা কম টকা আদায় কৰে। এইটো বিভাজন নকৰি যিবিলাক নিজা শিক্ষক

সেই বিলাকে মঞ্জুৰী আদায় কৰিব লাগে। কাৰণ আমাৰ প্ৰদেশৰ শিক্ষক স্কুলৰ-
 য়েই হওক বা কলেজৰেই হওক তেওঁলোকে বিবেচনা কৰি চায়। আৰু সেইদেখি
 চৰকাৰে ভালকৈ বিবেচনা কৰি চাব লাগে সেই সকলো শিক্ষক সকলোৰে ইয়াৰ
 ভিতৰত হয়।

Shri Kamakhya Prasad Tripathi : মাননীয় সদস্য গৰাকীয়ে যিটো
 কৈছে সেইটোৰ অসুবিধা হৈছে non deficit আৰু Adhoc grant যিবিলাকে
 পায় তেওঁলোকৰ কোনো provident fund নাই। তেওঁলোকে কম দৰমহাও
 পাই বুলি জানো। গতিকে forth grade বিলাকৰ যি অসুবিধা হৈছে, তেনেকৈ
 শিক্ষক বিভাগেও ভুগিব। সেইটো নিশ্চয় চাব লাগিব।

Mr. Speaker : Now, we come to clause 5.

M. Shamsul Huda : Mr. Speaker, Sir, In Clause 5, in the
 proposed sub-section 7 (1), in the sixth line, in between the
 word "be" and the full stop, the words, "subject to the op-
 tion of the subscriber concerned", preceded by a coma (,)
 shall be inserted."

অধ্যক্ষ মহোদয়, এই Amendment সৰু ৮ টা শব্দৰ amendment মই
 আশা কৰিছো, amendment সংশোধনী গ্ৰহণ কৰিব। এই কাৰণেই গ্ৰহণ
 কৰিব লাগিব যে চৰকাৰে কিছু সংখ্যক শিক্ষকক হাতত ৰাখি এই contributory
 providend fund কৰিছে। আৰু বাকী সৰহ সংখ্যক লোকেই ইয়াৰ মতৰ
 বিৰুদ্ধে। এই বিল সম্পূৰ্ণ সকলোৰে মানি লব যেতিয়া নিজৰ নিজৰ provi-

 contributory providend fund ৰ সকলোৰে সুবিধা লব পাৰিব। সেই
 কাৰণে গণতান্ত্ৰিক চৰকাৰক এই আইন দিব পৰাৰ কাৰণে এই সংশোধনী দিয়া
 হৈছে। যদি সকলোৰে contributory provident fund মঞ্জুৰ কৰে তেনে-
 হলে শিক্ষক সকলৰ যদি টকা লগা হয় তেনেহলে, হয় স্কুল মঞ্জুৰ কমিতি আহিব

লাগে নহয় সভাপতি, নহয় শিক্ষক জন personally আহিব লাগিব। তথাপিও মাহৰ পাচত মাহ বছৰৰ পাছত বছৰ পাৰ হৈ যায়। দ্বিতীয়তে চৰকাৰে Teacher welfare fund খুলিছে T. B. cancer আদি বেমাৰৰ সিকিৎসাৰ অৰ্থে সাহায্য দিবলৈ। কিন্তু সেই সাহায্য পায় যেতিয়া বছৰৰ পাচত বছৰ মানুহ মৰি যেতিয়া ভূত হৈ যাব হাড়ত দুবৰি গজিব তেতিয়াহে। তাৰ উদাহৰন স্বৰূপে পিসানদৰ আলি আৰু জাহান আলি। এওঁলোকে নিজে ২১ বাৰ অহা যোৱা কৰিও কাম কৰিব নোৱাৰিলে। টকা পোৱা নাই। এই অভিজ্ঞতাহে পায় হৈছে। contributory provident fund ৰ টকা উলিয়াব মাত্ৰ ২ হাজাৰ টকা আৰু অহা যোৱা কৰোঁতে খৰছ হয় তিনি হাজাৰ টকা। সেই কাৰণে বিৰাত আপত্তি কৰিছো। চৰকাৰে আইন নীতি সংশোধনী কৰিব লাগে। Subject to the option of the subscriber concerned, আৰু আশা কৰোঁ চৰকাৰে এই সংশোধনী গ্ৰহন কৰিব।

Shri Kamakhya Prosad Tripathi : সেই কথা আগতেই আলোচনা কৰা হৈছে। It will be going against the very purpose of the scheme of the Bill.

গতিকে provident fund scheme আছে সকলো ঠাইতে তেওঁলোকৰ কল্যাণৰ কাৰণে আৰু প্ৰমানিত হৈছে তেওঁলোকৰ উপকাৰ হৈছে আৰু অহা যোৱাবো অসুবিধা নহয়। কাৰণ welfare fund আৰু provident fund গভৰ্ণমেণ্টৰ নহয় সেইবিলাক corporation অৰ তলত। গতিকে মাননীয় সদস্যই আচলতে যিটো আপত্তি কৰিছে সেইটো নহয়।

M. Mr. Speaker : আপুনি এইটো place কৰে নেকি ?

ADJOURNMENT

The House then adjourned for lunch till 2.30 p. m

(The House reassembled at 2.30 P.M. after lunch break with Mr. Speaker in the chair)

Statement by the Chief Minister—Allegations against a Minister of State

Mr. Speaker : According to the accepted time schedule the House was to be adjourned at 4.30 P. M today. At 4 P.M. the Minister was to reply. Now, we are late by half an hour. Now, what is the sense of the House in regard to extension of time?

Shri Ataur Rahman, Minister : (Parliamentary Affairs) Sir, we will be inconvenienced. We have to break fast at 4.35. If the House is extended till 5 P.M. then we will be inconvenienced. (Voice-Some members may leave the House)

Shri Promode Chandra Gogoi : Let the Minister reply at 4.30 P.M.

Shri Mahendra Mohan Choudhury, (Chief Minister) : Sir the Minister will start replying at 4.30 P.M. and it depends on how long the Minister takes. (Shri Biswadev Sharma, Minister I will take only 10 minutes).

Shri Dulal Chandra Barua : Sir, there is another thing.

The convention is that the Members who were also Members in the Committee cannot take part in the deliberations of the House when that matter is discussed. The Minister being the Chairman of the Committee then cannot also give reply on that subject,

Shri Mahendra Mohan Choudhur : (Chief Minister) That is not the Convention. The convention is that the Members of the Committee cannot speak against the report. If he wants to speak in support of the report, he can speak.

Mr. Speaker, Sir, on 26.10.71 Hon'ble Member Shri Dulal Chandra Barua brought some allegations against a Minister. The substance of the allegation is that the Minister was in a drunken mood when he went to the Silchar Medical Hospital at about 10 p.m. on 5th October, 1971, and misbehaved with the Staff Nurse on duty there and that he also assaulted her.

In this connection I enquired into the matter and the following facts are revealed.

Regarding the incident, Shri Jagannath Sinha, Minister of State, Industries, gave first a written report in the form of a complaint on 5.10.71 to the Principal, Silchar Medical College with a copy to the Minister of Health & Family Planning. The complaint of Shri Sinha reads as follows :

"At about 10.30 p.m. today I went to see a relation of mine namely Shrimati Rajkumari Sinha in the

Civil Hospital who is a maternity patient (bed No. 19). While I was near the delivery room I heard a groaning sound of a patient eastward and moved to ascertain what it was. I found one Shrimati Prabhawati Roy, a patient in bed No. 5 in Female Surgical Ward was in a very bad condition and was groaning. I immediately went near the patient and found a nurse and enquired what it was and why the patient was in such a bad condition unattended. She could not give satisfactory reply. I suggested her to call for the doctor-in-charge. While she was hesitating one Staff Nurse suddenly came and I asked her the same question. She in a bad manner replied me that this was none of my concern. I again insisted that since the condition of the patient was not good she should give immediate call to the doctor-in-charge but all in vain. At this stage I had no other alternative but go disclose my identity. I said her that I am a Minister and I wanted that the doctor should be called immediately. I don't know why this infuriated the said nurse. She became furious and started uttering that whosoever I might be she did not care. I simply laughed at this and requested her to let me know where the doctor-in-charge was residing so that might go there personally and call the doctor. But God knows why the nurse was not interested to tell me where the residence of the doctor was. She simply said that the doctor-in-charge was Dr. Nandi. After disclosure of my identity the nurse was although sitting on her chair keeping me standing replying to my questions in a most

objectionable and insulting manner. The name of the said Nurse is, I am told, Santi.....

So long I was listening about such behaviour by staff of the hospital from the public and this has been done to me today. Hospital is meant for welfare of the public and anything of this nature is not only undesirable but unpardonable also.

Immediately after this Dr. Debi Dutta came to the hospital to see my relation but as the condition of the patient was very bad I request him to see the patient No. 5 of F.S. Ward.

When I went to the room with Dr. Dutta again that nurse mentioned something adverse at which Dr. Dutta said 'You don't know with whom you are talking'. I narrated everything to Dr. Dutta for his information and future improvement of the public relation in the hospital. I want that such things should not happen in the hospital in future and this particular nurse should be brought to book so that other staff of the hospital take lesson from this."

On the basis of the complaint of Shri Sinha the Director of Health Services suspended the Nurse, Srimati Santi Rajee, in connection with the complaint of Shri Sinha. The said Staff Nurse submitted a written statement dated 9.10.71. The relevant portion of her statement reads as follows :

"... ..That, Sir, on the 5th October 1971 night,

while I was on duty at about 10.20 p.m. one man entered into the Female Surgical Ward. He was heavily drunk. He came to me and questioned whether I have sent for a doctor as one patient had abdominal pain. I replied that a messenger has already been sent for a doctor and I am also waiting for him. All on a sudden he became angry and ordered me to stand up. As I don't know his whereabouts I did not stand up while he still ordering rudely saying 'Stand up, stand up'. He disclosed that he is a Minister. As he was fully drunk and he entered the Female Surgical Ward in which males are not allowed at that time of night, I thought that he was saying that word 'Minister' in his intoxication mood and I did not believe him and did not stand up. Meanwhile Dr. Debi Dutta and Dr. Chatterjee arrived in the ward. He complained to them that I have insulted him and accused me in their presence".

Besides the Staff Nurse, Smti. Santi Rajee, the Matron of the Hospital, Dr. Sankar Chatterjee, the House Surgeon, Department of Surgery, and Dr. Debi Dutta, Registrar of Maternity & Gynaecology Department, Silchar Medical College, gave their statements.

After the allegations were brought before the House, I asked Shri Jagannth Sinha to submit a written statement which he did on 27th October 1971, wherein he has given further details. From his statement it transpires that he went to the Medical College Hospital on receipt of an information that the condition of a relation of his was

bad. He went along with his wife, aunt, cousin sister and brother.

