Mr. Speaker : Now, I call upon the Hon'ble Member Shri Pradip Hazarika to raise his Zero Hour

Motion which was published in 'Asomiya Pratidin' dated 10.3.2007 under the caption: “পহুগড়ে ৰিঙিয়ায়”।

Mr. Hazarika absent.

মাননীয় অধ্যক্ষ : “খোৱা পানীৰ সমস্যা অধিক ভয়াবহ হোৱাৰ আশংকা”।

Now, I call upon Hon'ble Member, Shri Mahibul Haque to raise his Zero Hour Motion which was publish in "Dainik Agradoot" dated 10-03-07 under the caption: “খোৱা পানীৰ সমস্যা অধিক ভয়াবহ হোৱাৰ আশংকা”।

★ শ্ৰীমহিবুল হক : মাননীয় অধ্যক্ষ মহোদয়, মই জিৰো আৱৰ মোচনত ‘দৈনিক অগ্ৰদূত’ কাকতৰ ১০-০৩-২০০৮ তাৰিখৰ বাতৰিত প্ৰকাশিত ‘খোৱাপানীৰ সমস্যা অধিক ভয়াবহ হোৱাৰ আশংকা’ বিষয়টো বিভাগীয় মন্ত্ৰী মহোদয়ৰ দৃষ্টি আকৰ্ষণ কৰিব বিচাৰিছো। এই সংক্ৰান্তত মই দুটামান কথা কবলৈ বিচাৰিছো। খোৱা পানীৰ কাৰণে কিডনী, পেটৰ বেমাৰ আদি নানা ৰোগ হয়। খোৱা পানীৰ কাৰণে আমাৰ ৰাজ্যখনৰ বিভিন্ন মানুহ বেমাৰত ভুগি আছে। ‘স্বজল ধাৰা’ আঁচনিকে ধৰি চৰকাৰে বিভিন্ন আঁচনি হাতত লৈছে। কিন্তু এইবিলাক হোৱা স্বত্বেও বিভিন্ন ঠাইত বিভিন্ন সমস্যাই গা কৰি উঠিছে যাৰ ফলস্বৰূপে গাওঁ অঞ্চল সমূহত মানুহে বিভিন্ন ধৰণে বেমাৰত আক্ৰান্ত হৈছে।

ইতিমধ্যে আমাৰ ৰাজ্যত বিভিন্ন জিলাত আৰ্চেনিক ফ্লোৰাইড আদি বিষাক্ত বীজানু বা পইজনাচ সামগ্ৰী খোৱা পানীত সোমাইছে। জনস্বাস্থ্য কাৰিকৰী বিভাগে বিভিন্ন পদক্ষেপ লৈছে যদিও বহুখিনি কাম এতিয়াও কৰিবলৈ বাকী আছে। আমাৰ চৰকাৰে মুখ্য মন্ত্ৰী শ্ৰীতৰুণ গগৈৰ নেতৃত্বত খোৱা পানীৰ বাবে অগ্ৰাধিকাৰ দি আহিছে। অসমত বৰষুণ নোহোৱা কাৰণে ভূগৰ্ভ

বহুত তললৈ নামি গৈছে যাৰ কাৰণে এই খোৱা পানীয়ে বিভিন্ন ধৰণৰ ভয়াবহ তথা জটিল পৰিস্থিতিৰ ৰূপ লৈছে। আজি গাওঁ অঞ্চলত বা চৰ বা পাহাৰ অঞ্চলত ফিল্টাৰৰ দ্বাৰা খোৱা পানীৰ কোনো ব্যৱস্থা নাই। চহৰ অঞ্চলত আছে যদিও ই পৰ্য্যাপ্ত নহয়। মই এই বিষয়টো জনস্বাস্থ্য কাৰিকৰী বিভাগৰ এজন অভিজ্ঞ অভিযন্তাক সুধিছিলো তেখেতে কলে যে এই ব্যৱস্থা গোটেই অসমত কৰিবলগীয়া হলে ৪০ কোটি টকাৰ প্ৰয়োজন হ'ব কিন্তু আমাৰ বিভাগক বৰ্তমান ৪ কোটিহে দিয়ে ধনৰ অভাবত আমি খোৱাপানীৰ প্ৰয়োজনীয়তা মিট আপ কৰিব পৰা নাই। গতিকে আমাৰ চৰকাৰে এই জনস্বাস্থ্য কাৰিকৰী বিভাগটোত আৰু বেছি গুৰুত্ব দিব লাগে। আমাৰ মাননীয় মুখ্য মন্ত্ৰী মহোদয়ে খোৱা পানীৰ কাৰণে নিজা বৰীয়াকৈ বহুত আঁচনি লৈছে সজলধাৰাকে আদি কৰি তথাপি ই পৰ্য্যাপ্ত নহয়। বৰ্তমান খোৱা পানীয়ে আমাৰ দেশত এটা ডাঙৰ সমস্যাৰূপে ঠিয় দিছে আমি দেখিছো আজি বিভিন্ন বেমাৰৰ উৎপত্তি হৈছে এই খোৱা পানী, সকলো বেমাৰৰে মূল উৎস হৈছে খোৱা পানী ই পেটৰ বিষেই হওঁক বা জণ্ডিচেই হওঁক সকলো বেমাৰৰে উৎপত্তি এই খোৱা পানী গতিকে এই খোৱা পানীৰ ওপৰত অধিক গুৰুত্ব প্ৰদান কৰিব লাগে। সেই কাৰণে বিষয়টো মই সদনৰ দৃষ্টি আকৰ্ষণ কৰিলো।

★ শ্ৰীবিহন দৈমাৰী (জনস্বাস্থ্য কাৰিকৰী মন্ত্ৰী): অধ্যক্ষ মহোদয়, আজি উত্থাপিত জিৰো আৱাৰৰ নোটিশখন মই আজি ৰাতিপুৱা পাইছো গতিকে এই বিষয়ত উত্তৰ মই পাছত দিয়াৰ ব্যৱস্থা কৰিম, অধ্যক্ষ মহোদয়ৰ অনুমতি বিচাৰিছো।

**Shri Mission Rajan Das :** Sir, I beg to draw the attention of the Minister, Revenue under Rule 54 of the Rules of procedure and Conduct of Business in Assam Legislative Assembly to the News Item appearing in the "Sentinel" dated 25th February, 2007 under the caption: "Lack of land pattas costs dearly for small growers".

শীৰ্ষক বাতৰিটোৰ মই ঋল ৪ নং মতে মন্ত্ৰী মহোদয়ৰ দৃষ্টি আকৰ্ষণ কৰিব বিচাৰিছো। এই শীৰ্ষক বাতৰিটোত ৬৫ হাজাৰ ক্ষুদ্ৰ চাহ খেতিয়কৰ দুখদুৰ্দশা সোমাই আছে। ইয়াৰ দায়িত্ব ৰাজ্য চৰকাৰৰ ৰাজহ বিভাগে লব লাগিব। এই ক্ষুদ্ৰ চাহ খেতিয়ক সকলক সহায় কৰিবৰ কাৰণে কেন্দ্ৰীয় চৰকাৰে ২০০৬-২০০৭ চনৰ বাজেটত ৫ কোটি টকা ধাৰ্য্য কৰিছিল। যি সকল সৰু সৰু চাহ খেতিয়ক তেওঁলোকে তেওঁলোকৰ ম্যাৰ্দ্দী পট্টা থাকিলে এই সাহায্যৰ কাৰণে আবেদন কৰিব পাৰে আৰু ২০ জনকৈ বেছি লগ হৈ চেলফ হেলপ গ্ৰুপ কৰিলে তেওঁলোকক আৰু কিছু বেহাই দিয়া হয়। কিন্তু এই সাহায্যৰ কাৰণে টি বোৰ্ড অৱ ইণ্ডিয়াক ম্যাৰ্দ্দী পট্টা জমা দিব লাগে। তেওঁলোকক এই টকাতো দিয়া হয় কেচামাল অনা নিয়া

★ ডাঃ ভূমিধৰ বৰ্মণ (ৰাজহ মন্ত্ৰী) : মাননীয় অধ্যক্ষ মহোদয়, মাননীয় সদস্য শ্ৰী মিশ্বন ৰঞ্জন দাস ডাঙৰীয়াই চেন্টিনেল কাকতত প্ৰকাশিত যিটো বিষয় বিধান সভাত উত্থাপন কৰিছে মই তাক গুৰুত্বসহকাৰে লৈছো। মই আগতেওঁ কৈছো আৰু বিধান সভাকো জনাইছো যে আমি প্ৰতিজন ক্ষুদ্ৰ চাহ খেতিয়কে মাটিৰ এভেলেবিলিটি চাই মাটি দিয়াৰ ব্যৱস্থা কৰিম, গ্ৰুপ হিচাবে তেওঁলোকে আবেদন কৰিলে আমি আৰু বেছি অগ্ৰাধিকাৰ দিওঁ কিন্তু তাৰ কাৰণে মাটি থাকিব লাগিব। চৰকাৰৰ ঘোষিত নীতি অনুসৰি মাটি দিয়াৰ ৩ বছৰ পাছতে ম্যাাদী পট্টা দিয়া হয়। আমাৰ মাননীয় মুখ্য মন্ত্ৰী মহোদয়ে এই ক্ষেত্ৰত বিশেষ জোৰ দি আছে আমাৰ মাতি নিও কৈছে গতিকে আমি বিষয়টো গুৰুত্ব সহকাৰে লৈছো আৰু মুখ্যমন্ত্ৰীৰ নিৰ্দেশ অনুসাৰে মাটি দিয়াৰ ব্যৱস্থা লৈছো।

**Mr. Speaker :** Now, item No.3, Shri Rameswar Teli to

draw the attention of the Minister, Health & Family Welfare by raising the matter under Rule 301 of the Rules of Procedure and Conduct of Business in Assam Legislative Assembly relating to. “২০০১ ইংৰাজী চনৰ পৰা স্বাস্থ্য সঞ্চালকৰ কাৰ্যালয়ৰ চৰকাৰী কৰ্মচাৰী মন্ত্ৰী বিধায়ক সকলৰ চিকিৎসাজনিত ফাইল অনুমোদন নোহোৱাকৈ পৰি থকা বাবে সেইসকলৰ যন্ত্ৰনাৰ কাৰণ হৈছে”।

### MATTER UNDER RULE 301

শ্ৰীৰামেশ্বৰ তেলী : মাননীয় অধ্যক্ষ মহোদয়, অসম বিধান সভাৰ ৰুল আৰু কাৰ্য্য পৰিচালনাৰ ৩০১ নং নিয়ম মতে “২০০১ চনৰ পৰা স্বাস্থ্য সঞ্চালকালয়ৰ কাৰ্যালয়ত চৰকাৰী কৰ্মচাৰী, মন্ত্ৰী, বিধায়ক সকলৰ চিকিৎসা জনিত ফাইল অনুমোদন নোহোৱাকৈ পৰি থকা বাবে সেই সকলৰ যন্ত্ৰনাৰ কাৰণ হৈছে”। এই বিষয়টো সদনত উত্থাপনৰ কাৰণে অনুমতি দিয়াৰ কাৰণে মই আপোনাক ধন্যবাদ জনাইছো।