From the statement of the Staff Nurse it appears that there is no allegation of any assault on her whatsoever by the Minister. It is evident from the complaint of the Minister, the statements of the Staff Nurse, Dr. Chatterjee and Dr. Debi Dutta Shri Sinha went to the hospital to see one of his relations who was a patient in the Maternity Ward, and that Shri Sinha enquired about a certain groaning patient and he was insisting for calling the doctor for attending to the groaning patient who was not a relation of Shri Sinha, and as a matter of fact Shri Sinha sent for the doctor who came and attended the patient. From the complaint of Shri Sinha it appears that the Nurse did not respond to the request of the Minister to call the doctor and she did not stand up when the Minister disclosed his identity. From the statement of Dr. Chatterjee it appears that the Staff Nurse did not reply to the queries of the Minister and when he disclosed his identity even then she did not behave properly. On this point the relevant portion of Dr. Chatterjee's statement reads as follows :

"She said that one man entered into the Female Ward and asked her whether she had sent the call to the doctor. She said that the call was already sent and she was waiting for the doctor. Then he wanted to know the person and moreover as he was drunk, out of fear she

did not tell anything. Then he said that he was a Minister and shouted to her to stand up. She then said to him that she was a Staff Nurse on duty and during her duty hours she did not care for a Minister ”.

The above statement unmistakably shows the defiant attitude of the Staff Nurse. Even when the Minister disclosed his identity she was not telling about the residence of the doctor.

The only allegation that remains to be examined according to the statement of the Staff Nurse is whether the Minister was heavily drunk and that he ordered her to stand up. As stated above when the Nurse took a defiant attitude and did not stand up as a mark of courtesy then the Minister most likely got angry and asked her to stand up. The allegation of drunkenness has been denied by the Minister in his statement submitted to me. The position is that the allegation has been contradicted by the Minister. Even the Staff Nurse has not stated or suggested of any overt act on the part of the Minister to confirm that he was under the influence of liquor. Even Dr. Chatterjee did not state that he was under the control of liquor. Dr. Chatterjee thought to him to be drunk because some alcoholic smell come out from his mouth. The relevant portion of Dr. Chatterjee's statement is reproduced below :

“.....It appeared to me that he was drunk because alcoholic Smell was coming out from his mouth”.

Alcoholic smell in the mouth does not mean that some

body is drink. A person is said to be drunk when he gets overcome with liquor.

Dr. Chatterjee further stated in his statement that the Minister was trying to console a restless patient in the Female Surgical Ward from outside through a window and he requested them to see the case. He examined the case. He examined the case and prescribed.

The action of a man when finding somebody groaning goes to console her and asks the Nurse to call a doctor obviously is not of a drunken man.

Admittedly Dr. Debi Dutta, Registrar of Maternity and Gynaecological Department, was also present during that night. His statement is as follows :

“On the night of 5th October 1971, at about 10.30 p. m I was called by Shri Jagannath Sing, Minister, to attend a case at Maternity Ward in the Medical College Hospital. Accordingly, I went to the hospital and while going to the Maternity Ward I was asked by the Minister to see a case in Female Surgical Ward who was tossing in bed with pain. I examined the case and prescribed necessary medicine and told the House Surgeon to inform Dr. Nandi Purkayastha, the Registrar of Surgery, about the case. When I come out of the Ward the Minister who was on the verandah told me that he had been misbehaved by the sister of the Female Surgical Ward, He talked to me in a gentlemanly manner and I did not find any reason to think that he was intoxicated, I was in a hurry to see my patient with labour pain in the Maternity Ward and I left the place ”

The version of the Minister regarding insulting behaviour of the Nurse has been amply corroborated by the statements of Dr. Chatterjee and Dr. Debi Dutta. The relevant portion of Dr. Chatterjee's statement reads as follows :

"The Minister, Mr. J. Sinha told me that he was insulted by one Staff Nurse. He said to me that he went to the Ward on hearing cries and saw that a patient was tossing. He asked the Nurse to call for the doctor, but the Nurse did not pay any heed to it and she was sitting on the chair. He said to her that he was a Minister and she should stand up and talk with him, but she said that she did not care for a Minister as Mr. Sinha told me".

This has been corroborated by the Nurse herself in her statement to Dr. Chatterjee wherein she states that she was a Staff Nurse on duty and during her duty Hours she did not care for a Minister.

Dr. Chatterjee also has not attributed any act on the part of the Minister which could give the slightest impression that he was in a drunken state.

On the contrary the aforesaid statement of Dr. Debi Dutta fully negatives the alleged story of drunkenness. Dr. Dutta stated that he did not find any reason to think that the Minister intoxicated.

In course of enquiry I got the statements of patient Shrimati Prabhawati Roy and her mother Shrimati Sefali Roy and another patient Shrimati Sumitra Rani Mandal which also fully corroborate the complaint of the Minister.

From the above facts it has been conclusively proved that the Minister went to the hospital hurriedly with his wife and others to see an ailing relation and that the cries and groans of another patient drew his attention and the minister in his anxiety to see that she gets immediate medical help insisted for calling a doctor which in all probability was taken by the Staff Nurse as an interference and she took a defiant attitude so much so that even when the Minister disclosed his identity she continued in her defiance by saying that during her duty hours she did not care for a Minister which naturally annoyed the Minister and led to exchange of hot words. There was absolutely no molestation or assault whatsoever.

Shri Dulal Chandra Barua : Sir, I have heard very attentively the statement of defence (Chief Minister) statement of facts) that has been made by the Chief Minister on behalf of his colleague. But the statement made hear completely from the statement that has been made in the paper. I want to know from the Chief Minister that the statements he has referred to have been obtained from another two patients, when the as have been obtained. But according to a renowned man of Silchar it depicts a different picture. After we have discussed the matter in the House, some people; by this or that way have obtained such statements from some persons. I will be very happy of the hon'ble Chief Minister is pleased to place those documents and the statements in original before the House. The statements have been obtained later on and some ma-

nipulation was going on. I have got a letter which I will hand over to the Chief Minister. I do not know what is the definition of drunkenness or drunken mood. But this is not the way of defending the things which tell upon not only his career but the career of others. In the statement he has not mentioned that he accompanied his wife and others. It is a after thought. He went there alone and in a drunken mood. When he went to the hospital did he obtain the permission of the authority? Sir, if we want to go the Civil Hospital even to see my wife I have to obtain the permission of the Civil Surgeon. Sir, do you have that authority to enter the Maternity ward of a Hospital because you are the Speaker? So it would have been better on the part of the Chief Minister not to speak at all. What the people will understand of him? To defend a man of this nature the Chief Minister is going to bring a slur on him. Whether he is the Chief Minister or not that is not my concern, but as a man I have got respect for him. I am sorry, the way in which he is defending him is really condemnable.

Shri Mahandra Mohan Choudhury (Chief Minister): I am sorry, I have been misunderstood. I have given all facts about this case (Voice : what is the conclusion?) The Charge is that the staff nurse was molested. From the statement I have read I have quoted the statement of Dr. Chatterjee, Dr. Dutta and also the staff nurse. From all these, statements there is no element of any molestation of any assault or any mis-behaviour. It was the point at

issue and I have quoted from the statement submitted by the staff nurse. She also said that she was not assaulted. Dr. Dutta said that he behaved with him as a gentleman. Therefore, I have made a distinction between taking alcohol and drunkenness. One thing is that the man may have some intoxicating drink. But if he does not lose and does not act under the influence of the drink then he is not drunk.

Shri Gaurisankar Bhattacharyya : That is perfectly correct. The Supreme Court has gone a step further. Merely by the smell of alcohol will not do. You have to examine the gastric juice. As the gastric juice was not examined it is not known whether he was drunk or not.

Shri Mahendra Mohan Choudhury : That is why I cannot say that he was in a drunken mood.

Mr. Speaker : Some clarification was sought under 301 and the Chief Minister replied to that and thereafter here cannot be any debate on this point. Mr. Barua wanted some clarification and the Chief Minister has given the clarification.

Shri Atul Chandra Goswami : অধ্যক্ষ মহোদয়, মন্ত্রী ডাঙরীয়াই এটা প্রশ্নের স্পষ্টীকরণত কলে যে তেখেত Drunker নাছিল তাত আমি সন্তুষ্ট হলো। কিন্তু মন্ত্রী ডাঙরীয়াই এটা কথা জনাবনে যে without Permission female ward ত মন্ত্রী হিচাবে প্রবেশ কৰিব পাৰেনে কি :

Shri Mahendra Mohan Choudhury : No Sir, it was an emergency ward. There was a delivery patient and the case was an abnormal one and on that patient a caesarian

operation had to be performed. After getting a frantic telephonic call as the matter is a very serious one he went there, as any citizen would have done the same thing. At that time one may not have time to go and seek permission to see the patient. He went there accompanied by a Doctor and Doctor Chatterjee and the staff nurse was there which proves the bonafide of his visit. One Doctor said that there was nothing wrong with him and he was completely gentle, but Dr. Chatterjee got smell of alcohol in his mouth. Therefore Sir, whatever facts I have collected from the staff nurse, other doctors and Doctor Dutta I have put before the House. I have not included any other statement for my consideration.

Shri Dulal Chandra Barua : Sir, he is giving the statements from legal point of view. Our points is from moral of view. It is not matter to be laughed at. It is a matter of disgrace.

Mr. Speaker : Shri Sailen Medhi. The Speakers should be brief and concise.

Result of the election to the Dibrugarh University Court

Mr. Speaker : Order, order. I have to announce the result of the election to the Dibrugarh University Court. The number of candidates equal big to the number of Seat vacant Mr. Puspadhar Chaliha elected un-opposed to the Dibrugarh University Court.

Motion—Anomalies in the Settlement of land in and around Guwahati

*Shri Sailen Medhi : মাননীয় অধ্যক্ষ মহোদয় আমাৰ সম্মুখলৈ আজি এখন গুৰুত্বপূৰ্ণ দলিল আহিছে। এই দলিলৰ দ্বাৰা অকল সদনৰ সদস্য সকলেই নহয় অসমৰ সকলো জনসাধাৰনেই বিশেষকৈ উপকৃত হ'ব বুলিয়েই যে আজি যোৱা কেই বছৰ ধৰি অসমত ভূমি সংস্কাৰৰ ক্ষেত্ৰত অসম চৰকাৰে যি ব্যৱস্থা লৈছিল সেই ব্যৱস্থাত ক্ষতিগ্ৰস্ত কৰাৰ কাৰণে তাৰ ধ্বংস কৰাৰ কাৰণে অসম চৰকাৰৰ মন্ত্ৰী সকল, চৰকাৰৰ বিষয়াসকল আৰু অসমৰ কেইজন মান প্ৰতিভাশালী লোক উপকৃত হোৱাহে আমি দেখিবলৈ পাইছো।

অধ্যক্ষ মহোদয়, মাননীয় সদস্য গোবিন্দ কলিতাই মাটি পট্টনৰ ক্ষেত্ৰত আৰু ভূমি সংস্কাৰৰ ক্ষেত্ৰত বচিত আইনসমূহ কাৰ্য্যকৰী কৰাৰ ক্ষেত্ৰত যি খেলি মেলিৰ সৃষ্টি হৈছিল সেই খেলি-মেলি অকল কেইজন মান লোকৰ জড়িয়তে নহয় তাত আমাৰ বিধান সভাৰ মন্ত্ৰী মণ্ডলৰ ঠাই আছে আৰু গুৰুত্বপূৰ্ণ বিষয়ৰ বিষয়াসকলৰ অনেকেই জড়িত আছে।

অধ্যক্ষ মহোদয়, মাননীয় সদস্য গোবিন্দ কলিতাৰ অভিযোগ আছিল যে চিলিং আইন মতে অসমৰ বেছি মাটি থকা লোকৰ পৰা মাটি অধিগ্ৰহণ নকৰি কিয় মাটিহীন লোকক বঞ্চিত কৰিছে। এই চিলিং আইনমতে মাটি অধিগ্ৰহণ কৰি মাটিহীন লোকক মাটি দিয়াৰ কথা আছিল। কিন্তু তাৰ পৰিবৰ্ত্তে অসমৰ কেইজনমান প্ৰভাৱশালী আৰু প্ৰতিভাশালী মানুহক মাটি বিতৰণ কৰিছে। ইয়াৰ দ্বাৰাই চিলিং আইন ফাকি দি অসম চৰকাৰৰ মন্ত্ৰী পৰ্য্যায় লোকক আৰু কেইজনমান প্ৰতিভাশালী লোকক উপকৃত কৰিছে। এনে বিভিন্ন কিছুমান ক্ষেত্ৰত প্ৰমান পাই অভিযোগ আনিছে। এইবিলাক প্ৰতিক্ৰিয়াৰ ওপৰত অনুমোদন দিছে। সেই অনুমোদনৰ পাছত অসম চৰকাৰে জনাইছে কিছুমান ভূমি সংস্কাৰ আইন কাৰ্য্যকৰী কৰাৰ ক্ষেত্ৰত নতুনকৈ ব্যৱস্থা গ্ৰহণ কৰিব লাগে। অকল ব্যৱস্থা গ্ৰহণেই নহয় যিবিলাক অফিচাৰ, যিবিলাক কৰ্মচাৰী এই কামৰ কাৰণে দোষী তেওঁলোকৰ শাস্তি হোৱা প্ৰয়োজন। তেনেকৈ বিভিন্ন ক্ষেত্ৰত যিবিলাক অনুমোদন জনাইছে তাত আমি দেখিছো এই কমিটিয়ে যথেষ্ট কষ্ট সহকাৰে বিভিন্ন তথ্য আমাৰ আগত ডাঙি ধৰিছে। মাননীয় সদস্য গোবিন্দ কলিতাই যথেষ্ট

কষ্ট স্বীকাৰ কৰি কাগজ-পত্ৰ লৈ এই অভিযোগ আনিছিল। ঠিক একে দৰেই Land Settlement implementation ৰ বিষয়া সকলেও যথেষ্ট কষ্ট স্বীকাৰ কৰিছে।

উপাধ্যক্ষ ডাঙৰীয়া, মই কব বিচাৰিছো যে কেন্দ্ৰীয় মন্ত্ৰী ফকৰুদ্দিন চাহাবৰ প্ৰায় ২২০০ বিঘা মাটিৰ মালিক। সেই মাটিৰ বেছি ভাগেই একচনীয়া মাটি। একচনীয়া মাটি অধিগ্ৰহণ কৰিলে ক্ষতিপূৰণ পোৱাৰ কথা নাছিল। কিন্তু যেতিয়া সেই মাটিবোৰ বিকানৈবী আৰু সৈন্যবাহিনীৰ বাবে লোৱাৰ কথা উঠিল তেতিয়া দেখা গ'ল ফকৰুদ্দিন চাহাবৰ বেছিভাগ মাটিয়েই তাত সোমাল। তেতিয়া এই বিধান সভাতেই আইন পাছ কৰা হ'ল যে একচনীয়া মাটি অধিগ্ৰহণ কৰিলে প্ৰিমিয়াম কাটি বাকী টকাখিনিৰ পূৰণ দিয়া হব। এই আইন পাছ হোৱাৰ পাছত যদিও কিছু সাধাৰণ মানুহ উপকৃত হ'ল তথাপি বিশেষকৈ এজন মানুহেই হৈ বেছি উপকৃত হল তেৱেই হ'ল ২২০০ বিঘা মাটিৰ মালিক শ্ৰীফকৰুদ্দিন আলি আহমেদ যিজন হল বৰ্তমান কেন্দ্ৰীয় মন্ত্ৰী যাৰ লাখ লাখ টকা উপাৰ্জন হল। শ্ৰীফকৰুদ্দিন চাহাবৰ ২ হেজাৰ ২০০ বিঘা মাটি আছিল। কিন্তু চিলিং আইনৰ সময়ত যেতিয়া দেখিলে যে তেখেতৰ মাটি যাব লগা হল তেতিয়া তেখেতে return নিদিলে। Committee ৰ Report ও আছে।

The original return submitted by Shri F. A. Ahmed in 1958 was not factually correct.

"An area of 556 bighas 4 K. 4 L. formerly stood in the name of Shri F. Ali Ahmed, son of late Col. Jalnur Ali Ahmed and included in Kheraj P. Patta No. 40. Out of the above area 74B-0-17L was mutated in the name of Shri Atesenuddin Ali Ahmed son of J. A. Ahmed vide A.S.O's Mutation order dated 26th September, 1959."

পিছত দেখুওৱা হ'ল সেই মাটিখিনি পৰিয়ালৰ লোকৰ মাজত ভাগবতোৰা হৈ গৈছে আৰু সেইবিলাক মাটিৰ নামজাৰিও হৈ গৈছে। তেখেতৰ আমচাংৰ মাটিৰ কথা লৈ আহো। ইয়াত কৈছে—

Land Settlement Implementation Advisory Committee Enquiry Report.

“Further, it appears to the Committee that the interpretation of the term “Joint Family” as defined in the Act has not properly been applied by the Collector and that submission made by Shri Ahmed for shares for each of his borthers and sisters had been accepted in to even though no steps have been taken by Shri Ahmed till now for partition of the land as per the law of inheritance.”

২৬ জুলাই ১৯৫৯ ত এই মাটি বিলাক দিয়া হয় কিন্তু মাটি বিক্রী বা ভাগ বতৰা কৰিলে Partition case বা mutation case হব লাগে কিন্তু তেনেকুৱা কোনো Partition case নহল। Land Settlement Committee ক প্ৰভাৱান্বিত কৰিছিল? যিসকল লোকক জনসাধাৰণে শাসনৰ মুৰব্বী কৰি পঠিয়াই তেনে লোকেই এনেকুৱা কাম কৰিলে জনসাধাৰণৰ মনোভাৱ কেনে হব পাৰে চিন্তা কৰি চাব। শ্ৰীকৃষ্ণকদ্দিন চাহাবৰ বিষয়ে আৰু বেছি নকৈ আন কেইটামান কথা সদনত ডাঙি ধৰি মোৰ বক্তৃতা সামৰণি মাৰিম। মই পঢ়ি দিছো।

Thirdly the exclusion from the ambit of the ceiling law of 220B—10K land falling between the embankment and the river in the Rangiya Circle was highly improper even though submission to that effect has been made by Shri Ahmed, As a result of this shortfall in acquisition even allowing for shares of brothers and sisters was over 150 bighas. The Committee would recommend the apart from setting right this impropriety in acquisition, action should be taken against the officers at fault for misinterpretation of the Act.

গতিকে দেখা যায় partition নকৰাকৈ মাটি বিলাক ভাগ হৈ গল। শেষত আকৌ তেখেত সকলেই কৈছে যে—

Shri F. A. Ahmed, who was a member of the Cabinet at that time and therefore had overall responsibility for implementation of the Government policies, does not seem to have been helpful in the quick and proper implementation of the Ceiling Law, particularly in his own case."

কমিটিয়ে বহুত মার্জিত ভাষা প্ৰয়োগ কৰিছে। জনসাধাৰণে এই মার্জিত ভাষা বুজি নেপাই। তেখেত সকলে বুজি পাই যে যি সকল লোকক শাসনৰ মুৰব্বী কৰি পঠোৱা হয়—তেখেত সকলেই এনেকুৱা অন্যায় কাম কৰে। শ্ৰীচৰে নাৰায়ন শিলৰ যি মাটি ceiling Act ত যাব লাগিছিল এই মাটিও নিলিঙত নগ'ল। যান্ত্ৰিক কৃষি হ'ব বুলি সেই মাটি চিলিঙত যোৱা নাছিল। কিন্তু তেখেত এজন গুৱাহাটীৰ নামকৰা advocate কোনোকালেই তেখেত খেতিয়ক নাছিল। Notification হৈ যোৱাৰ পিছত এই বিষয়ে enquiry কৰি কেচ চলালে। তাত দেখা গ'ল যে তেখেতৰ বেছি ভাগ মাটিয়েই চিলিঙত পৰে। কিন্তু সেই case আজিলৈকে বজু কৰিব পৰা নাই। সেইকাৰণে কমিটিৰ অনুমোদনত জনাইছে—

"The Committee therefore feels that proper action should be taken against the officers responsible for dropping of the original case and for the delay thereafter and immediate steps under the amended Ceiling Act should be taken."

গতিকে Case কি কাৰণে dropper কৰা হৈছিল সেইটো তদন্ত কৰিবলৈ দিছিল।

ইয়াৰ বাহিৰেও এই কমিটিয়ে নিৰ্দেশ দিছে, যে, চৰকাৰে অনতিপলমে সেই কৰ্মচাৰী সকলক শাস্তি দিয়ক আৰু এই মাটি চিলিং আইনৰ মতে তেওঁলোকৰ পৰা অধিগ্ৰহণ কৰাৰ ব্যৱস্থা কৰক। এনেধৰণৰ আমি বহুতো কেচ পাইছো। বাজা মোহন গোয়েস্কাৰ কথা মাননীয় সদস্য কলিতা ডাঙৰীয়াই কৈছে—

The petitioner stated that an area of 257 B 3 K 4 L were acquired by the Government under Notifications dated the 1st August and 2nd August, 1955. He also stated that the balance of land thus remained 1,062 B 6L owned by 27 persons living in Uttar Pradesh, Sitamohree, Kanpur.