মাননীয় অধ্যক্ষ মহোদয়, স্বাস্থ্য থাকিলেহে যি কোনো কাম কৰিব পাৰি। স্বাস্থ্য অবিহনে একো কৰিব নোৱাৰি। এই খিনিতে মই এটা জৰুৰী কথা কব বিচাৰিছোঁ, মই দুবাৰকৈ বিধায়ক হৈছো আৰু অন্যান্য বিধায়ক সকলৰো কথা কওঁ যি সকল ৰোগত আক্ৰান্ত হৈছে তেখেত সকলে চৰকাৰী সাহায্য পায়। চৰকাৰী কৰ্মচাৰী সকলেও পায় মন্ত্ৰী সকলেও পায়। আজি কোনোবা এজন যদি ৰোগত আক্ৰান্ত হয় আৰু অসমৰ বাহিৰলৈ চিকিৎসাৰ বাবে যাবলগীয়া হয় তেনে হলে স্বাস্থ্য সঞ্চালকালয়ৰ কাৰ্যালয়ৰ পৰা অনুমোদন লব লাগে। এই অনুমোদন লবলৈ যাওঁতে যি যন্ত্ৰনাৰ সন্মুখীন হবলগীয়া হয় সেইটো মই বিধায়ক হৈ গম পাইছো। কাৰণ যোৱা পাঁচ বছৰ বিধায়ক হৈ থকা

কালত মোৰ এটা ডাঙৰ ৰোগ হৈছিল আৰু মই স্বাস্থ্য সঞ্চালকালয়ৰ পৰা অনুমোদন লৈ দিল্লীৰ এপ'ল' হস্পিটাললৈ গৈ চিকিৎসা কৰাইছিলো। ২০০৪ চনৰ আগষ্ট মাহৰ সেই বিল কিন্তু আজিও এই বছৰলৈকে পোৱা নাই। এই দৰে মই জনাত আমাৰ আৰু বহু বিধায়ক আৰু মন্ত্ৰী আৰু কৰ্মচাৰীৰো ফাইল স্বাস্থ্য সঞ্চালকায়ত দ'ম হৈ পৰি আছে। আনকি প্ৰাক্তন মন্ত্ৰী ৰামেশ্বৰ ধানোৱাৰ দেৱৰ ফাইলো আজিলৈ পৰি আছে। বৰ বেছি টকাৰ বিলো নহয় ১ লাখ ৮০ হাজাৰ টকাৰ বিল, সেই বিলখনেই বোলে হেৰাল। তেনেহলে ভাবি চাওঁক আমাৰ বিধায়ক সকলৰ ক্ষেত্ৰত কি অৱস্থা হ'ব পাৰে? আৰু আমি বিৰোধী পক্ষৰ বিধায়কৰ অৱস্থাটো নকলেও হ'ব। আমি জনাত এনে কৰ্মচাৰীৰ বিল আজিও পৰি আছে যিজন কৰ্মচাৰী ইতিমধ্যে ৰোগত ভুগি মৃত্যুৰ মুখত পৰিল, ইহসংসাৰত আৰু তেওঁ নাই। মোৰ ওচৰত তেনে ৰেকৰ্ড আছে। মৃত্যু হোৱাৰ পাছতো কিন্তু বিল পাছ হোৱা নাই। মই মাননীয় স্বাস্থ্য মন্ত্ৰী মহোদয়ক অনুৰোধ জনাওঁ যাতে চৰকাৰী এটা 'চেল' খুলিব লাগে যাৰ দ্বাৰা আমাৰ বিধায়ক আৰু মন্ত্ৰী সকল যাতে হাৰাশাস্তিৰ সন্মুখীন হ'ব নালাগে। এই কথাটোৰ প্ৰতি মন্ত্ৰী মহোদয়ৰ দৃষ্টি আকৰ্ষণ কৰিলো।

অধ্যক্ষ মহোদয়, মই দ্বিতীয়বাৰ যদি বিধায়ক হৈ নাহিলোহেতেন তেতিয়াহলে মোৰ এই বিলৰ কি অৱস্থা হ'ল হেতেন নাজানো। কাৰণ মই এই দ্বিতীয়বাৰ বিধায়ক হৈ অহাৰ পিচত এতিয়া ফাইলটো অলপ ইফাল সিফাল হৈছে বুলি গম পাইছো অথচ ২০০৪ চনৰ আগষ্ট মাহৰে বিল। এইটো অকল মোৰ ক্ষেত্ৰতে নহয় বহু বিধায়ক, মন্ত্ৰী আৰু চৰকাৰী কৰ্মচাৰীৰ ক্ষেত্ৰতো হৈছে। সেয়ে এই বিষয়টোৰ প্ৰতি মই মন্ত্ৰী মহোদয়ক অনুৰোধ কৰিছো সেই বিষয়টোৰ প্ৰতি এক বিশেষ দৃষ্টি দিব। যাতে আমাৰ মন্ত্ৰী বিধায়ক সকলে অযথা এই ক্ষেত্ৰত হাৰাশাস্তি খাবলগীয়া নহয়। অধ্যক্ষ মহোদয়, মই এটা কথা ক'ব খুজিছো যে আমি বিধায়ক নিৰ্বাচিত হৈ আহিছো, আমাৰ সমষ্টিৰ মানুহ বিলাক আমাৰ ওচৰলৈ আহে, কোনোবা কেম্বাৰত ভুগিছে, কোনোবা টি বিত

ভূগিছেবা অন্যান্য বেমাৰত ভূগিছে, আমাৰ ওচৰলৈ সাহায্য বিচাৰি আহে আমি একো দিব নোৱাৰোঁ সেয়ে দুখ পাওঁ। কাৰণ আমাৰ বিধায়ক পূঁজিৰ পৰা এই ক্ষেত্ৰত দিয়াৰ নিয়ম নাই বা অন্যান্য আমি আৰ্থিক অনুদানো এই বিলাক ক্ষেত্ৰত দিব পৰাকৈ একো নাপাওঁ। সেয়ে অধ্যক্ষ মহোদয়, মই আপোনাৰ জৰিয়তে অনুৰোধ জনাইছো মন্ত্ৰী মহোদয়ক যাতে আমাৰ বিধায়ক সকলক এই ক্ষেত্ৰত সহায় কৰিব পৰাকৈ ১ লাখ বা ২ লাখ টকা ধাৰ্য্য কৰক যাতে আমি এই ৰোগাক্ৰান্ত সকলক আৰ্থিক সাহায্য অলপ হলেও দি সকাহ দিব পাৰোঁ। এইটো হলে অধ্যক্ষ মহোদয় আপোনাৰো ভাল হব।

সকলোৰে উপকাৰ হব। অধ্যক্ষ মহোদয় আমি জানো ইতিমধ্যে জীৱন জ্যোতি আচনি' আমাৰ ৰাজ্যত আৰম্ভ কৰিছে। এই আচনিৰ অধীনত ৰোগীয়ে দুই হাজাৰ বা চাৰিহাজাৰ টকা আৰ্থিক সাহায্য পায়। কিন্তু যি কষ্টৰ বিনিময়ত এই টকা কিটা পায় সেয়াও আমি জানো। সেয়ে অনুৰোধ কৰিছো যাতে আমি বিধায়ক সকলে যাতে ৰাইজক অলপ সহায় কৰিব পাৰোঁ তাৰ বাবে ১-২ লাখ টকাকৈ দিব লাগে।

(ভইচ : ১০ লাখ টকা দিব লাগে, এক, দুই লাখৰে কি হব?)

কোৱাটো ডাঙৰ কথা নহয় মই ৫০ লাখ বুলিও কব পাৰোঁ, কিন্তু দিব নোৱাৰিব পাৰে সেয়ে মই কমকৈয়ে কৈছো। মই দীঘলীয়া কৰিব বিচৰা নাই এটা কথা মাত্ৰ কব বিচাৰিছো যে চৰকাৰে ডাইৰেক্ট আপোনাৰ যোগেদি আমাৰ বিধায়ক সকলক এই টকাতো পোৱাৰ ব্যৱস্থা কৰি দিলে সন্তোষ পাম। যাতে আমি অনাহকত স্বাস্থ্য সঞ্চালকালয়ৰ কাৰ্য্যালয়ত চক্কৰ কাটিবলগীয়া নহয়। মই জনাত আমাৰ ১৯ জন বিধায়কৰ ফাইল এইদৰে এই কাৰ্য্যালয়ত পৰি আছে। সেয়ে মন্ত্ৰী মহোদয়ৰ পৰা এই ক্ষেত্ৰত এটা সদুত্তৰ পাম বুলি আশাকৰি মই সামৰণী মাৰিলো।

ডঃ হিমন্ত বিশ্ব শৰ্মা (মন্ত্ৰী) : মাননীয় অধ্যক্ষ মহোদয়, মাননীয় সদস্য শ্ৰীৰামেশ্বৰ তেলী ডাঙৰীয়াই ৩০১ ৰ নিয়মৰ অধীনত যিটো

বিষয় আনিছে সেইটো হ'ল বিধায়ক সকলৰ মেডিকেল বিল সম্পৰ্কত। তেখেতৰ কথাটো মানি লৈছো। কিন্তু মই এটা কথা কব বিচাৰিছো যে বিধান সভাৰ বাহিৰত এনেকুৱা এটা ছবি হ'ব নালাগে যে আমি মন্ত্ৰী বা বিধায়ক সকলে নিজৰ ১৯ টা ফাইল লৈ ব্যস্ত আছে। মই স্বাস্থ্য মন্ত্ৰী হিচাবে স্বীকাৰ কৰিছো যে অসমৰ বহুটো দুখীয়া শিক্ষক, কৰ্মচাৰীৰ মেডিকেল ৰি-ইমবাৰ্চমেণ্টৰ ফাইল স্বাস্থ্য সঞ্চালকৰ কাৰ্য্যালয়ত পৰি আছে। মই অকল বিধায়ক সকলৰ পৰিপ্ৰেক্ষিতত উত্তৰ দিব বিচৰা নাই। বিধায়ক সকল হৈছে ৰাইজৰ প্ৰতিনিধি। বিধায়ক সকলৰ মেডিকেলৰ বিল বিধানসভা সচিবালয়তে হয়। প্ৰত্যেক বিভাগে নিজে বিল ক্ৰিয়া কৰে। বাজেট নিজৰ নিজৰ বিভাগতে থাকে। কোনখন বিল পাব লাগে বা নালাগে, সেইটোৰ কাৰণেহে স্বাস্থ্য বিভাগলৈ আহে। কেচটো ৰেফাৰেল হয়নে নহয় সেইটো স্বাস্থ্য বিভাগে চাব লাগে। মই নিজে স্বাস্থ্য সঞ্চালকালয়ত বহি দেখিছো যে ৩-৪ টা কথাৰ কাৰণে খেলিমেলি বিলাক হয়। কেতিয়াবা ৰেফাৰ নকৰাকৈও বাহিৰলৈ চিকিৎসাৰ কাৰণে ৰোগীসকল গুছি যায়। সেই বিলাক হঠাৎ হোৱা বেমাৰ। ভাল হস্পিটাললৈ ভাল চিকিৎসাৰ কাৰণে যায়। পিচত ঘূৰি আহি যেতিয়া বিল দিয়ে তেতিয়া কাৰ্য্যালয়ত কয় যে আগতে পাৰ্মিচন নোহোৱাকৈ গৈছে গতিকে এতিয়া অসুবিধা হ'ব। এপ্ৰোভ কৰা টান হ'ব। কেচটো হয়টো জেনুইন কেচ। এইবিলাকৰ সুযোগ লৈয়েই এটা অসাধু চক্ৰ গঢ়ি উঠিছে। যিহেতু প্ৰায়ৰ এপ্ৰোভেল লোৱা নাই সেই কাৰণে জেনুইন কেচ হলেও এটা অসাধু চক্ৰই এই সুবিধাটো লব বিচাৰে। এই অসাধু চক্ৰটোৱে ইন-জেনুইন কামো কৰি আছে। আনকি এপলোৰ ৰাইটিং পেড লৈও কাম কৰি আছে। আচলতে জেনুইন মানুহকহে সহায় কৰিব লাগে। কিন্তু এই চক্ৰটোৱে ইন-জেনুইন কেচটো সহায় কৰি আহিছে। যোৱা বছৰত কেইবাটাও এনেকুৱা কেচ ধৰা পৰিছে। আৰু কেবাটিও গোচৰ দিয়া হৈছে। আনকি মই কেতিয়াবা ফৰৱাৰ্ড কৰি দিলেও সঞ্চালকৰ কাৰ্য্যালয়ত কয় যে এইটো ভালকৈ চাব লাগিব কাৰণ নহলে আমি জেলত যাব লাগিব। ইয়াৰ মানে এইটো নহয়