Banaras and Bombay. He also contended that they were governed by the Mitakshara School of Hindu Law. Hence none of the co-sharers, he stated, had more than 150 bighas each. The Collector heard the petitioner on 17th June, 1963 and passed orders as stated below.

A.D.C, C. Thomas ৰ order অতি গুৰুত্বপূৰ্ণ ।

“Seen affidavit filed by Shri Ram Gopal Bhartia. Perused the pedigree statement and the Registered power of attorney which disclosed separate nature of their establishment. The objectors belong to the Mitakshara School and hold the landed property individual share amongst 27 families with separate establishment and so on. So even if the entire alleged excess area of over 1,255 B is accepted to be there when this is divided amongst 27 families the entire area will be excess and none can possibly be said to have more than 150 bighas. As such no excess is found and so the Ceiling Act does not apply.. The case is dropped.

গতিকে Affidavite ওপৰত নিৰ্ভৰ কৰিয়েই ২৭ টা পিৰিয়ালক কোনো বিবেচনা নকৰাকৈ সকলো মাটিৰ পটুন দিয়া হ’ল।

গতিকে এইটো পুণৰ বিচাৰ কৰিবৰ কাৰণে কমিটিয়ে নিৰ্দেশ দিছে। শ্ৰীপুলিন ফুকন আৰু শ্ৰীশৈলেন ফুকনৰ যি অভিযোগ এইবিলাক প্ৰমাণ হৈ গৈছে আৰু প্ৰত্যেক অভিযোগৰ ওপৰত এই কমিটিয়ে অনুসন্ধান চলাইছে। শৈলেন ফুকনক মাটিৰ অনুমোদন দিছে। এইটো সমৰ্থন কৰি আমাৰ চিলিং আইনত থকা মতে জনাব খুজিছো।

The Committee is of the view that the Ceiling Act was not properly applied in this case. The case should be re-opened immediately and proper action in this behalf may be taken.

১৯৫৫ চনৰ পাছত কোনোবাই যদি মাটি বেনামী হিচাবে বিক্ৰি কৰিছে বা হস্তান্তৰ কৰিছে সেই মাটি যাতে বেনামী ভাৱে বিক্ৰি নহয় তাৰ বাবে চিলিং আইনৰ ব্যৱস্থা ৰখা হৈছিল। এই ক্ষেত্ৰত অফিচাৰ আৰু কৰ্মচাৰীসকলে চিলিং আইন প্ৰয়োগ নকৰি মাত্ৰ Affidavit ৰ ওপৰতে ভিত্তি কৰি মাটিৰ মালিক সকলক লাভজনক পৰিস্থিতিলৈ আনি দিছিল। পুলিন ফুকন আৰু শৈলেন ফুকনে গুৱাহাটীৰ জালুকবাৰীত Survey School ৰ ওচৰত Military Camp ৰ ওচৰত যি মাটি পাইছিল সেই মাটি ১৯৫৫ চনৰ পাচত চিলিং আইন পাচ হোৱাৰ পাছত বেনামী কৰি বিক্ৰি কৰি সেই মাটিৰ লগতে তাত থকা কিছুমান বস্তিও বিক্ৰি হৈ যায়। গতিকে তাত বসবাস কৰা লোকসকলে কোনো মাটিৰ পট্টা আদি পোৱা নাই। তেওঁলোকৰ ওপৰত notice দিয়া হল যে, ১৫ দিনৰ ভিতৰতে তেওঁলোক উঠি যাব লাগিব নতুবা দেৱানী মোকদ্দমা কৰা হব। Notice পাই সেই লোকসকল আমাৰ ওচৰলৈ আহিছে—তেওঁলোকে কৈছে যে, আমি ৩৪ পৃথকৰ আগৰ পৰাই এই মাটিত আছো, হঠাতে গুনিলো নতুন মালিক হৈছে আৰু Notice দিছে আমি উঠি যাব লাগে। গতিকে সেই মানুহবিলাকক উচ্ছেদ কৰি তাত মাত্ৰ কেইজনমান মানুহে Building সাজিব নোৱাৰে। তেওঁলোকে সেই মাটিৰ মালিক হব লাগিব। কিন্তু মালিকৰ কুচক্ৰান্তত এই নিবপৰাধী লোকসকলে কষ্ট পাবলগা হল। গতিকে এটা কথা জনাব খুজিছো যে,—

In Sailen Phukan's case

In this the Committee found that in order to frustrate the provisions of the Ceiling Act, the lands were sold to persons or transferred to persons. This could happen because the law as it then existed did not provide any method to deal with such transfers which took place.

এইটো বৰ গুৰুত্বপূৰ্ণ বিষয়। ৫০ বছৰৰ আগতে যিবিলাক Free Simple grant ৰ মাটি আছিল সেইবিলাক মাটি কেইজন মান মানুহক চৰকাৰে দিছে। শ্ৰীকমলেশ্বৰ বৰুৱা Ex-Chief Engineer, খনিৰ বৰুৱা Chief Engineer Ex-office Secy, ৩বিমলা চলিহা Ex-Chief Minister,

আঘোনা দাস, প্রিয়লতা কাকতি ইত্যাদি লোকক প্রায় ১৫ বিঘা ১ কথ ৭ লোচা মাটি বেনামী বিক্রি কৰা হৈছে। গুৱাহাটীৰ ৭ ঘৰীয়াৰ ওচৰতো এইদৰে অঙহী বঙহীক চৰকাৰে মাটি দিছে। এইদৰে চৰকাৰে সাধাৰণ দুখীয়া জন-সাধাৰণক উচ্ছেদ কৰিছে। আনটোত কৈছে, মই সেইটো পটি দিছো।

Between the two cases Government has, in my opinion, a for stronger case. On the other hand if the Government recognises that the petitioner has a claim which may or may not amount to ownership of the land but which cannot be entirely dismissee and therefore which may have to be compensated for, so that the eventuality of an adverse decision by court or arbitration is avoided it may be possible to negotiate with the petitioner on what terms he proposes to withdraw all claims in this regard.

এফালে চৰকাৰে কৈছে ইয়াক ধৰি থাকক আনফালে কৈছে নহয় claim কৰি দিয়ক। সেই গৰাকী মানুহক অফিচাৰ সকলে কলে যে যিটো Premium দিব লাগে সেইটো পালে সহ্য হ'ব। শেষত দেখা গ'ল Compensation দিয়া হ'ল প্রায় ৪ লাখ টকা আৰু মাটি লৈ গুটি গ'ল যদিও তেওঁ মাটিৰ মালিক নহয়। তাৰোপৰি সেই মাটি চৰকাৰী কাৰ্য্যৰ কাৰণে চৰকাৰে অধিগ্ৰহণ কৰি settlement দিছিল। পিচত সেই মাটিৰ ৫০ বছৰ আগত জীৱাধিকানন্দ চৌধুৰী হেনো পট্টাদাৰ আছিল। চেক্রেটেৰী সকল তেওঁৰ সম্বন্ধীয় হোৱা বাবে এইটো হ'বলৈ পালে। এই সম্পৰ্কত কমিটিয়ে অনুমোদন জনাইছে যে এইটো এটা দুৰ্ভাগ্যজনক কেচ। অনুমোদনটো মই পটি দিছো—

The Committee observes that the land in question was shown as Sarkari for the last 50 years. The Committee could not find any record whatsoever to show that the so called owner either deposited any local rate for this land or submitted any return under the Celing Act. The Committee therefore is of the opinion that decision of the Government

to acquire this land on more presumption that the land might belong to the party and that the revenue record was wrong is questionable. The Government should have given proper weight to the note of the Deputy Commissioner, Kamrup, dated 18th September, 1963 and left the matter to be decided by the competent court or by arbitration.

Court ত লৈ যাবৰ কাৰণে কমিটিয়ে অনুমোদন জনাইছে কাৰণ এইটো এটা ডাঙৰ অপৰাধৰ কাম কৰিছে। তাৰ পিছত ইয়াত আৰু কিছুমান দুৰ্ভাগ্যজনক কথাৰ আৱিষ্কাৰ হৈছে। ইয়াত কামাখ্যা Temple ৰ কথা আছে। যেতিয়া Tax দিব লগা হয় তেতিয়া তেওঁ কলে যে Development authority ত ধৰক। গতিকে এই সত্ৰান্তত যিবিলাক বিষয়া দোবী তেওঁলোকক শাস্তি দিব লাগে। তাৰ পিছত এই ব্যৱস্থা বিলাক কাৰ্য্যকৰী কৰাটো Existing Board ৰ দ্বাৰা সম্ভৱপৰ নহয়। সেই কাৰণে মই চৰকাৰক দাবী জনাইছো যে এইবিলাক কাৰ্য্যকৰী কৰাৰ কাৰণে Revenue Secretary, Deputy Secretary আদিক লৈ এটা কমিটি কৰক। এই কমিটিয়ে জিলাই জিলাই গৈ এই ভূমি সংস্কাৰ আইন কাৰ্য্যকৰী কৰা হৈছে নে নাই আৰু জনসাধাৰণৰ মাটিৰ বিষয়ত কাৰ কি আপত্তি আছে তাক চাৰ। এই কমিটিত জনসাধাৰণৰ প্ৰতিনিধিও থাকিব লাগিব। কাৰণ তেওঁলোকে সময়ে সময়ে কত কিমান কাম হৈছে আৰু এই আইন কাৰ্য্যকৰী হৈছে নে নাই তাক খবৰ লব পাৰিব। এই ধৰণে কৰিলে “গৰীবি হাতাওঁ” বুলি যি প্ৰতিশ্ৰুতি দিছে তাক কাৰ্য্যত পৰিণত কৰিব পাৰিব। এইখিনিকে কৈ বক্তব্যৰ সামৰণি মাৰিলো।

*Shri Atul Chandra Goswami : উপাধ্যক্ষ মহোদয় জয়জয়তে মোৰ বন্ধু শ্ৰীগোবিন্দ কলিতা দেৱক ধন্যবাদ জনাইছো। তেখেতে বহুদিনৰ পৰাই জনসাধাৰণৰ দূৰাৱস্থাৰ আচল প্ৰতিবিম্বিতো জনসাধাৰণে বুজিব পৰাকৈ পবিত্ৰ বিধান সভাত ডাঙি ধৰিছে।

উপাধ্যক্ষ মহোদয় ডাঙৰে কৰিলে লীলা কিন্তু সৰুৰে কৰিলে ধৰি বান্ধি কিল। Union Minister Jagjiban Ram আৰু Fakhruddin চাহাবে

এক বাতিৰ ভিতৰতে সমাজবাদী হৈ তাৰ আগতে যি সকল সমাজবাদী আছিল তাক জাপমাৰি বহুত গল। তেনেকুৱা জগজীৱন বামে ১০ বছৰৰ Tax দিবলৈ পাহৰে আৰু সেইটো যেনিবা পাহৰা বুলি ধৰি লোৱা হয়। ভাৰোপৰি যিজন প্ৰক্ষাত সমাজবাদী ফকবউদ্দিন চাহাবে অসমৰ জনসাধাৰণৰ চকুত ধূলিমাৰি জীয়াই থকাটো অতি আচৰিত কথা। অন্য কথালৈ মই নাযাওঁ এই Committee ৰ Report ত আছে—

The original return submitted by Shri F. A. Ahmed in 1958 was not factually correct and there was an unusual delay in verifying this return.