Hon'ble Speaker Sir,

I rise to present the detailed Statement of the estimated receipts and expenditure of the Government of Assam for the financial year, 2007-08.

2. Before I proceed to present the detailed budget proposals, I would like to apprise this august House about the prevailing economic environment in the country as well as in the State and the context in which I am going to submit the State budget proposals for the ensuing financial year for consideration of the Hon'ble Members.
3. According to the Economic Survey, 2006-07 published by the Government of India, GDP growth rate for the country as a whole was 9.0 percent in 2005-06 and 9.2 percent during the current financial year 2006-07 so far. By most accounts they surpassed expectation. The projected growth rate for the Eleventh Five Year Plan (2007-08 to 2011-12) has been pegged at 9 percent as compared to 8 percent targeted by Tenth Plan. Leading rating agencies like Standard and Poor's and Moody's have upgraded India's sovereign rating to investment grade from speculative grade. However, despite vigorous growth with strong macro-economic fundamentals that has characterized the national economy during the last

few years, slow growth rate of agriculture and the looming threat of inflationary pressure on the price front are causing serious concern. In terms of the Wholesale Price index, annual point to point inflation was 6.11 percent on January 20, 2007. The inflation rate in the corresponding period of the previous year was 4.24 percent. As per advanced estimate, the growth rate of agriculture and allied sector has fallen to 2.7 percent in 2006-07 as compared to 6 percent in 2005-06 (quick estimates).

4. Coming to the State economy, I would like to apprise the Hon'ble Members that the growth rate of Assam's Gross State Domestic Product (GSDP) in real terms at constant (1999-2000) price is going to be 5.9 percent during the current year (as per advanced estimates). This was 5.9 percent during 2005-06 also and 5.3 percent in 2004-05. Hon'ble Members will surely agree with me that this is a significant improvement over the 2.8 percent and 2.1 percent GSDP Growth rate of Assam during the entire Eighth and Ninth Plan periods respectively. The GSDP of Assam during 2005-06 has been worked out at Rs.46,393.32 crore at constant (1999-2000) prices and Rs.57,596.96 crore at current prices as against Rs.43,806.38 crore and Rs.51,322.64 crore

respectively during 2004-05. The NSDP of Assam in 2005-06 were Rs.52,499.61 crore and Rs.42,201.55 crore at constant (1999-2000) prices. As per advance estimates the NSDP growth rate in real terms is expected to be 6.0 percent during 2006-07. The per capita NSDP of Assam at constant (19992000) prices and current prices were Rs.14,950 and Rs.18,598 respectively during the year 2005-06. As per advance estimates for the year 2006-07 the same were expected to increase to Rs.15,585 and Rs.20,143 respectively.

5. On the price front we witnessed an increasing tendency in Assam also during the recent past. This is largely attributable to the inflationary pressure witnessed in the country as a whole. Many essential commodities including some foodstuff and construction materials like cement come to Assam from other States. Price rise of such commodities at source, withdrawal of 6 percent railway freight concession from the North-east and increase in freight charges by about 11% to 36% as a result of reclassification of goods by the Railway Authorities are also responsible for rise in prices of some commodities in the State. We are taking all necessary steps to ensure that there is no hoarding of essential commodities

leading to any artificial and abnormal hike in prices. I have also put in place a system for monitoring the price situation on a weekly basis in consultation with the Chambers of Commerce and representatives of wholesalers and retailers. In his 2007-08 budget speech the Union Finance Minister has proposed to reduce the present rate of excise duty of Rs.400 per metric tonne to Rs.350 per metric tonne on cement which is sold in retail at not more than Rs.190 per bag. But on cement whose MRP is higher than Rs.190 per metric tonne, he has proposed to raise the excise duty to Rs.600 per metric tonne. MRP of cement in Assam is mostly above Rs.190 per bag. As such the above proposal of the Union Finance Minister is going to hit Assam hard. I propose to take the matter up with the Union Finance Minister.

6. Although the GSDP growth rate of Assam has risen significantly as compared to 2.8 percent and 2.1 percent during the Eighth and Ninth Plans respectively, at 5.9 percent it is still below the national average of 9.2 percent. Hon'ble Members are aware that the Eleventh Five Year Plan will be launched from 1st April 2007. As against the targeted national GDP growth rate of 9 percent for the Eleventh Five Year Plan period

(2007-2012), Planning Commission has proposed a growth rate of 6 percent for Assam. My goal is to catch up with the all India GDP growth rate. I am quite confident that by 2011-12 Assam should achieve a GDP growth rate of 9 percent with an average annual growth rate of 7.5 to 8 percent during the 11th Plan period. This will require substantial improvement in the quality and efficiency of our infrastructure and public service delivery system. My Government's policies and actions will be guided by these underlying priorities.

7. For the past few decades the economic development of the State suffered mainly because of :
- a) Natural calamities like flood
  - b) Insurgency related violence and its adverse effects on the investment climate
  - c) Debilitating financial position of the State Government, and
  - d) A defeatist mindset caused by years of economic stagnation.

We may not have any control over natural calamities like flood. As I go by I shall apprise this august House about the steps I propose to take for mitigation of floods and erosion. The other three problems are, however, essentially man made. Their solutions will necessarily have to

come from us. Although there have been killing of some innocent people by the ULFA and other in-surgent groups from time to time, there is no denying the fact that the overall internal security scenario of the State has improved remarkably in the recent past. The fear psychosis which crippled the civil society till very recently is no more. The mindset of the people, particularly of the younger generation, has also changed. Fear and despondency have given way to confidence, hope and a forward looking outlook. The grand success of the recently concluded 33rd National Games has amply proved this point. It was indeed heartening to see the mass enthusiasm and their whole-hearted participation in the Games. Through the flawless conduct of the National Games the people of Assam has emphatically proved that they are capable of doing big things. After years of financial paralysis, I have been able to restore the financial health of the State and place it on a path of sustainable long term fiscal stability. After many years the State Government find itself in a position to think big for all round development of the State with the confidence and comfort of a healthy exchequer.

8. As the Hon'ble Members are aware, till recently the Government of Assam was passing through a

severe financial crisis. However, from 2001-02 we have been taking a number of corrective measures. As a result of this the State finances have improved considerably. The revenue deficit, which was Rs.779.48 crore in 2000-01, came down to (-) Rs.291.87 crore in 2004-05 and turned into a surplus of Rs.1509.08 crore in 2005-06. Similarly, fiscal deficit, which was Rs.1539.96 crore in 2000-01 has turned into surplus of Rs.355.71 crore in 2005-06. On the receipt front, tax revenue of the State Government has increased from Rs.1409.69 crore in 2000-01 to Rs.3232.21 crore in 2005-06 and non-tax revenue has gone from Rs.526.77 crore in 2000-01 to Rs.1459.28 crore in 2005-06. Overall revenue collection from the own taxes and non-tax as well as transfer from the Centre has shot up from Rs.5637.64 crore in 2000-01 to Rs.12045.39 crore in 2005-06. Share of State's own revenue receipts (Tax and Non-Tax) in the total revenue receipts has increased from 34.35 percent in 2000-01 to 38.95 percent in 2005-06. On the other hand, central share in total revenue receipts has declined from 65.65 percent to 61.05 percent. This is an indicator of our growing self reliance. With the sustained effort of the Government, the share of State's own tax collection in overall revenue

receipt has increased as compared to increase of central transfer. On the fiscal front State Government has attained tremendous success in reducing the ratio of revenue deficit to revenue receipt from 20 percent in 1999-2000 to 2.94 percent in 2004-05 and attained a positive ratio of 12.53 percent of revenue surplus to revenue receipts in 2005-06. Thus, the FRBM target and 12th' Finance Commission Debt relief stipulation of reduction of revenue deficit to zero by 31st March 2009 has been fully achieved well before time.

9. I would like to assure this august House that our financial reform programme under ADB funded Assam Governance and Public Resource Management Programme [AGPRMP] will continue. We are schedule to finalize and implement Sub Programme-II of AGPRMP from the next financial year. Similarly, reform of the public sector enterprises including closure and revitalization of the sick ones will also continue. So far we have released Rs.253.05 crore for OTS payment against defaulted dues of the State level PSUs and Rs.140.98 crore for VRS payment. I have provided Rs.60.00 crore and Rs.137.65 crore for OTS and VRS payment respectively for the next fiscal.

10. AFC- The Assam Financial Corporation [AFC] had played' a vital role in the past for the development of Small and Medium Industries [SMEs]. Due to its weak financial position arising out of poor recovery and various other reasons, it was compelled to stop lending to our entrepreneurs. I have decided to revitalize the AFC and have already released Rs.64 crore to liquidate its outstanding dues against State Government guaranteed SLR Bonds. There still remains a balance of Rs.10.42 crore of such un-discharged SLR Bonds. This is also being released before 31st March 2007. With this Assam Financial Corporation will be fully free from any un-discharged SLR Bond liability. As a result of this AFC will be able to source financing from the market at competitive rates and resume their onlending operation to the small and medium scale industries in the State in full swing.
11. Another reform measure undertaken by the State Government is pension reforms. Pension liabilities of the State Government have been rising relentlessly and exponentially. For instance, financial outflow on account of pension payments to retired State Government employees has increased from Rs.180.40 crore in 1995-96 to Rs.1011.48 crore in 2005-06. Increase in the

number of pensioners, enhancement of the pensionary benefits following Pay Commission recommendations, merger of 50 percent Dearness Relief with basic pension and increasing life span of the pensioners are the underlying causes of the exponential growth of pension liabilities. The Government of India has meanwhile announced a Contributory Pension Scheme for their employees. In line with Government of India policy, the State Government has also taken a decision in principle to switch over to a Contributory Pension Scheme which will be applicable to the new employees who have joined State Government service on or after 1st February, 2005. Details of the new scheme will be notified and implemented after finalization of the same by Government of India, which is expected soon.