এজন মন্ত্ৰী, সামান্য মন্ত্ৰীও নহয় এসময়ৰ অসমৰ বিত্তমন্ত্ৰী। তেখেতে আইনক ফাকি দি সত্যৰ অপলাপ কৰি অসত্যক আদৰি লৈ লাখ লাখ টকা অপহৰণ কৰিলে। অসমৰ জনসাধাৰণৰ তেজ শোষণ কৰি Tax ৰ নামত এই ফকবউদ্দিন চাহাবে নিজকে সমাজবাদী বুলি কৈ ভাবতবৰ্ষৰ মন্ত্ৰীৰ গাদীত থকাটো শোভা নাপায়।

মই এই বিধান সভাৰ জৰিয়তে দাবী জনাইছো যে তেখেত অতি সোনকালে সেই গাদীৰ পৰা পদত্যাগ কৰিব লাগে। আৰু এটা কথা ইয়াত আছে।

Lands settled with Shri Anil Kumar Choudhury, Deputy Commissioner, Kamrup.

Deputy Commissioner এ মাটিৰ সম্বন্ধে যথেষ্ট কথা কৈছিল, কিন্তু Chief Minister এ কৈছিল গুৱাহাটী টাউনত নহয়, গুৱাহাটী circle ত। গতিকে Deputy Commissioner ক Petition নিদিয়াকৈ ১২ বিঘা মাটি কেনেকৈ ম্যাদী হয়, সেইটো বহুস্বজনক কথা আৰু এইটো Tribal Land.

The Committee after examining the records of this case observes that the settlement of land with Shri A.K. Choudhury, the present Deputy Commissioner of Kamrup at village Maragdola in Sonapur Circle was irregular and

illegal as the land falls within the Tribal belt. The Committee therefore recommends that the settlement orders should be set aside and responsibility should be fixed on the officer or officer at fault. The Committee also recommends to the Govt. that appropriate action should be taken immediately against Shri Anil Kumar Choudhury, the present Deputy Commissioner, Kamrup for obtaining illegal settlement in violation of rules and action taken reported to the Committee before 31st December, 1971.

১৯৭১ চনৰ ৩১ ডিচেম্বৰৰ আগতে তেওঁৰ ওপৰত action লব লাগে বুলি সমিতিয়ে অনুমোদন কৰিছে। আমাৰ ধাৰণা মাননীয় মুখ্যমন্ত্ৰী মহোদয়ে এই D. C জনৰ এডাল নোমো লৰাব নোৱাৰে। এই D. C জনে চক্ৰান্তকৰি এজন Dekha বুলি SDC ক যথেষ্ট গন্দগোল কৰিলে আনকি arrest পৰ্য্যন্ত কৰিলে এই কথা মাননীয় সদস্য গৰাকীয়ে কৈ গৈছে। এই যিজন প্ৰফুল্ল বৰুৱা তেওঁ এই DC জনৰ ভনী জোৰায়েক হয়। তেওঁ ভাবিলে যে “মাছো খাব চিতিকাতো ভৰি নিদিব”। তাৰ পিচত এইজন SDC সম্পৰ্কে আমাৰ ৰাজহ সচিবে ৰাজহ মন্ত্ৰীলৈ এটা গুৰুত্বপূৰ্ণ নোট দিছিল।

“Shri P. C. Bora has since the beginning of his service in 1951, been in Kamrup District except for 1 Yr. 4 m, at Dudhnai. He is at Rangia since 19th August, 1968. He is the brother-in-law of the D.C. and I feel that is the interest of administration it will not be proper to post him at Sonapur (in Kamrup District), again under his brother-in-law. He should be, if at all, transferred to some other district like Cachar, Lakhimpur etc.”

ৰাজহ মন্ত্ৰীয়ে তাৰ উত্তৰত লিখিলে।

Minister Revenue -

I understand the points raised by the Secretary. But there are certain pending matters in Sonapur Circle which I have not been able to settle inspite of my best efforts. Therefore, I suggested an experienced Circle Officer and in that connection the name of Shri P.C. Bora came to my mind. He may be given a trial for one year in Sonapur. The predicaments mentioned by the Secretary are all along there when he is serving in the same district without any complaint. Regarding Shri Lahkar I have nothing to say.

Sd/-M.M. Choudhury,

29.1.1971.

মাননীয় মুখ্যমন্ত্রী মহোদয়ে, তেখেতে কি বাখ্যা দিয়ে নাজানো কিন্তু সচাকৈ এইটো অন্যায় হৈছে। D.C ব অন্যায় প্রতি যি লোভ আছিল সেই লোভত সহযোগ কৰিছে।

উপাধ্যক্ষ মহোদয়, এতিয়া Purchase of one House of Mr Kamaleswar Borua লৈ আহক D.C য়ে এই ঘৰটো কিনাত খবৰ লগালে। এই কথাখিনি পঢ়ি দিছো—

Purchase of House of Shri Kamaleswar Barua, Ex.-Chief Engineer.

“On 16th February, 1968 Shri Kamaleswar Barua who was then Chairman, Gauhati Development Authority wrote to the Chief Secretary that the Chief Secretary was pleased to see his building near the Commissioner's residence some-times back with a view to considering if it could be purchased or acquired for a residence of a senior officer. He sent a site plan and two small photographs of the building along with the letter. On 21st February, 1968, the

Deputy Secretary. G.A.D., wrote to the Deputy Commissioner, Kamrup forwarding the letter of Shri Barua and requested the D.C. to inform immediately the reasonable rent of the building under UBRC Act in force.

The House was first requisitioned on 17th April, 1968 under section 31 of Assam (R&A) Act, 1964 for the purpose of accommodating an officer of the Government.

The requisition was a preliminary step for acquisition of a property. Area of land requisitioned was B O K2 7L under Dag No. 4096 (Part) covered by PP No. 738 of Sahar Gauhati.

Another area of 10 lechas was requisitioned (under the same dag and same patta) on 21st July, 1968.

Order for aquisition of property, i.e. land 2K-17L and the building standing thereon was passed on 21st July, 1968.

Mr. Dy. Speaker : Mr. Goswami, you are simply losing your time.

Shri Atul Chandra Goswami : Draft notification under Section 6 (1) sent to Government through Executive Engineer, P.W.D. (R & B) under letter No. XII.8/68/III dated 27th April, 1968."

উপাধ্যক্ষ মহোদয় আজি মাননীয় সদস্য শ্রীগোবিন্দ কলিতাই মাত্ৰ গুৱাহাটীৰ কেইটামান নিৰ্দিষ্ট case উত্থাপন কৰিছে যিবোৰ সত্য প্ৰমাণিত হৈছে। কিন্তু চোৱা যায় কি এনেকুৱা বহুত ঘটনা অসমৰ চাৰিও পিনে চলি আছে। নগাওঁ শ্ৰীদক্ষিণ লাল উপাধ্যায়ে ১৫০ বিঘা বুলি কেনেকৈ চৰকাৰক ফাকি দি আছে। এইবোৰত নিশ্চয় চৰকাৰৰ সহযোগিতা আছে। আজি যিমানেই প্ৰগতিশীল আইন নকৰক

কিয় proper utilisation নহলে একো নহয়। আমাৰ বিধান সভাত মাটি সম্পৰ্কীয় যিমান প্ৰগতিশীল আইন পাচ হৈছে বোধকৰো ভাৰতৰ আৰু কোনো বিধান সভাতে ইমান বিল পাচ হোৱা নাই। আজি এই কমিটিয়ে যি অনুমোদন জনাইছে।

Recommendation

The Committee observes that the orders of the Chief Secretary to the Finance Secretary and the decision taken for purchase of the house in spite of Deputy Commissioner's opinion about the worth of the house seems to be arbitrary and most objectionable from the point of financial propriety. The Committee is also surprised to know that the house had not yet been occupied by any officer in spite of the fact that large amount of money had already been spent. In view of the above, the Government should take suitable action against the persons responsible for the infructuous expenditure."

তাক কেনেকৈ কাৰ্য্যকৰী কৰে কব নোৱাৰো কিন্তু মই ভাবো কামৰূপৰ যিজন উপায়ুক্ত তেওঁ যিহেতু চৰকাৰৰ ক্ষতিগ্ৰস্থ কৰাৰ যথেষ্ট প্ৰমাণ পোৱা গৈছে তেওঁৰ ওপৰত action লবলৈ ৩১ তাৰিখলৈ নাৰাখি তাৰ আগতে উপায়ুক্ত বাৱস্থা গ্ৰহণ কৰিব লাগে। আনহাতে আমাৰ যিবিলাক act পাচ কৰা হৈছে সেইবিলাক ভালদৰে চাবৰ কাৰণে জিলাই জিলাই একোটাকৈ cell কৰিব লাগে আৰু ভৱিষ্যতে যাতে এনে ধৰণৰ ঘটনা নহয় তাৰ বাবে সচেষ্ট হোৱা উচিত। এইখিনিকে কৈ মোৰ বক্তব্যৰ সামৰণি মাৰিলো।

Shri Promode Chandra Gogoi : উপাধ্যক্ষ ডাঙৰীয়া, গুৱাহাটী চহৰত মাটি বিতৰণৰ দুৰ্নীতিৰ সংক্ৰান্তত উত্থাপন কৰা এই বিষয়টো সদনত আৰু লগে লগে গোটেই প্ৰদেশকে জনোৱা বাবে মাননীয় সদস্য শ্ৰীগোবিন্দ কলিতাক ধন্যবাদ দিছো। উপাধ্যক্ষ ডাঙৰীয়া, বিভিন্ন বিষয় সম্পৰ্কে মই ইয়াত আলোচনা

হোৱা শুনিছো। কিন্তু এই Report ৰ পৰা এইটো কথা প্ৰমাণ হয় যে আমাৰ প্ৰদেশত যিবিলাক আইন পাচ কৰা হৈছে সেই আইন বিলাক কাৰ্য্যকৰী কৰাৰ ক্ষেত্ৰত চৰকাৰ বাৰ্থ হৈছে। চিলিং আইন সম্পৰ্কত যিটো কোৱা হৈছে সেইমতে ফকৰুদ্দিন আলী আহমেদেই হওক বা বাধা মোহন গোয়েস্কাই হওক বা আন কোনো-বাই হওক সেইমতে যিমানখিনি মাটি চৰকাৰে পাব লাগিছিল সিমান পোৱা নাই। সব্ৰহাগ মাটিৰ মালিকেই ভুল তথ্য-পাতি দেখুৱায়। বাধামোহন গোয়েস্কাৰ ক্ষেত্ৰত কৈছে—The Committee is of the view that the Ceiling Act was not properly applied in this case. The case should be reopened immediately and proper action in this behalf may be taken.