12. Hon'ble Members are aware that till March 2005 the loan proceeds of Externally Aided Project (EAP)s were transferred by the Centre to the special category States including Assam as 90 percent grant and 10 percent loan. However, under the, 12th Finance Commission award Government of India decided to transfer such external loans to all states on a back-to-back basis, i.e., as 100 percent loan. I took up the matter strongly with Government of India. I would like

to thank Hon'ble Prime Minister of India Dr. Manmohan Singh for his positive intervention in the matter. I am happy to inform you that Government of India has now agreed to continue the earlier pattern of 90 percent grant and 10 percent loan for the special category states. We have now accelerated our efforts to avail substantial World Bank assistance for PWD Roads project and ADB assistance for flood mitigation as well as for financial sector reforms. As a result of continuance of 90 : 10 pattern of funding EAP projects, Assam will stand to benefit about Rs.2655 crore on account of the three above mentioned projects alone.

13. Assam's Annual Plan size for 2007-08 has been fixed at Rs.3,800 crore as compared to Rs.3,507 crore in 2006-07. Hon'ble Members may like to note that the Annual Plan size of Assam has increased significantly during the last few years. In 2000-01 it was only Rs.1,520 crore. More than half of this outlay had to be spent on payment of plan salary and wages. Another 20 percent of normal central assistance for the plan was diverted to meet non-plan deficit. In next year's plan outlay of Rs.3,800 crore salary and wages comprise only Rs.10.30 crore, which is less than 1 percent of the total outlay. Moreover, instead of

diverting any plan fund for meeting non-plan deficit, the State Government has made a positive contribution of Rs.271.68 crore from its own resources for 2007-08 annual plan.

14. In making the sectoral allocation for 2007-08 annual plan, a conscious effort has been made to provide maximum possible amount as State share against various Centrally Sponsored Schemes with a view to maximizing the flow of corresponding central shares to the State. As compared to Rs.537 crore in 2006-07, an amount of Rs.600 crore has been provided as State share for this purpose in 2007-08. Out of this Rs.300 crore will be available as State share towards various rural development programme, Rs.70 crore for the Special Nutrition Programme, Rs.50.69 crore for the Power Sector, Rs.40 crore for Accelerated Rural Water Supply Scheme and Rs.30 crore as State share for the Mid-day Meal Programme for school children. It is hoped that this State share coupled with the corresponding central shares will give a significant boost to implementation of important centrally sponsored schemes in the above mentioned sectors. Agriculture and the allied sectors have been given the highest priority with 12 per cent of the total plan allocation. Development of trade, industry, commerce and the services

sectors have also been given due importance with focus on employment generation.

State's annual plan 2007-08 includes an amount of Rs.984.91 crore towards various Externally Aided Projects (EAP). Another highlight is that it includes an amount of Rs.400 crore, which is all time high, as one-time Additional Central Assistance grants for various projects/schemes to be prioritized by the State Government.

Kalpataru, Gyanjyoti and Dharmajyoti schemes have become very popular. I propose to continue them in the next financial year also. Accordingly, a provision of Rs.40 crore has been made for Kalpataru in 2007-08 annual plan. Under the revised guidelines which have become effective from the current year benefits under Kalpataru will be available for the members of the Self Help Groups also. Provision of Rs.1.00 crore each for Gyanjyoti and Dharmajyoti programmes and Rs. 1.5 crore for the Randhan Jyoti programme have also been kept in 2007-08 budget. Similarly, Rajiv Gandhi Computer Literacy Programme will also be continued in the next financial year and a provision of Rs.25.00 crore have been kept. Distribution of computers to bright students under Anandoo Ram Barooah

Award Scheme has become very popular. This scheme Will be continued and an amount of Rs.20.00 crore have been kept for this in 2007-08 budget.

15. Hon'ble Members are aware that the extent and intensity of institutional credit in Assam is much less than in other parts of the country. As against a credit deposit ratio of 72 percent for India, the credit deposit ratio of Assam was 45.51 percent as on 31st March 2006, which improved to 48.82 percent in September 2006.

I am happy to inform the Hon'ble members that the RBI in consultation with the State Government has adopted a new Credit Policy for the North East. This 'Financial Sector Plan', launched in October 2006, includes specific interventions like No Frills Accounts, General Credit Cards, etc. aimed at enhancing credit delivery and absorption in the State. The vexed issue of land collateral for loans has also been sought to be resolved. A Committee chaired by the Chief Secretary will monitor the implementation of this Plan.

The State Government is committed to ensure easier access to bank credit in the rural areas. The Share Capital of Rs.13.40 crore that

was due to the Regional Rural Banks [RRBs] from the State Government since 1996-97 has been fully released during this year. Strengthening of the RRBs will facilitate easier flow of credit to the agriculture and rural industries.

16. Welfare of the Scheduled Tribes, both in the Hills and the Plains, Scheduled Castes and other Backward Classes have always been very high in my list of priorities. For 2007-08 I have significantly augmented the plan allocations meant for them. The allocation of TSP have increased to Rs.33.58 crore from Rs.26.02 crore in 2006-07. Similarly, allocation for SCSP has also been increased to Rs.81.09 crore from Rs.54.16 crore in 2006-07. The allocation for BTC has also been increased to Rs.130.00 crore from Rs.104.00 crore in 2006-07. So far Government of India has released an amount of Rs.210.26 crore to the State Government against projects to be implemented exclusively in BTC area from the Non-Lapsable Pool. State Government has to release this amount to BTC as per guidelines laid down by Government of India. Till now State Government has released Rs.141.58 crore to the BTC. I have kept necessary provision in 2007-08 budget for expeditious release of the balance Rs.68.68 crore to the BTC. I hope that State Level Standing Committee

constituted under the guidelines of the Government of India will approve the remaining proposals received from BTC without any delay so that balance amount can be released to BTC as early as possible. The allocation for the six other Autonomous Councils, viz., Mishing Autonomous Council, Rabha Hasong Autonomous Council, Tiwa Autonomous Council, Deuri Autonomous Council, Sonowal Kachari Autonomous Council and Thengal Kachari Autonomous Council have also been increased to Rs.59.09 crore from Rs.45.63 crore in 2006-07.

17. Protection, preservation and promotion of cultural heritage of the indigenous tribes of Assam will be given priority. I have kept a provision of Rs.10.00 crore in 2007-08 plan budget for establishment of a Integrated Tribal Culture Research and Demonstration Project. I have also kept a provision of Rs.1.00 crore in next year's non-plan budget for establishment of a cultural complex at Sonapur near Guwahati to showcase the cultural heritage of the State.
18. All-round development of the two hill districts will continue to be given high priority in the next financial year also. Allocation for the two hill District Councils out of the normal State plan has been stepped up from Rs.90.00 crore in 2006-07

to Rs.124.00 crore in 2007-08. This has been further supplemented by Special Central Assistance amounting to Rs.92.90 crore. Thus total plan allocation for the two hill District Councils for 2007-08 will be Rs.216.90 crore.

19. All-round socio-economic development and welfare of the Tea Tribes occupies a high position in my list of priorities. I propose to enhance the plan allocation for this purpose from Rs.10.00 crore in 2006-07 to Rs.23.00 crore in 2007-08. Similarly, I propose to increase the plan allocation for welfare of the minorities and development of the Char areas from Rs.7.10 crore in 2006-07 to Rs.17.00 crore in 2007-08. Plan allocation for the remote and difficult border areas is also proposed to be raised from Rs.11.00 crore in 2006-07 to Rs.14.52 crore in 2007-08. Provision of road connectivity, drinking water, health and educational facilities, power supply and generation of employment will be given emphasis in these special problem areas.
20. The State Government's initiative to expedite allotment, settlement and conversion of lands in rural areas to give the benefit of title and credit worthiness to the poor farmers is continuing. Since May 2001, Revenue Department has already allotted more than 1.23 lakh bighas of land to

39,854 landless families. Further an area of 87,587 bighas of land has been settled with 22,231 families. The exemption from Payment of land revenue by the small and marginal farmers owning land up to 6 bighas is continuing.

To augment resources, the State Govt. has issued directions to strictly enforce the provisions of the amended Indian Stamp (Assam) Amendment Act 2003. Till the third quarter of the financial year 2006-07, an amount of Rs.39.29 crore has already been collected by way of Stamp duty.

21. At present there are 13 numbers of on going flood protection and anti erosion schemes in the Brahmaputra and Barak Valleys. Along with the continuing schemes, it is proposed to take up 20 new schemes during the next financial year: For this purpose resource will be available from State Plan, RIDF, North Eastern Council and NLCPR. An amount of Rs.214.95 crore has been proposed in 2007-08 budget as against Rs.199.32 crore in the current year. For maintenance and repair of existing flood control and anti-erosion schemes, I propose to raise the non plan budget provision to Rs.20.00 crore in the budget 2007-08 as against Rs.6.38 crore in 2005-06. For providing Technical Assistance to the Assam Integrated Flood Management and Erosion Mitigation Project, the

Asian Development Bank has sanctioned Rs.4 crore as grant and this work will start during this year. The main project will involve an expenditure of Rs.1600 crore (approximately). It is proposed to be funded by ADB.

22. Assam is primarily an agrarian economy with nearly 87% of its population living in the rural areas and nearly 70% of them being dependent on agriculture and the allied sectors for their livelihood. Hence, the importance of agriculture and horticulture in our development priorities needs no emphasis. Normally it is flood and erosion that adversely affects our agricultural development. Last year however, it was an abnormal drought like situation that impeded agricultural growth in the State. The State Government took a number of schemes to tackle this situation. For the various schemes like supply of diesel, free tractorization and supply of free inputs like seeds etc. an amount of Rs.35 crore was released. Agriculture is a major component of the Assam Agriculture Competitiveness Project. Installation of shallow tube wells, low lift pumps, distribution of tractors and power tillers, as well as provision of irrigation facilities through sprinklers, will be continued under this project in the next fiscal also.

Further, the Horticulture Technology Mission brought 4580 hectares of land under area expansion programme and 255 hectares of land under assured irrigation. 77 nos. of power tillers were distributed to farmers in addition to setting up of 72 nos. of Vermi-compost units. 1387 nos. of farmers were trained, both within and outside the state. Cultivation of Cashew nut has been introduced successfully. Its area coverage has increased substantially from 50 hectares in 2000-01 to 2050 hectares.

During 2007-08, the State Government proposes to distribute inputs such as Power Tillers, LLPs, Power Threshers, Hand Compression Sprayers, Soil Testing Kit, Bio Fertilizer and Bio pesticides, small improved agricultural implements etc. to agriculturists having Kishan Credit Cards. The Government also proposes to give a thrust to agricultural mechanization through distribution of tractors and creation of Fertilizer Sale Depots in each district.

The total budget allocation for agriculture sector for 2007-08 is proposed for Rs.365.50 crore against current year allocation of Rs.327.52 crore.

23. In view of the severe drought-like situation last year, I have provided interest relief of 2 percent to all farmers on crop loans up to Rs.20,000, disbursed during the current fiscal [2006-07]. The scheme is being implemented through NABARD and is in addition to the similar scheme of Union Government. With access to cheaper credit, our 2.7 million farmers will be able to make good their kharif losses to a large extent through intensive rabi cultivation.

I have also decided to revive and revitalize our 754 Primary Cooperative Credit Societies [PCCS] operating at the grass root level. The GPSSs will be geared up to function as a single window delivery point for all agriculture inputs like credit, seeds, fertilizers, tools & equipment to farmers at their doorstep. At the first instance, I am arranging to release an amount of Rs.20.83 crore for liquidating the principal debt of these credit societies so that they can resume lending to our farmers. .

24. Assam is one of the Bio-diversity hot spots in the world. We have hardly exploited the commercial value of the indigenous herbs and medicinal and aromatic plants. I propose to take steps for popularization and commercial plantation of such plants. For this purpose I have provided an

amount of Rs.1.00 crore in 2007-08 in Forest Department's budget. Forest Department will set up medicinal and aromatic plant gardens and nurseries in different districts of the State.

25. Out of the State's estimated total irrigation potential of 27 lakh hectares, Irrigation Department has so far been able to create 6.87 lakh hectares of irrigation potential. At present there are 7 numbers of on going major and medium irrigation projects. The number of on going minor irrigation projects is 1180. A target of creating additional irrigation potential of 5200 hectares under major and medium irrigation projects has been fixed for 2007-08. For this purpose Rs.30.00 crore will be available as Additional Central Assistance under the State plan. This amount will be further augmented by an amount of Rs.55.00 crore under AIBP for which Rs.8.00 crore has been provided as State share under the State plan. Similarly, under minor irrigation sector, it has been decided to create additional 9100 hectares of irrigation potential at an estimated cost of Rs.54.74 crore with loan assistance from NABARD under RIDF and central loan assistance under AIBP.

To upgrade the Rural Infrastructure in a time bound manner in four years under the 'Bharat

Nirman Programme', Assam has contemplated to bring another 1, 14,603 hectares by taking up works in Major/Medium and Minor Irrigation Schemes by 2009 for which an amount of Rs.402.26 Crore will be required. The work is in progress with the help of funding under AIBP, NABARD and State Plan.

In addition to creation of new Irrigation facilities, I am equally concerned with proper maintenance and repairing of Irrigation infrastructures that have already been created. For this purpose, I propose to raise the non-plan budget allocation for maintenance and repair from Rs.1.97 crore in 2006-07 budget estimate to Rs.6.05 crore in 2007-08. I shall not hesitate to provide more fund for repair, maintenance and restoration of the idle capacity already created.

26. The State Government has given special emphasis on rural water supply programme through provision of safe drinking water for problem habitations in the line of Bharat Nirman Programme objectives. During 2006-07, against the target for coverage of 144 Nos. of Not Covered (NC) and 2500 Nos. Partially Covered (PC) habitations through spot source and piped water supply programmes, we have been successful in covering 57 Nos. of Not Covered (NC) and 1652 Nos. of Partially Covered (PC) habitations so far.

Under Bharat Nirman Programme, full coverage of Comprehensive Action Plan (CAP99) along with slipped back habitations, providing alternate arrangement for Arsenic and Fluoride affected habitations and School water supply schemes are proposed to be taken up during 2007-08 on priority basis.

Allocation for rural water supply under State Plan during 2007-08 is Rs. 50.60 crore and expected provision for 2007-08 under Centrally Sponsored Schemes is Rs. 266.67 crore.

In respect of rural sanitation, projects under Total Sanitation Campaign involving construction of a substantial no. of Individual House Hold Latrines (IHHL), Anganwadi Toilets, Rural Sanitary Marts etc. have been proposed during 2007-08, besides carrying out Information, Education, Communication (IEC), and Awareness Campaigns simultaneously.

The allocation under Rural Sanitation for 2007-08 is Rs. 6 crore.

27. I have started many initiatives in the health sector. All these initiatives mainly centre around making the Healthcare services and delivery system more easily affordable and accessible to the poor and the needy.

It is my privilege to inform the august House that in the current year the number of institutional delivery in Government hospitals has significantly shot up to 1.6 lakh. The percentage of fully immunized children has gone up from 30 percent to 65 percent.

With the help of fund provided from State Budget, National Rural Health Mission (NRHM) and 12th Finance Commission, we have been able to pump in almost Rs.500 crore for infrastructure development of Medical Colleges, District Hospitals, Community Health Centres and Sub-Centres in the year 2006-07. We have provided Rs.100 crore to Gauhati Medical College alone to improve the status of Medical Education and Healthcare. I would like to continue the same momentum in the coming financial year also and initiate similar financial assistance to Assam Medical College & Hospital (AMC&H) and Silchar Medical College & Hospital (SMC&H) in the coming financial year.

We will establish 8 (eight) new GNM training schools at Darrang, Karimganj, Hailakandi, Morigaon, Kokrajhar, Goalpara, N.C. Hills and Karbi Anglong districts at a cost of Rs.40.00 crore from NRHM in order to augment requirement of manpower in Nursing sector.

I have also earmarked Rs.50.00 crore from NRHM for setting up of 5 (five) new District Hospitals at Kamrup, Baska, Udalguri, Bongaigaon and Chirang.

5 (five) new Regional Diagnostic Centres will be established at Kokrajhar, Mangaldoi, Hailakandi, Haflong and Mohendra Mohan Choudhury Hospital (MMCH) for which I have already provided Rs.17.50 crore from the State budget.

We have already introduced a Bill for establishment of a new Medical University named "Srimanta Sankardeva University of Health Sciences" before this august House for consideration. Along with this, I have also earmarked Rs.90.00 crore for setting up of 3 (three) new Medical Colleges at Jorhat, Tezpur and Barpeta respectively in the Budget.

I have also earmarked Rs.30 crore for setting up of a PET (Positron Emission Tomography) Scan in GMC & H, which will be a modern Diagnostic Technology for detecting cancer in its early stage. A new department of Oncology will also be set up in GMC&H. New Super Speciality courses will be opened in subjects like - Cardiology, Nephrology etc. during the coming

fiscal year. We will complete installation of MRI in 3 (three) Medical Colleges within May 2007 and I propose to provide another MRI to Jorhat Civil Hospital.

Mobile Medical Units (MMUs) will be provided to each district in the year 2007-08. We will also provide Boat Clinics for Char areas.

I am happy to inform you that the promise made in the last Budget Speech to provide incentives to doctors posted in rural and interior areas have been kept. I have also significantly increased stipend for PG student from Rs.7,000/- to Rs.11,000/- per month. Now it is expected that these doctors will dedicate themselves wholeheartedly in the service of humanity.

I have increased daily diet rate of poor patient from Rs.10/- to Rs.25/- per day. We will soon launch a new scheme to provide pace maker to heart patients at an affordable price.

Health & Family Welfare Department's budget for procurement of medicine for poor patients for the current year is Rs.35.50 crore. For 2007-08 I have raised this amount to Rs.49.00 crore.

All efforts will be made to ensure that these initiatives benefit the poor and underprivileged.

28. The World Development Report 2007, titled Development And The Next Generation, has commented that “.....decisions during five youth transitions have the biggest long-term impacts on how human capital is kept safe, developed and deployed; continuing to learn, starting to work, developing a healthful lifestyle, beginning a family, and exercising citizenship..... Young people and their families make the decisions, but policies and institutions also affect the risks, the opportunities, and ultimately the outcomes”. My policies and programmes for the next fiscal have been put through such a ‘youth lens’.
29. Extension of education to hitherto unserved and underserved areas like char, tea garden and border areas will receive special attention of my Government. Improvement in the quality of education will be the other thrust area. Sarva Siksha Abhijan Mission is our flagship programme in primary education. In the next fiscal also it will continue to be implemented with full vigour. Necessary State share to avail larger central allocation will be made available. My Government has launched a massive programme to develop infrastructure in primary and middle school level by providing additional class room, repairs and renovation of existing buildings,

providing toilet facilities and drinking water and also cooking shed for the mid-day meal programme.

30. A new programme called “Scheme for Universal Access and Quality at the Secondary Stage (SUCCESS)” is being launched by the central Government. Under this scheme, access to secondary education will be widened with emphasis on girls, SCs and STs, particularly in science, commerce and vocational studies. We are committed to avail benefits under this scheme and have started preliminary works. This scheme would ensure quality education at secondary level.
31. In my 6th February 2006 Vote on Account speech I gave an open invitation to private investment in technical and professional education in the State. As a follow up of this announcement, a comprehensive legislation “Assam Private University Bill, 2007” has been introduced in the House. This will provide a suitable legal framework to potential private investors to invest in the field of higher education with a comfortable degree of stability in Government policy. Our student would not have to spend lakh of rupees and travel thousands of miles to pursue quality technical and professional education. Hon’ble members will be happy to know that the Krishna Kanta Handique

State Open University has been established and they would offer a number of courses from the coming academic session i.e. 2007-08. Similarly, five year integrated law course at B.R.M. Government Law College would also begin this year.

For the poor and physically challenged students I propose to introduce two new schemes in 2007-08. One is merit scholarship for children below poverty line. The other one is special scholarship to the physically challenged students. I also propose to give, in a phased manner, bi-cycle to below poverty line girls students between class VI and class X in rural areas.

I have provided Rs.4.00 crore each in 2007-08 plan budget as special Grant-in-aid to Gauhati and Dibrugarh Universities. I also propose to give special development grants of Rs.4.00 crore each to Jorhat Engineering College and Assam Engineering College, Guwahati in the next financial year. A library grant of Rs.2.00 lakh each to the colleges and Rs.1.00 lakh each to the Government aided as well as Government Higher Secondary and High Schools.

I have proposed a total budget allocation of Rs.3704.67 crore for the education sector for 2007-08.

- 32.. I have kept a provision of Rs.9.00 crore in 2007-08 budget for purchase and distribution of books to district and sub-divisional libraries.
33. I am extremely happy to inform the Hon'ble Members of this august House that one unit of 2 x 50 MW Karbi Langpi Hydro Electric Project (KLHEP) was commissioned on 31st January, 2007 and it is supplying 50 MW of power regularly. The second unit of KLHEP will be commissioned within this month. We are giving utmost importance for increasing of generation capacity in the State under the State Sector and accordingly the implementation of the 37 MW Lakwa Waste Heat Project is also going on in full swing and is expected to be commissioned next year. The implementation of 3X50 MW Lower Kopili Hydro Electric Project and 100 MW phase-I of 200 MW Namrup Replacement Project is under active consideration of the State Government.