গতিকে যিমান বিলাক চিলিং আইনৰ case এই ক্ষেত্ৰত দেখুৱা হৈছিল সেই case বিলাকৰ ক্ষেত্ৰত যিবিলাক বিষয়বসীয়া জড়িত আছিল যিবিলাক মাটিৰ মালিক আছিল সেইবিলাক ক্ষেত্ৰত আইন প্ৰয়োগ কৰিব পৰা নাই। বৰ্তমান কামৰূপ জিলাৰ Deputy commissioner ৰ সংক্ৰান্তত এই কমিটিয়ে যিখিনি Report ত মন্তব্য দিছে সেই মন্তব্য কাৰ্য্যকৰী কৰা হলে চৰকাৰে Deputy Commissioner ক ততালিকে বৰখাস্ত কৰিব লাগে। তেওঁ অন্যায়ভাৱে জাল কৰি মাটি লৈছে। কিন্তু তেওঁ কৈছিল যে যদি তেওঁ নিজৰ নামত অন্যায় ভাবে মাটি লৈছে তেনেহলে তেওঁ সকলো ধৰনৰ শাস্তি লব। এতিয়া এই কথাটো প্ৰমাণ হল গতিকে তেওঁক সোনকালে দৰখাস্ত কৰিব লাগে। ৩১ ডিচেম্বৰৰ আগতে লোৱা হব বুলি report ত কৈছে কিন্তু প্ৰকৃত বৰাব কাৰণে ক্ৰীমলিনীকান্ত ডেকাক অন্যায় ভাবে গ্ৰেপ্তাৰ কৰিছিল আৰু অন্যায় ভাবে শাস্তি দিয়া হৈছিল। এইটোত Committee ৰ Recommended আছে নে নাই ইয়াত 46 ত কৈছে।

Committee recommendations ... The Committee after going through the case, is of the opinion that the Deputy Commissioner while showing great haste at the time of recommending the suspension and arrest of Shri Deka has not shown equal interest in forwarding draft charges

for departmental action against the officer and for submission of report called for by the government for consideration and sanction of prosecution. Delay on the part of the D.C. is viewed seriously by the Committee. The Committee therefore recommends appointment of a Special Officer to go into the conduct of the D.C. regarding delay in submission of the draft charges and the report required by the government regarding allegation in relation of the arrest of Shri N.K. Deka and whether there was any malafide in relation to the initiation of action against Shri Deka by the D.C.

উপাধ্যক্ষ ডাঙৰীয়া Deputy Commissioner সম্পৰ্কত মাটি লোৱাৰ ক্ষেত্ৰত সেই সময়ৰ SDC ডেকাৰ বিৰুদ্ধে তদন্ত কৰিবলৈ Committee য়ে এজন বিষয়ববীয়া দাবী কৰিছিল। গতিকে তেওঁক ডিচেম্বৰ ৩১ তাৰিখলৈ নাৰাখি ততালিকে বৰখাস্ত কৰিব লাগে। কিয়নো কামৰূপৰ নিচিনা এখন গুৰুত্বপূৰ্ণ জিলাত তেওঁৰ নিচিনা এজন লোক Deputy Commissioner হৈ থকাটো উচিত নহয়।

আজি যিকোনো আইনৰ ক্ষেত্ৰতেই নহওক কিয় চিলিং আইন বা অন্য অৰ্থনৈতিক আইনৰ ক্ষেত্ৰতেই হওক কাৰ্য্যকৰী ক্ষেত্ৰত চৰকাৰ ব্যৰ্থ হৈছে। এই ব্যৰ্থতাৰ কাৰণ হ'ল চৰকাৰৰ আমোলাতাত্ত্বিক প্ৰশাসন ব্যৱস্থা। ৰাজহ বিভাগৰ আমোলাতাত্ত্বিক প্ৰশাসন ব্যৱস্থাৰ কাৰণে কোনো আইন কাৰ্য্যকৰী কৰাৰ ক্ষেত্ৰতেই চৰকাৰে সফল পোৱা নাই। কেৱল প্ৰগতিশীল আইন হলেই নহব। সেই ক্ষেত্ৰত কমিটিয় কৈছে যে

The inadequacy of the administrative machinery together with the all pervasive influence of the richer section of the people have combined to defeat the basic purpose of one of the most primary land reform legislation. Government should therefore not only reorganise and stren-

gthen the administrative machinery but also ensure that it is susceptible to pressure.

গতিকে উপাধ্যক্ষ মহোদয়, সদনত পাছ কৰা এই চিলিং আইন আৰু Tenancy বিল এই দুখন কাৰ্য্যকৰী যদি কৰিবলগীয়া হয় তেতিয়াহলে বাজহ বিভাগীয় প্রশাসন ব্যৱস্থা যথেষ্ট পৰিস্কাৰ কৰিব লাগিব। কাৰণ বৰ্ত্তমান আমোলাতান্ত্ৰিক ব্যৱস্থাৰ যোগেদি ধনীক শ্ৰেণীৰহে সুবিধা দিয়া হৈছে কিন্তু দুখীয়াৰ ক্ষেত্ৰত একব-কমে আইন প্ৰযোজ্য হয় আৰু ধনীৰ ক্ষেত্ৰত আন একবকমে প্ৰযোজ্য হয়। দুখীয়া লোকসকলৰ ঘৰ-দুৱাৰ জুই লগাই দিব পাৰে। উচ্ছেদ কৰিব পাৰে কিন্তু ধনীক উচ্ছেদ কৰিব নোৱাৰে। আৰু কৰাও নাই।

উপাধ্যক্ষ ডাঙৰীয়া, মই যোৱা ৪ বছৰ ধৰি অভিযোগ কৰি আহিছো যে শিৱসাগৰ জিলাৰ জিলা কংগ্ৰেছৰ সভাপতি শ্ৰীপ্ৰফুল্ল চন্দ্ৰ বৰুৱাই প্ৰায়ে এহেজাৰ বিঘা চৰকাৰী মাটি দখল কৰি আছে। আজি ৪ বছৰে সদনত কোৱা স্বত্বেও উচ্ছেদৰ কোনো ব্যৱস্থা কৰা হোৱা নাই। কাৰণ তেওঁ চাহবাগানৰ মালিক আৰু জিলা কংগ্ৰেছৰ সভাপতি। সেই কাৰণে তেওঁৰ বিৰুদ্ধে উচ্ছেদ ব্যৱস্থা লব নোৱাৰে কিন্তু দুখীয়া মানুহৰ ক্ষেত্ৰত সকলো বকমে উচ্ছেদ কৰিব পাৰে। গ্ৰেপ্তাৰ কৰিব পাৰে।

গতিকে গুৱাহাটীত পুনৰ সংস্থাপন কৰা লোকসকলৰ সম্পৰ্কত পুনৰ তদন্ত কৰি যিবিলাকক মাটি অন্যায় ভাবে দিয়া হৈছে সেই সকলৰ নাম নাকচ কৰি পুণৰ বিতৰণ কৰাৰ কাৰণে কমিটিয়ে পৰামৰ্শ দিছে। আশাকৰো চৰকাৰে সেই-মতে কাম কৰিব আৰু অন্যায়ভাৱে উচ্ছেদ কৰা লোকসকলক পুনৰসংস্থাপন দিয়াৰ ব্যৱস্থা কৰিব।

উপাধ্যক্ষ মহোদয় কমিটিয়ে শেষত কৈছে—

In conclusion, the Committee is of the view that the implementation of the various land revenue and land reform measures in the State of Assam had been unsatisfactory in the past and therefore, draw the pointed attention of the government for streamlining the administrative machinery

and for being careful about socio-economic forces in such matters in future.

গতিকে এই আইন কাৰ্য্যকৰী কৰাৰ ক্ষেত্ৰত কমিটিয়ে দিয়া পৰামৰ্শ মতে প্ৰশাসন ব্যৱস্থা পুনৰ সংস্কাৰ কৰিব লাগে। তেহে এই আইনৰ যোগেদি আমাৰ দেশৰ সামাজিক আৰু অৰ্থনৈতিক জীৱন উন্নতি হব।

উপাধ্যক্ষ মহোদয়, বেছি কথা নকৈ এই প্ৰতিবেদনত দিয়া গুৰুত্বপূৰ্ণ কথাবোৰ যিহেতু কমিটিটো সদনৰ পৰাই নিৰ্বাচিত, ততালিকে কাৰ্য্যকৰী কৰিবলৈ কঠোৰ ব্যৱস্থা লবলৈ দাবী জনালো আৰু ৰাজহ বিভাগৰ তেনে দুৰ্নীতি পৰায়ণ লোকৰ বিৰুদ্ধে শাস্তিমূলক ব্যৱস্থা লবলৈ চৰকাৰক দাবী জনালো। আৰু লগতে এই কথা আমি আশা কৰিছো কাৰণ এই ৰিপটটোৱেই নহয়, আজি কেৱল গুৱাহাটী সম্পৰ্কে তদন্ত হলেও এই কথাবিলাক এতিয়া দেখা গৈছে। কিন্তু উপাধ্যক্ষ ডাঙৰীয়া, আমাৰ প্ৰদেশৰ প্ৰায়বিলাক জেগাতে ইয়াৰ পুনৰাবৃতি হৈছে। গতিকে সমগ্ৰ প্ৰদেশৰ ভূমি সংস্কাৰৰ ক্ষেত্ৰত যিবিলাক দুৰ্নীতি দেখা গৈছে সেইবিলাকৰ সম্পৰ্কে তদন্ত কৰিবৰ এটা ব্যৱস্থা অতি শীঘ্ৰে কৰা দৰকাৰ। শেষত উপাধ্যক্ষ ডাঙৰীয়া, আপোনাৰ অনুমতি লৈ এটা প্ৰস্তাৱ ডাঙি ধৰিব বিছাৰিছো, কাৰণ এই ৰিপটটো সদনত place কৰিছে ঠিকেই। এই ৰিপটটো সদনত গ্ৰহন কৰা দৰকাৰ আৰু কৰাৰ পাছত চৰকাৰে কাৰ্য্যকৰী ব্যৱস্থা লোৱা প্ৰয়োজন। প্ৰস্তাৱটো অতি সাধাৰণ।

This House accepts the reports submitted by the Land Settlement Implementation Advisory Committee on the allegations brought by Shri Govinda Kalita, M.L.A. before the House on 9th and 20th of May, 1971 regarding settlement of land in and around Gauhati and other allied matters.