The State Govt. provided an amount of Rs.55.81 Crore during 2006-07 as counterpart fund against the Projects implemented by ASEB and its successor companies with funds from ADB. An amount of Rs.50.69 Crore has been allocated for 2007-08 under the same head. These projects include construction of 12 new Grid

Substations, augmentation of all the existing Grid Substations, installation of four lakh new electronic meters in the premises of the consumers and will be completed by December, 2007. With commissioning of these projects, the transmission and transformation capacity in the State will increase considerably to around 1300 MW from the existing 800 MW. The implementation of APDRP works in the State are in the final stages and it is expected that all the projects will be completed in next 6 month's time. In the current year, an amount of Rs. 47.08 crore has been released as State Share for APDRP, in addition to an amount of Rs.85.00 crore, being the Central Share. An amount of Rs.100.00 crore has been kept for these projects in the year 2007-08.

Assam is lagging behind most of 'the other States in the country in rural households electrification. Even though 77% of the villages in the state are electrified, only around 20% of the households in the villages have electric supply. Under the Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) the State Govt. has already submitted Project Reports for all the 23 districts in the State (as per 2001 census) for an amount of Rs.1500 Crore (approximately). We have already received sanction for 7 districts, and in principle approval

for another 8 districts. We are pursuing with Government of India for sanction for the remaining districts. On completion of the RGGVY works, an additional around 10 lakh additional below poverty line (BPL) families will be benefited by electric connection to their households. We have also taken up electrification of the remote villages in the State. Around 500 villages are proposed to be electrified by new and renewable sources during 2007-08. Further, an amount of Rs.12 crore has been provided for in the 2007-08 budget for installation and replacement of damaged Transformers throughout the state under the Chief Minister's Power Supply Assurance Mission.

34. With the setting up of the Guwahati Metropolitan Area Network (MAN) project, and its extension to the greater Guwahati areas during the 33rd National Games, the city of Guwahati now has a very high speed data and internet network.

It is expected that the Assam State Wide Area Network (ASWAN) and the Common Service Centres (CSC) programme, under the aegis of the NeGP, would be in place by the end of this year. This would enable delivery of citizen centric services to the rural areas; and this activity is likely to promote rural entrepreneur-

ship and greatly help in skilled development of the educated youth.

A new IT College in PPP mode is soon going to be started. To attract investment in IT in the State, it is proposed to set up an IT park in Guwahati with all modern plug and play infrastructures.

35. The Government of Assam is taking various steps as facilitator for the development of Industries & Commerce in the State. The State Government has taken all possible steps to attract investment and make the State a regional hub of industrial activities. Schemes like New Industrial Policy, 2003 are being implemented to encourage entrepreneurs by providing various incentives. The State Government took up with the Centre for extension of the validity of North East Industrial Policy, 1997 with suitable modifications to make it more attractive. I am happy to inform this august house that the Union Finance Minister has stated in his last budget speech that the new industrial policy for NER, with suitable fiscal incentives, will be in place before March 31, 2007.

While trying to attract big investors to the State the Government has not forgotten to take adequate care of the traditional and Small Scale

industries which is the vehicle for achieving economic development in urban and rural areas and which is also provider of large scale employment.

With a view to achieving development and creation of self employment opportunities in the Tiny and Small Industries sectors including the Small Business Enterprises, Schemes like Mukhya Mantrir Karmajyoti Achan and Udyogjyoti Achan were introduced. Under Mukhya Mantrir Karmajyoti Achan, raw materials, tool and kits are provided to the beneficiaries. A total of 1,07,000 numbers of youth will be benefited under the Schemes. Provision has also been made for giving special incentives to the youth belonging to the Scheduled Castes and Scheduled Tribes under the above schemes.

Seven numbers of unfrastucture development schemes are at various stages of implementation. The schemes are located at Malinibeel, Dimow, Titabor, Rangia, Dahudi, Banderdewa, Silapathar. Similarly two Growth Centre are also at different stages of implementation. The schemes are located at Chariduwar and Matia respectively. Similarly, Food Processing Park at Chaygaon is also in the last stage of completion. The scheme is expected to be completed during this year.

We propose to take up construction of second phase of Export Promotion Industrial Park at Amingaon during this financial year itself. A centrally funded Permanent Exhibition cum Trade Centre at Guwahati to showcase the various industrial products is ready for commissioning.

The entire amount of Rs. 58.17 crore towards land acquisition cost of the Assam Gas Cracker Project has been released. An additional amount of Rs. 25.00 crore has been kept for this project in 2007-08 budget. Its implementation at site will commence in the early part of the next financial year. Before that I propose to write to the Hon'ble Prime Minister of India Dr. Manmohan Singh and request him to kindly lay the foundation stone of the project some time next month.

I understand that some incentives and subsidies under the State Industrial Policies have remained unpaid. I propose to clear these outstanding dues in a phased manner. To begin with I have kept a provision of Rs.5 crore in 2007-08 non plan budget so as to clear dues of small enterprises whose un-disbursed amount is within Rs.2 Lakh.

Beginning with the Second Five Year Plan, a large number of Industrial Estates were set up

all over the state. Many of them are today in a dilapidated condition and have remained unutilized. In 2007-08 non plan budget, I have provided an amount of Rs.6.00 Crore for their repair and restoration.

36. Handloom Textile & Sericulture is not only part of our cultural heritage, but it is also important part of the State economy. It is proposed to assist at least 10,000 poor weavers through distribution of looms and accessories as grant in aid. Continuing scheme like Project Package Scheme, Integrated Handloom Village Development Project, Handloom Development Centre, Deen Dayal Yojana, Handloom Export Scheme and Integrated Handloom Training Programme etc. will be implemented in the next fiscal also with added thrust.
37. There is an urgent need for improving the housing facilities in rural areas of Assam. While the BPL families are being taken care of under IAY, the rest of the rural population is not getting much institutional support for fulfilling their housing needs. To mitigate the situation I propose to set up a Rural Housing Board. Necessary fund will be sourced from National Housing Bank and such other financial institutions.

38. At present we are giving liberal one-time ex-gratia grants to the next of kins of victims of terrorist violence. Many of them are widows or children. For their welfare on a sustainable basis, I propose to set up a Terrorist Victims Welfare Board.
39. I propose to hold elections to the Panchayat Raj Institutions in all the three tiers as per schedule. Necessary provision has been made in 2007-08 budget to meet the cost of conduct of these elections. I have also decided to transfer the salary liability of nearly 2000 GP Secretaries from Plan to Non-plan head so as to facilitate smooth and regular payment of their salaries. An amount of Rs.26 crore has been provided for this purpose in 2007-08 budget.

As the Hon'ble Members are aware we constituted the 3rd State Finance Commission. The most important term of reference given to this Commission is to suggest appropriate devolution from the State Government to both urban and rural local bodies. The Commission's report is awaited. However, pending recommendation of the Commission I have opened a separate window in 2007-08 budget for devolution to PRIs and ULBs. An amount to Rs.97.55 crore have been kept.

For transparent delivery of public services it is essential that the general public is kept informed of various schemes and programmes of the Government. To facilitate this, I propose to make the Government publication "Raijor Batori" more comprehensive. It will be mandatory for all Government departments and institutions under it to release their advertisements, tender notices, employment news as well as other important information through "Raijor Batori". For this purpose I have kept a provision of Rs. 4.00 crore in 2007-08 non plan budget. Moreover, another amount of Rs. 4.00 crore under non plan budget for installation of fixed loud speaker system (FLS) in key locations both in urban and rural areas.

40. Rejuvenation of the rural economy has been given the highest priority by my Government. This is being sought to be achieved through successful implementation of various centrally sponsored rural development programmes. The major ones among them are, SGSY (Swarna Jayanti Gram Swa Rojgar Yojana), IAY, SGRY and NREGA (National Rural Employment Guarantee Act). An amount of Rs.300 crore has been provided as State share in 2007-08 budget against these programmes so as to maximize flow of corresponding central allocation to the State.

The State Govt. has decided to implement the Backward Regions Grant Fund (BRGF) in eleven districts, viz. Barpeta, Bongaigaon, Cachar, Dhemaji, Goalpara, Hailakandi, Karbi Anglong, Kokrajhar, Morigaon, Lakhimpur and N C Hills. Each district will get Rs.13 crore to Rs.15 crore during 2007-08. Panchayats at the village, intermediate and district level will undertake planning and implementation of the Programme.

41. The centrally sponsored National Old Age Pension Scheme under NSAP will continue to be implemented. As against current rate of Rs. 75/- per month, I propose to raise it to Rs.250/- per month with a State share of Rs.50/- per person per month. Necessary provisions have been made in 2007-08 budget estimates.
42. The Hon'ble Members are aware we have not been able to achieve self-sufficiency in fish production despite our huge potential. Therefore development of pisciculture in the State deserves our wholehearted support. In the next financial year we are going to give emphasis on fish seed farming, reclamation of derelict water bodies, development of beel fisheries and open water fisheries, fishery extension service and transportation and marketing of fish. I propose to enhance

the plan allocation for this sector, including allocation under World Bank funded Assam Agriculture Competitiveness Project from Rs.13.39 crore in 2006-07 to Rs.18.95 crore in the next financial year.

43. Animal husbandry, veterinary services and dairy development are important components of the rural economy. Our strategy in this sector is to encourage young entrepreneurs including unemployed youths to come forward and set up privately owned ventures by availing various incentives and benefits available under different schemes and programs. Various schemes have been taken up for development of this sector under the World Bank funded Assam Agriculture Competitiveness Projects, RIDF and the State plan. An amount of Rs.22.56 crore has been provided in 2007-08 budget for development of the this sector.
44. As the Hon'ble Members are aware Tourism is the fastest growing industry in the World. Because of its huge employment potential with multiplier effects on both direct and indirect employment it is specially relevant to Assam. In the next financial year I propose to give a new thrust to promotion of tourism in the State. For this purpose a draft State Tourism Policy has already

been prepared and circulated among the stakeholders. I propose to finalize this for execution from the next financial year. Creation of tourism related infrastructure and other facilities, wide publicity in the national and international media and participation in various national as well as international tourism fairs and events will be given high priority. With this end in view I have increased the plan allocation for tourism from Rs.4.25 crore in 2006-07 to Rs.12.23 crore in 2007-08. In addition to this Government of India is also being moved for providing Central assistance amounting to nearly Rs.100.00 crore for development of tourist circuits and destinations.

45. The unemployment scenario in the State has assumed an alarming proportion causing a serious socio-economic problem. Considering the burning problem of unemployment, the State Government has already prepared employment generation programmes which is being implemented in a mission mode through Employment Generation Mission. It is estimated that about 1,67,000 employment/self-employment opportunities will be generated within the coming three years in the thrust areas like Horticulture, Diary, Bamboo, Handloom and Handicrafts, Tourism and Bio-Diesel etc. sectors. Within the Employment

Generation Mission a special cell will be created for giving special focus on rural self employment. This will be a special component action plan within the mission. For this scheme Rs.10.00 crore has been provided in the budget for the financial year 2006-07 and Rs.40.00 crore has been allotted for the financial year 2007-08.