Shri Gaurisankar Bhattacharyya : Sir, I beg to support the resolution moved by my friend, Shri Promode Gogoi; because there should be, in my opinion a formal acceptance of the

report. Sir, at the outset I express my deep gratitude to the Hon'ble Member, Shri Govinda Kalita for the great services that he has rendered to the people of Assam by bringing in these illustrations which the Committee could get an opportunity to probe into. Sir, these instances are only illustrative and not exhaustive. Then, Sir, I congratulate the Committee for the very well-documented and sober findings and recommendations. This Committee was not only the Committee of the House but also it was presided over by the Cabinet Minister in charge of Revenue. Therefore, the findings of this Committee should be binding on the Government and the conclusions that would follow from these findings should be implemented by the Government early. It is also a great pleasure to note that the findings and the recommendations of the Committee are unanimous, that the members of the Committee could consider the country above party; could consider the interest of the people rather than small caucus. Therefore, all the Members of the Committee deserve our gratitude and congratulations. Having said this, Sir, I suggest that a copy of this report should be formally forwarded by the Speaker to the Prime Minister of India because here, in this report, remarks and findings are there which concern a very important Member of the Central Cabinet. That gentleman was a Member of the State Cabinet here at the time when in his interest and to his benefit quite a lot of irregularities and improprieties were done not only with his connivance but with his active participation and

his own interference. He is talked about either as Joy or as Bejoy of the Prime Minister's campaign for socialism. One "Ram" came into prominence as a Congress Socialist for his dodging of income tax and the other "Rahim" now stands prominently as the second pillar of Congress Socialism for his concealment of landed properties in excess of statutory ceiling from the Government in which he himself was a Cabinet Minister and whereby he made for himself several lakhs of rupees of illegal gains at the cost of the people and the State. (Voice—who is that here?). That hero is as everybody knows, and as the Committee found out, Shri Fakharuddin Ali Ahmed, who is now an important member of the Union Cabinet. Then, there are others - I need not go to enumerate but there is class of Fancy Bazar businessmen, including Jhumarmals, Bajorias and others. Quite a large number of Fancy Bazar businessmen have become owners of Kamakhya temple lands and many other lands. So, our beloved Prime Minister's socialism is so well-knit that the big business not only of Delhi or Bombay or Calcutta but even of Fancy Bazar also is not excluded from unearned income and super-profit! That also is a matter which our Socialist brotherhood should particularly underline. Then another thing. When the Government will go to implement the logical conclusions of this report they should see what type of persons have been involved. Those who are dead and gone cannot be caught though from them also there should be some lesson taken by the present personnel who are in power.

One thing you will see, Sir, when you refer to page 16 of the report. In one deal certain big guys were the beneficiaries, namely Shri Kamaleswar Barua, Sri, K.C. Barua, G.N. Dutta, Shri B. P. Chaliha, Shri Aghana Ram Das, Shri G.C. Phukan, Shri G.C. Goswami and others. Now, what is the matter? One of them namely, Shri B.P. Chaliha was at that time the Chief Minister. Another namely, Shri Khanindra Chandra Barua was at one time the Commissioner of Divisions and then Revenue Secretary. Still another, namely, Shri Ganesh Chandra Phookan was at that time the Finance Secretary. Another namely, Shri Gokul Chandra Goswami was the ex-Chief Electrical Adviser to the Govt. and one namely, Shri G.N. Dutta was the ex-Chief Engineer. What did they do? They got Gauhati city's valuable plots of land measuring 15B. 1K. 7L. settled in their name. They got these settled. But thereafter somebody came and said that the said land was not Sarkari it belonged to him. If Government settled wrong land it ought to be void ab-initio. Govt ought to have returned the premium which might have been realised and it would be all right. But instead doing that, Government purchased the land post-facto and paid the sum of Rs. 4 lakhs to the claimant and got the settlement okayed by him at the cost of the poor people whose lots and plots even are sold out in auction in order to get the public exchequer fattened to be feasted upon by the big guys. Public money was thus squandered about so that Govt. could make "Bhoodan" to the Chief Minister, Finance Secretary,

ex-Revenue Seeretary, ex-Chief Engineer, Ex-Chief Electrical Adviser atcetra in the heart of Gauhati. This is Congress Socialism (Shri Biswadev Sarma : It was before socialism) Yes, before socialism, at the dawn of socialism so that morning could show the day ; From this the present Govt. should take a lesson. My Friend Shri Phani Bora once upon a time said that if you go in this way, people would take law in their own hands and having taken law in their own hands they might not be quite non-violent and peaceful and that they would relieve you of your skins. (Shri Phani Bora : I say even now), So, even now he has not changed his opinion. So before you lose your skin and bones you should try to take a lesson that there is a limit to the tolerance to the indulgence even of the indolent Assamese people. If you cross this limit any further, may God save your skin and bone from the wrath of the common people !

Sir, then I come to another aspect of the matter. So far as settlement of lands and taking other benifits are concerned, political leaders and public srvents should consider it not only improper, but inmoral. They should never make aggrandisement in their official capacity at the cost of our poor people. The second thing I want to say is this ; some temples, some relious institutions and other lands were acquired by the Government and the deities were deprived. But for whose benefit ? Well, benefits went to Jumalmals, Lakshminarayan Bajorias and others. What happened ? It is a very interesting case of investment of Kamakhya temple. It is at pages 31-35, In substance the matter is this :

In Fancy Bazar there was a piece of land belonging to Kamakhya Temple. One Jumarmal Jain of Fancy Bazar is the unofficial Treasurer of many ex-Ministers and at least one present Minister. His house called Hatigola belonged to Kamakhya Temple. Now, that Jumarmal Jain was a tenant of Kamakhya property. When the D.C. Kamup as the custodian of the Temple got some money from out of the sale of Kamakhya properties what did he do ? There was a piece of land belonging to one Lakshminarayan Bajoria. The D.C. purchased that land ostensibly for the Kamakha Temple and he paid to Bajoria in two instalments the sum of Rs. 1,78,000/from the Kamakhya temples funds. Revenue records however were not corrected. On that land a building was constructed at the cost of Kamakhya Temple Funds, but in the name of Jumarmal Jain. The present Deputy Commissioner as the chairman of the Gauhati Development Authority at that time and he gave the permission. So the money is of Kamakhya Temple with which the land was purchased. The cost of the building was entirely born by the Kamakhya Temple ; but the building is in the name of Jumarmal Jain on the land of Lakshminarayan Bajoria according to revenue records. If Maa Kamakhya would have been 'jagrata', probably these people would not have spared !

Mr. Deputy Speaker : You Brahmins are responsible for this.

Shri Gaurisankar Bhattacharyya : Here, I am not as a Brahmin. Here I am the representative of those people whose

utensils you have sold out and have made them hungry and impoverished people. They have no other god except a piece of bread or a morsal of rice. God will be acceptable to these people only if he comes in the form of food. These people whom you have robbed, whom you have suppressed, whom you have made impoverished just to fatten yourselves, to fatten the Ministers, to fatten the black-marketers of Barabazar and Fancy Bazar are now slowly but surely undustanding the bluff of you brand of socialist. Are you not ashamed of your socialism thanks to which the poor people have become impoverished and fanished and the black marketiars have prospered ?

It is possible only in Congress regime when Finance Secretary, Revenue secretary Deputy Commissioners, S.D.C.s. and A.S.O.s all those who were connected with Revenue matters can conspired with impunity in defeating land reforms in Assam. We claim that in Assam we have passed many land reforms laws. But all these laws have been sabotaged. I was a member of land Reforms Implementation Enquiry Committee and along with Shri Jogen Saikia who is now a Minister, I toured the whole State. We found to our consternation all these legislations in fact, proved a fraud on the people. Because, even though we showed that we had done a lot of land reform it was only on paper. In actual implementation it has been implemented only in the case of small ones and not in the case big people.

In short, the whole report shows that up till now so far as land reforms measures of the Government of Assam

are concerned, these are not only on paper but these proved to be a fraud on the people and those who have committed this fraud including one Ex-Chief Minister, one present Cabinet Minister of the Central Govt, one Finance Secretary of the Govt. of Assam, one ex-Revenue Secretary of the Govt. of Assam, 3 Chief Engineers of the Govt. of Assam and one Deputy Commissioner, some A.S.Os and S.D.Cs. We need not mention the Mandals and Kanungos who are almost innumerable. If the protectors themselves become the carnivorous devourers then what happens can only be imagined, not described. So, Sir, I pray that if this Govt. really mean business, let me hope that the Cabinet Minister who presided this Committee has taken it seriously. Let this report be implemented in full & without any reservation. Let the Govt. not come with some more explanations and some comments so as to avoid the findings & recommendations or come with the plea that they are yet to study the report. There is nothing to study now. It is time to implement it and punish those who are liable for all these things.

Mr. Deputy Speaker : I am under the mandate of the House that it has been decided while Mr. Speaker was in the Chair that debate should close at 4.30 and the Minister will reply thereafter. And the reply of the Minister concerned a resolution will be there on this particular subject. As the Ramjan is there it may not be possible to extend the time of the House therefore, may I call the Minister for the reply.

*Shri Giasuddin Ahmed : Yes. মাননীয় অধ্যক্ষ মহোদয়, এই বিপৰ্টি খনত সামৰণিত যিটো কথা কৈছে সেইটো বৰ গুৰুত্বপূৰ্ণ কথা। ইয়াত কৈছে যে

“In conclusion the Committee is of the view that implementation of the various land revenue and land reform measures in the State of Assam has been unsatisfactory in the past and therefore draw the pointed attention of the Government for streamlining the administrative machinery and for being careful about the socio-economic forces in such matters in future.”