A scheme under the Prime Minister's North East package is in the process of implementation wherein 17 existing ITIs have been upgraded and 4 (four) new ITIs had been established during the 10th Five Year Plan period. This has enhanced the intake capacity of the ITIs from 4,568 to 6,568. Certification and training on informal sector has been started from the year 2006-07. For overall skill development of disabled persons a special component scheme involving an amount of Rs.1.12 crore have been implemented during 2006-07 in 12 (twelve) ITIs in the State. A project on computerization of employment exchanges throughout the State is proposed to be implemented during the financial year 2007-08 for the benefit of job seekers. New multi-skill development courses have been introduced in 4 (four) ITIs from the year 2006-07. These ITIs are expected to be upgraded with World Bank Fund.

For the first time in the history of Assam, setting up of a Regional Boiler Testing Laboratory was taken up in the 2005 with a total outlay of Rs.2.43 crore from the North Eastern Council, which will enable the testing of boilers as per the statutory requirements scientifically and with modern testing methods. This will give impetus to the development of industries in the North Eastern Region and create employment and self-employment opportunities amongst the local unemployed educated youths. It is proposed to complete the project during 2007-08.

46. In my 10th July 2006 budget speech, I had mentioned about my decision to fill up 12,000 posts in a planned and systematic manner to meet the essential manpower needs of different Departments. I have already approved filling up of more than 15,000 posts including backlog in 42 different Departments during this financial year. In addition to this, more than 1000 new posts considered essential in the public interest have also been approved for creation and recruitment.

I propose to continue this process of filling up essential vacant posts in the next financial year also.

47. During the current financial year, the State Govt. has prepared the city development plan for

Guwahati under Jawaharlal Nehru National Urban Renewal Mission (JNNURM), which was approved by the Govt. of India. The State Govt. has signed a tripartite Memorandum of Agreement with Govt. of India in January, 2007, paving the way for sanction of various projects under the Mission. The First project of Integrated Solid Waste Management Project at an approximate cost of Rs.51.30 crore has already been approved by the Government of India. The work of preparation of Detailed Project Report for Integrated Drinking Water Supply, Sewerage and Drainage Project for Guwahati is already under process. The State Govt. has invited bids for carrying out a detailed study for Mass Rapid Transport System (MRTS) for Guwahati and the projects under the same will be preferred to Government of India within the coming financial year.

The State Government has already initiated steps for construction of a Ropeway between North and South Guwahati at a cost of Rs.29.87 crore.

Construction of a Park at Soil Conservation Complex has already been taken by the Government and it is expected to be completed in the year 2007-08.

State Government will take up new schemes for construction of a Foot Bridge over the Brahmaputra between Guwahati and North Guwahati from 2007-08. Construction of Drains in Guwahati city under 12th Finance Commission Award will be continued in the coming financial year.

48. After the resounding success of the 33rd National Games, our next task is to maintain the tempo and enthusiasm of our young sports persons as well as maintain and utilize the world class infrastructure created for the National Games in a efficient and sustainable manner. I have decided to utilize the infrastructure by organizing various sports events, including school and college tournaments, on regular basis. The State Government will raise necessary resources to meet any gap that may remain between the maintenance cost and cost of promotion of sports in the State on a large scale by utilizing these infrastructures on one hand and the internal revenue realization on the other. If necessary some cess may be levied on appropriate commodities, keeping an eye not to hurt the common man, and form a corpus fund for proper maintenance and upkeep of the infrastructure.

49. The State Government proposes to cover 20 towns to implement some major infrastructure development schemes like drainage, roads, solid waste management, truck/bus terminus, market complex etc. Moreover, schemes sanctioned during 2006-07 for several towns including Tinsukia, Dhemaji, Diphu, Nazira, Golaghat and Moran will be continued to be implemented during 2007-08.

The Assam Urban Water Supply and Sewerage Board has proposed to take up several new water supply schemes viz. Accelerated Urban Water Supply Programme, Urban Infrastructure Development Scheme for Small and Medium Towns etc. during 2007-08.

Many of our districts, sub-divisional and smaller towns suffer from inadequate civic amenities. I have proposed an amount of Rs.30.00 crore in 2007-08 non plan budget to be devolved to the urban local bodies. To get benefit out of this fund, the ULBs will have to meet certain eligibility criteria. 25 percent of this devolution will be given un-earmarked grant-in-aid and the balance 75 percent will be against specific schemes and projects.

50. An efficient road network is a prerequisite for economic development. I have therefore been giving very high priority to this sector. During

the last six years we have been able to construct 6034 KMs of new roads and 605 nos. of RCC bridges in place of timber bridges. Road and bridge construction works are being undertaken under various schemes and programmes. In addition to State Plan and Non-plan allocations, we are also sourcing funds from the World Bank under the Assam Agriculture Competitiveness Project, NABARD under RIDF, North Eastern Council, NLCPR, Central Road Fund and the centrally funded PMGSY. Under the Mukhyamantrir Pakipath Nirman Achoni, work of 500 KMs of all weather roads will be taken up. An amount of Rs.75.00 crore has been provided for this purpose in 2007-08 plan budget. I propose to raise the total allocation from various sources for construction of roads and bridges from Rs.771.08 crore in 2006-07 to Rs.980.65 crore in 2007-08. This is over and above Rs.1548.00 crore that will be available for Assam directly under PMGSY. Thus total fund available for roads and bridge construction works in 2007-08 will be Rs.2528.65 crore. The quantum jump in this regard may be gauged by comparing it with the 2000-01 total allocation of only Rs.100.40 crore.

Hon'ble Members will be happy to know that in addition to the road component under AACP, the World Bank has come forward to fund a project called Assam State Road Project for improvement of Certain High Speed Corridors of State Highways as well as Major District Roads of the State. This project involves an amount of US Dollars 300 Million and is to be completed within five years. An amount of Rs.2 million I has already been sanctioned as technical assistance by the World Bank for project preparation.

Along with construction of new roads and bridges repair and maintenance of the existing ones are equally important. I propose an amount of Rs.167.53 crore in 2007-08 budget for this purpose. It may be of interest to the Hon'ble Members to know that allocation for this purpose in 2000-01 was only Rs.24.50 crore.

51. The nation will be celebrating the golden jubilee of the historic Satyagraha movement launched by the Father of the Nation, Mahatma Gandhi on 11th September 1906 in South Africa. In 2007 which is also commemorate 150th Anniversary of India's war of Independence. As part of commemoration of these historic events, I propose to raise the pension of the freedom fighters from Rs.2500/- per month to Rs.3000/- per month.

**Now I turn to my tax proposals:**

1. The most significant financial change introduced by my Government was the introduction of VAT in the year 2005. In the first year of introduction of VAT, the revenue collections registered an impressive growth rate of 21% and in this second year also, the figures of tax collection upto December 2006 show a growth rate of 20% over the past year. The number of registered dealers has also grown from 43,515 to 74,707 with a growth percentage of 71%.
2. This year we have received a number of setbacks on the revenue collection front. The validity of our entry tax legislation in respect of some important items has been challenged in the Hon'ble High Court and this has adversely impacted one of the buoyant sources of revenue. Further, petrol and diesel prices have continuously declined with consequential fall in tax revenue from these items. Despite all these odds, we are still expecting to come close to our target this year. The targeted revenue collection for the next year is Rs.3600 crore.
3. One of the most important economic indicators i.e., the Commercial tax to GSDP

ratio has been steadily growing. The tax GSDP ratio, which was 4.54 in 2004-05 rose to 4.81 in 2005-06. It is expected to further increase to 4.95 in 2006-07 (projected).

4. Industrial development has always been my priority. While we firmly believe that industry needs all possible support, we would like to wait for the announcement of the "North East Industrial Policy" of the Govt. of India so that we could fine tune our package of incentives and ensure that there is full compatibility with the Policy announced by the Government of India. Further, the manner in which incentives flow to genuine industrialist is as much my concern as that of the Industrial bodies and we would certainly address these issues in future announcements.
5. Infrastructure development is the key for industrial development. In this connection, I wish to take following measures to develop the power and construction sectors:
  - 1 reduce the rate of VAT on 'Specified conductors' from 12.5% to 4%;
  - 1 reduce the rate of tax on 'specified construction equipment from 12.5% to 4%;

- 1       reduce the rate of tax on 'bitumen' from 22% to 4%.
6.   The progress of tea industry has always been one of my prime concerns. To rejuvenate this sector, I propose to:
  - 1       reduce the Agriculture Income Tax by 5%.
  - 1       extend the Arrear Liquidation Scheme covering the demand raised upto 31st March, 2005. This is an opportunity to the tea companies to clear up their balance sheets. However, after this, in case the arrear is not cleared, it may be necessary to take sterner measures;
  - 1       incentives on export of tea through Inland Container Depot (ICD), Amingaon would be extended till 31st March, 2008.
7.   The Entertainment Industry is one of the fastest growing sectors worldwide. I wish to encourage development of this sector in our state. In this connection, my Government has already raised the service charges to benefit the cinema hall owners with the expectation that better amenities like Dolby Digital sound, Air conditioning and Push

Back seats will be provided to the cine-goers. I wish to continue these incentives by reducing the entertainment tax on cinematographic exhibition by at least 50%. A scheme by which the fund of entertainment tax collected could be utilized for the benefit of film producers, the cinema hall owners and other stake holders of the state would be announced soon.

Further this House is aware that the increase in the rate of Show Tax was challenged in the Hon'ble Gauhati High Court and the decision on the same has gone in favour of Government. However, keeping in view the present condition of the film Industry, I propose to waive the collection of the arrear show tax, which has become due to the state after the judgment.

I also propose to reduce the rate of amusement tax on casual shows from the existing 12.5% to 5%.

8. It has been the long pending demand of the bullion/ jewelry trade to reduce the rate of tax and make it at par with the other states. I, therefore, propose to reduce the VAT rate to 1%, which is also the Empowered Committee's recommended rate of tax.

As an anti-evasionary measure, I also plan to reduce the VAT rate on 'dry-fruits' and 'cashew nuts' from 12.5% to 4%.

9. The following measures will be taken for augmentation of revenue:
  - 1 Audio Cassettes in regional languages would be taxed at 4%; · Supari would now be taxed at 4%;. Bamboo would be brought into the Fourth Schedule, of course, with 4% tax, as before, thereby making it taxable at the first point;
  - 1 In order to regulate and encourage activities of the Luxury boats having accommodation, and heritage homes, I propose to impose a minimal tax on them. My intention is not to tax but to regulate the tourism activity and give it a right direction.
10. My Government has been supporting the proposed reduction in CST to zero in a phased manner starting from 2007-08. The Central Government has in the Union Budget announced a reduction of CST by 1% from the next financial year. As Assam is largely an importing and consuming state, our

consumers have had to bear the burden of 4% CST charged by the exporting State. The reduction in CST by 1% and eventual phasing out of the CST across the country would make the country an economic union and a unified common market. The reduction would, of course, cost our state about RS.180 crore in the first year itself. The manner in which this loss would be compensated is being worked out with the Central Government through the Empowered Committee of Finance Ministers. One of the prime mechanisms would be an agreement on the sharing of the taxes from the Service Sector. Our Government is taking every possible step to ensure that the losses of the state Government on account of abolition of CST are adequately compensated. However, it is expected that phasing out of CST will reduce the prices of consumer goods and industrial inputs imported from other states.

11. The Tax Reforms Commission (TRC), under the Chairmanship of Hon'ble Justice Dr. B.P. Saraf, has brought out an interim report about the manner in which professions tax can be systematized. I have

decided to implement some of the recommendations immediately.

For rationalization of the procedure for payment of the tax, I propose to implement the following:

- 1 introduction of Schemes for Composition of the tax;
- 1 introduction of a demand cum show cause notice for the convenience of the tax payers.

For ensuring greater compliance by professions tax payers, I propose to implement the following:

- 1 enhancement of the period of limitation for collection of escaped taxes;
- 1 making the penal provisions more effective in order to discourage evasion.

The other recommendations are under examination and necessary action on the same would be taken in due course.

12. I am also taking various measures to tone up the tax administration. The Hon'ble House is aware that the VAT amendment bill recently passed will enable us to ease the penal provisions for registration to

encourage more dealers to register, impose stricter conditions on the transporters, bring catering services under systematic taxation and make provisions for a special audit. My Government would constantly endeavor to improve the administration of tax by all means.

13. Hon'ble members are also aware that besides the computerization of the taxation and treasury directorates, my Government has also initiated measures to link our computer systems with all the other states, especially those of the North East. Members are also aware that the work of construction of composite check-gates has already been started and we hope to have the most modern check-gate systems in the country soon. I assure the house that this year too will see more initiatives in the area of technological upgradation aimed at giving further comfort and benefit to the traders, industrialists and consumers.

### **BUDGET ESTIMATES FOR 2007-08**

Now Sir, I come to the Budget Estimates for the financial year 2007-08. The Budget has

been prepared in consonance with the Medium Term Fiscal Plan of the State in accordance with the recommendation of the 12th Finance Commission and as stipulated under the Assam Fiscal Responsibility and Budget Management Act, 2005. The five-year Medium Term Fiscal Plan and other statements required to be placed in terms of the relevant provisions of the Assam FRBM Act, 2005 have been placed for this August House in a separate booklet.

### **Budget Estimates for 2007-08**

The Budget Estimates of 2007-08 show a receipt of Rs.19579.77 crore under the Consolidated Fund of the State. Out of this, Rs.16988.22 crore is on Revenue Account and the remaining Rs.2591.55 crore is under Capital Account. I have shown the estimated receipt in the Consolidated Fund from different sources at Table-3. After adding the receipt of Rs.53154.81 crore under Public Account, the aggregate receipts amount to Rs.72734.58 crore. As against this, total expenditure from the Consolidated Fund of the State in 2007-08 is estimated at Rs.20391.54 crore of which Rs.16090.81 crore is on Revenue Account and Rs.4300.73 crore on Capital Account.

The estimates of major expenditure from the Consolidated Fund during 2007-08 have been shown in Table-4. Taking into account the expenditure of Rs.52709.41 crore under Public Account, the aggregate expenditure for the year is estimated at Rs.73100.95 crore. Thus, estimated transactions during the year will result in an estimated deficit of Rs.366.37 crore. Taking into account the opening deficit of Rs.2469.87 crore the year 2007-08 is anticipated to close with an over all deficit of Rs.2836.24 crore.

With these words, Mr. Speaker Sir, I commend this Budget to the House.

Sub : Guidelines for preparation and implementation of District  
Development Plan.

Sir/Madam,

Govt. of Assam has decided to introduce the concept of District Development Plan from the year 2006-07 and for this purpose, funds will be allocated to each of the districts excluding the Sixth Schedule districts and RSVY districts. This Development Plan would provide freedom to the district administration to take up development schemes ac-

according to the needs and priority of each district and would also cater to the needs of women and weaker sections of the society. In order to prepare the District Development Plan the Planning & Development Department has framed the guidelines, which are enclosed herewith for your reference. These guidelines indicate the format in which the plan has to be prepared and it is **suggested that the first 3 chapters of this format should be prepared now by each of the district.** For this purpose, you may like to call the meeting of the District Planning & Monitoring Committee to identify the priority sectors for your district and fix the percentage of allocation that is felt reasonable for each of these sectors. In the meantime, the Govt. would be intimating you the exact amount for the plan of your district, which can be divided in the proportion fixed by the DPMC. In this context, it is strongly recommended that a minimum of 10% of the allocation be dedicated for the agriculture and allied sectors. The DPMC may also like to suggest and identify the schemes for each of the sectors, which would be taken up during the 2006-07 and shall be included in the plan. Naturally the size of these schemes would depend upon the allocation fixed for your district and would be worked out subsequently. The sectors, which will be covered by your plan, are indicated in the guidelines and the DPMC would be at the liberty to make allocations to any or all these sectors to the extent considered necessary by them.

A copy of the Annual Plan 2006-07 Vol-II is also enclosed for your ready reference which would give you an idea about the schemes of various departments which have been approved by the Planning Commission. It is suggested that the schemes included in your plan should normally conform to this approved schemes only and wherever any deviation is proposed, the same may be justified in the plan document.

The Planning & Development Department has proposed that the District Plan should be submitted by each of the district by 10th April 2006 and it is, therefore requested that action as mentioned above should be initiated immediately.

Yours faithfully,

**(P.P.Varma)**

Principal Secretary to the Govt. of Assam,  
Planning and Development Department.

### **Guidelines on District Development Plan**

#### **1. Background :**

- 1.1** To give more freedom to districts to prepare and implement development plans from the financial year 2006-07 the concept of District Development Plan has been initiated with the main objectives of accelerating the development process in the district. The plan will address the problem of low agricultural productivity, unemployment and fill the critical gaps in physical and social structures in the districts. The District Planning and Monitoring Committee (DPMC) will prepare detailed District Development Plan every year on annual basis based on a SWOT (Strengths, Weaknesses, Opportunities and Threats) Analysis, review ongoing schemes and identify a few lead sectors wherein fresh intervention would help the district to overcome major bottlenecks in development. The additionality of fund to be provided through this plan (District Development Plan) is to be used to meet local needs and aspiration of people that would make a dent on the poverty and unemployment of the district in a time bound manner.
- 1.3** In the District Development Plan, emphasis will be given on improving agricultural productivity, infrastructure development, development of women and weaker sections, increasing employment opportunities and reduction of poverty. With the above objectives kept in view at least 10% of the total fund to be released by Planning and Development Department, every year, will be allotted for schemes to be taken up for agriculture. For other sectors included under Decentralized Plan DPMC will decide.

## 2. Funds for Scheme:

- 2.1 Every year fund will be released from Planning and Development Department to Districts on lump sum basis that would be worked out through a composite index based on population, geographical area and backwardness of district. The funds will be released in installments. However, at the very beginning of the financial year, the district will be intimated about the quantum of fund that would be available to them for the next financial year.
- 2.2 The fund released during the financial year shall be utilized invariably during that financial year. The release of fund would also depend upon satisfactory progress of the implementation of District Development Plan.

## 3. Delivery Mechanism:

- 3.1 The District Planning and Monitoring Committee (DPMC) will prepare the District Development Plan through the officials of development sectors in the district. The plan has to be approved by the DPMC in its meeting convened for the purpose before the same is sent to the Head Quarter of Planning and Development Department at Dispur for its approval.
- 3.2 The Planning and Development Department will scrutiny the District Development Plan in its entirety. After appraisal of the Plan of districts, approval of the same will be intimated to district concerned. Release of fund will take place after the approval is intimated. The Planning and Development Department will be at liberty to effect change in the District Development Plan.

- 3.3 The Planning and Development Department will be nodal department for implementation, monitoring and evaluation of the scheme.

#### 4. Preparation of District Development Plan.

- 4.1 While preparing District Development Plan, the flow of funds from all sources namely State Plan, centrally sponsored schemes, central sector schemes, externally aided projects etc. are to be kept in mind along with specific schemes for the additionality under the District Development Plan. Care should be taken to allocate funds under the district Development Plan only to the new schemes conceived and that no duplication of allocation of funds to same schemes is ensured. However, the fund could also be used an additionality only for expanded coverage of schemes for which funding from other sources including normal state plan, centrally sponsored schemes, central sector schemes, externally aided project etc. are available on being satisfied about the level of utilization of already available resources.
- 4.2 The schemes to be selected under District Development Plan are to be from decentralized sector (34 sectors) of development. Further the schemes should be based on schemes already approved by the Planning Commission for the year concerned under Annual Plan. A copy of the Plan Document of 2006-07 approved by the Planning Commission is enclosed for reference.
- 4.3 The target under 20 point and 15-point programme of the Government of India should be achieved through the implementation of schemes under the District Development Plan in consonance with other state plan schemes.

- 4.4 Adequate attention should be given on Gender Equality in selecting and implementing schemes under District Development Plan and expenditure made for women development programme taken for women development should be included in the Plan.
- 4.5 The benefits from the fund made available to districts under the Plan should be maximized through inter sectoral linkages. The fund to be released under the Plan should also be used to leverage a larger plan size through correlation with banking sector and beneficiary contribution. 5% of the total fund shall be earmarked for bankable schemes in any sector.
- 4.6 The cost effectiveness of all schemes should be carefully considered so that returns from the funds under the schemes are maximized. In other words, inter-sepriorities among individual schemes under the scheme should be decided on merit only.
- 4.7 People's participation and involvement of NGOs and Self Help Groups should be ensured at every stage of plan formulation, implementation and monitoring.
- 4.8 NGOs and Self Help Groups may also be involved in awareness building.
- 4.9 At least 10% of the total fund under the Plan should be earmarked for development of agriculture while emphasis should be given for development of women and weaker sections of the society. Employment related schemes and vocational training need special attention especially in the district where

unemployment is more. However, schemes for self-employment may be based on credit rather than subsidy. Therefore, each project should be made a bankable enterprise and subject to appraisal and banking discipline. Funds should not be used to prop up ailing Government funded cooperative enterprise. The aim is to encourage self-employment generating activities through assistance to self-help groups. For schemes involving creation of community assets in the service sectors efforts should be made to ensure a beneficiary contribution wherever feasible so that feelings of ownership of the community in the assets created is ensured.

- 4.10 The District Development Plan fund should not be used for construction or renovation of administrative building, Establishment costs/salary of officials and other such schemes.
- 4.11 The sustainability of the assets created out of the fund released under District Development Plan should be ensured. In case of community assets to procedure for maintenance through the community should be well laid down in the schemes. The Public Committee that will run the assets should charge fee to the individuals using the assets to create a corpus fund for maintenance of the assets.
- 4.12 The District Development Plan should be based on vision for the district and not be a mere collection of schemes.