এই লাইন কেইটাত অসমব অৰ্থনৈতিক আৰু বাজ্জনৈতিক আৰু ভবিষ্যতৰ কথা বিবেচনা কৰিলে এইটো সিদ্ধান্তলৈ আহিব লাগিব যে এই সমষ্টিগোট বৰ গুৰুত্বপূৰ্ণ আৰু এই Recommendation বা Committee ৰ যিটো মন্তব্য, সেই মন্তব্য যদি কাৰ্য্যকৰী কৰিব পৰা নাই; তেনেহলে মই আশঙ্কা প্ৰকাশ কৰিছোঁ। যে গণতান্ত্ৰিক পদ্ধতিত অৰ্থাৎ সংসদী গণতন্ত্ৰৰ জৰিয়তে আমাৰ দেশৰ সমস্যা সমাধান কৰাটো সম্ভৱ নহ'ব। হয়তো এই প্ৰচলিত ভূমিৰাজহৰ সমস্যা লৈ বক্তাৰ বিপ্লৱৰ সৃষ্টি হ'ব।

মই এই Report ৰ কথা বিতংকৈ আলোচনা কৰিব খোজা নাই। মাত্ৰ মই এইখিনি কথা আলোচনা কৰিব খুজিছোঁ যে বৰ্ত্তমান আমাৰ প্ৰদেশখনত যি কেইটা আইন প্ৰবোচিত হৈছে—তাত প্ৰত্যেকটো আইনতে কিছুমান দোষ ক্ৰতি আছে। যে যাৰ ফলত এইখন কাৰ্য্যকৰী কৰা সম্ভৱ নহয় বৰং কিছুমান দুৰ্নীতি পৰায়ন কৰ্ম্মচাৰীয়ে দুৰ্নীতিৰ সুযোগ লৈ দুৰ্নীতি পৰায়ন প্ৰতিবেশী লোকে বাজকাৰ্য্যত শোষণ কৰাৰ এটা সুবিধা পাইছে—।

উদাহৰণ স্বৰূপে মই কব বিচাৰিছোঁ। যে কিছুমান দিনৰ আগতে কেইখন মান আইন চৰকাৰে সংশোধনী কৰা হৈছে। যেনে ছিলেট টেনেন্সী এক্ট আৰু গোৱালপাৰা টেনেন্সী এক্ট। মই যিটো আইনৰ কথা কৈছোঁ তাত এটা সংশোধনী আছে। তাত আধিয়াৰৰ যিটো সুবিধা আছে—under Tenancy সেই সুবিধাটোত যিটো সংজ্ঞা বাহিৰ কৰি দিয়া হৈছে অৰ্থাৎ এনেকুৱা কৰা হৈছে, যে— আধিয়াৰ মূলত। under Tenancy সুবিধাত তলতীয়া প্ৰজা হিচাবে আধিয়াৰক গণ্য কৰা হৈছে। দেখাত আইনখন প্ৰগতিশীল যেন লাগে। যিহেতু যুগ যুগ ধৰি বৰ্ধিত এই আধিয়াৰ বিলাকৰ মাটিৰ বিতৰ বাবে এই আইনখন ৰচিত। গতিকে ই দেখাত প্ৰগতিশীল আইন। পিছে গোৱালপাৰা টেনেন্সী এক্ট আৰু ছিলেট টেনেন্সী এক্টত প্ৰজাৰ নামত পট্টন দিয়াত বহুতো বাধা আছে। যেনে—প্ৰথমতে survey কৰে, survey হোৱাৰ পাছত Draft কৰে তাৰ পাছত শুনানী হয় তাত কাৰোৱাৰ আপত্তি থাকিলে Civil Court ত মোকদ্দমা তৰিব পাৰে। তাৰ পিচত চুৰান্ত হিচাবে যিটো record কৰা হয় সেইটো গ্ৰহণ কৰা হয়। গোৱালপাৰাৰ আধিয়াৰ বিলাকক যি খতিয়ান তৈয়াৰ কৰা হয় তাৰ আধিয়াৰ সকলৰ নাম সোমোৱা নাছিল এজন আধিয়াৰৰ নাম সেই খতিয়ানত অন্তৰ্ভুক্ত কৰা হোৱা নাই। যেতিয়া আইন

সংশোধন কৰা হৈছে, সেই সময়ত তলতীয়া প্রজ্ঞাক স্বহৃদেৰ কাৰণে সেই সম্পৰ্কত মই এটা সংশোধনী দিছিলো। কিন্তু সেই সংশোধনী নাকচ কৰা হ'ল। এই আইনত স্পষ্টকৈ কোৱা হৈছে যে আধিয়াৰ ষিলাকক তলতীয়া প্রজ্ঞা হিচাবে গণ্য কৰা হ'ব। কিন্তু আমি দেখিছো এই আধিয়াৰ সকলক বন্ধ কৰা কামত ব্যৱহাৰ কৰা হৈছে। ঠিক সেই ধৰণে ডিলেট টেনেন্সী এষ্ট কৰাৰ পিছত আধিয়াৰ সকলক তলতীয়া প্রজ্ঞাৰ স্বহৃদে দিয়া হোৱা নাই। তেওঁলোকৰ নাম খতিয়ানত অন্তৰ্ভুক্ত কৰা হোৱা নাই। বক্তাব খুব ভাল ভাল কথা কোৱা হয় কিন্তু কাৰ্য্য ক্ষেত্ৰত তাৰ বিপৰীত। গতিকে কমিটিয়ে যিখিনি অনুমোদন জনাইছে তাক অচিৰে কাৰ্য্যকৰী কৰাৰ ব্যৱস্থা কৰক। এটা শক্তিশালী কমিটি গঠন কৰি ইয়াৰ বৈপ্লৱীক পৰিবৰ্তন আনিব লাগে। কাৰণ বাজহ বিভাগৰ যিটো অত্যাচাৰ দেখিছো তাক আমি সহ্য কৰিব নোৱাৰো। কেতিয়াবা মই ভাবো নক্সালাইট বিলাকেই ভাল কাম কৰিছে নেকি ? কিন্তু মই নক্সালাইটক বিশ্বাস নকৰো। গতিকে সময় থাকোতেই এটা ভাল ব্যৱস্থা কৰক নহলে বক্তাক্ত বিপ্লৱৰ শোচনা হ'ব।

Shri Biswadev Sarma (Minister Revenue) : মাননীয় উপাধ্যক্ষ মহোদয় কমিটিৰ প্ৰতিবেদনত ষিবিলাক কথা আছে সেই কথা বিলাক মই কব খোজা নাই কাৰণ কমিটিৰ প্ৰতিবেদন সকলো সদস্যৰ হাতত দিয়া হৈছে। এই কমিটিয়ে ষিবিলাক পৰামৰ্শ আগবঢ়াইছে, এই সম্পৰ্কত কেবাজনো সদস্যই সন্দেহ প্ৰকাশ কৰিছে যে এই পৰামৰ্শ বিলাক কাৰ্য্যকৰী কৰিবনে নকৰে ? চৰকাৰে এই বিলাক পৰামৰ্শ গ্ৰহণ কৰিব আৰু তাক কাৰ্য্যকৰী কৰিব তাত কোনো সন্দেহ থাকিব নালাগে। অসমৰ ভূমি সংস্কাৰ আইন বলবৎ কৰা সম্পৰ্কত সদস্যসকলে পৰামৰ্শ দিছে যে জিলা পৰ্যায়ত কিছুমান কমিটি কৰিলে ভাল হয় নেকি ? কেইমাহমানৰ অভিজ্ঞতাৰ পৰা এটা কথা গম পাইছো যে সচাকৈয়ে যদি এই আইন বলবৎ হ'ব লাগে আৰু প্ৰকৃত খেতিয়ক সকলে মাটি পাব লাগে তেনেহলে খেতিয়ক সকলৰ সংগঠনৰ জৰিয়তে যদি নকৰো, চৰকাৰৰ অফিচৰ আৰু আইনৰ সহায়ত অসমত ভূমিসংস্কাৰ কেতিয়াও হ'ব নোৱাৰে। প্ৰতিনিধিসকলৰ সংগঠিত শক্তিৰ সহায়ত যদি এই কাম নকৰো আমাৰ ভূমি আইন কেতিয়াও কৃতকাৰ্য্য হ'ব নোৱাৰে বুলি মই ভাবো। যেনেকৈ চাহ বাগিছাবনুৱা সংগঠন হৈছে আৰু তাৰ দ্বাৰা আইনবিলাক কাৰ্য্যকৰী হৈছে, ঠিক সেই ধৰণে কৃষক বনুৱা সংগঠন কৰিলেহে আইনবিলাক কাৰ্য্য-

কৰী কৰিব পৰা হব। ইয়াৰ বাবে এটা স্থায়ী কমিটি কৰিলে জিলাই জিলাই গৈ কাম বিলাক চাব পাৰিব। কাৰণ অফিচাবে জিলাই জিলাই গৈ এইবিলাক চোৱাত অনুবিধা আছে। তাৰ পিচত শ্ৰীপ্ৰফুল্ল বৰুৱাৰ মাটিৰ সংক্ৰান্তত সম্পূৰ্ণ ৰিপৰ্টটো অলপতে মোৰ হাতত আহি পৰিছে। মই এই কথা জনাব খুজিছো যে এই ক্ষেত্ৰত প্ৰফুল্ল বৰুৱাই হওক বা আন কোনোবাই হওক যথা বিহিত ব্যৱস্থা গ্ৰহন কৰা হব। চিলিং আইনৰ জৰিয়তে যিখিনি অতিৰিক্ত মাটি সেই মাটিৰপৰা উচ্ছেদ কৰিম।

Shri Dulal Chandra Barua : এতিয়া আইনৰ সোণেদি এইটো ব্যৱস্থা লোৱা হব বুলি কৈছে। আগতে return নিদিয়ে কিয় ?

Shri Promode Chandra Gogoi : বেদখল কৰাৰ কাৰণে land settlement Board এ উচ্ছেদ কৰিবলৈ প্ৰস্তাৱ পাচ কৰিছে। তাৰ পিচত বিধান সভাত উত্থাপন কৰাত তদন্ত কৰিছে। D.C এ কলে প্ৰায় এহেজাৰ বিঘা মাটি এতিয়া বেদখল কৰি আছে। আজি এবছৰ পাৰ হৈ গল উচ্ছেদ হোৱা নাই।

Shri Biswadev Sarma : ৰিপৰ্টটো অলপতে আহি পাইছে। সেই বিষয়ত যি ব্যৱস্থা লব লাগে নিশ্চয় লম, তাত কোনো সন্দেহ নাই। তাৰ পিচত ভট্টাচাৰ্য ডাঙৰীয়াই কৈছে যে কংগ্ৰেছে সমাজবাদ কৰিব নোৱাৰে। মই এইটোৰ প্ৰত্যাহ্বান গ্ৰহণ কৰিছো। আৰু কংগ্ৰেছে যে সমাজবাদী হব পাৰিব বা সমাজবাদ প্ৰতিষ্ঠা কৰিব পাৰিব, তাৰ প্ৰমাণ এই কমিটিৰ report খনে। কাৰণ এইবিলাক কথাৰ সূবছ আলোচনাৰ কাৰণেই কিতাপখন প্ৰত্যেক সদস্যকে দিয়া হৈছে।

শেষত মই কৈছোঁ যে কংগ্ৰেছেই সমাজবাদ তৈয়াৰ কৰিব লাগিব। এই কমিটিখনত যি কেইজন সদস্য আছে তাৰ প্ৰায়বিলাকেই কংগ্ৰেছ সদস্য আৰু তেওঁলোকে এনেধৰণৰ পৰামৰ্শ আগ বঢ়াইছে।

সেইকাৰণে আপোনালোকক প্ৰত্যাহ্বান কৰিছো যে সেইটো মই সাদৰে গ্ৰহণ কৰিছো।
