CHAPER-II
OBSERVATION AND RECOMMENDATIONS
ON GRANT NO.74

Sports & Youth Welfare

1.The Committee took note of the report of the Sports and Youth Welfare Department that sports infrastructure projects are no longer through it but by the PWD(B).

Therefore, the Committee recommends it will convene a meeting of officials of the Department of Sports and Youth Welfare and the PWD Buildings jointly after the budget session is over to discuss the status of the sports projects.

2.The Committee observes that the Sports infrastructures are not well maintained in many districts.

The Committee recommended that the Department should try and develop a mechanism for the maintenance of newly created sports infrastructure or already existing infrastructure through PPP,if possible, on a revenue sharing model that will generate resources for the Department.

3.The Committee also observed that the Department of Tea Tribes and Adivasi Welfare is constructing various sports infrastructure across the state.

As such the Committee recommended that the TTAW Department should consult the Sports and Youth Welfare Department regarding the technical aspects of construction before going ahead with implementing such sports projects.

4.The Committee observed that there is currently no policy or budget to support Veteran Sports Associations for organizing sports events. The Department however does try to provide limited support on a case to case basis on receipt of petitions.

The Committee recommends that the Department should examine the possibility of supporting such Veteran Sports Associations regularly in the future by budgeting for it.

5.The Committee observed that sports equipment is being provided to one Youth Club in every Legislative Assembly Constituency as per the announcement in the budget speech and that Rs.15 Lakhs is being provided partly in cash and partly in kind-like sports and Gym equipment to each such Youth Club.

The Committee recommends the department to provide the list of Youth Clubs approved and a copy of the SOP prepared. The Committee also recommended that the Department should consider positively any requests received from MLAs for providing basis sports equipment.

6.The Committee reiterated that a plan of action be prepared for facilitating sports activities when the Nehru Stadium is dismantled and when construction work is in progress so that there is no impediment in the promotion of sports in the City during that period.

Therefore, the Committee recommends that alternate Sports complex/Stadiums may be arranged to boost the practice of the sports activities.

7. The Committee observed that without good coaches it will be difficult for Assam to become a sports powerhouse.

The Committee recommends that at least 20 coaches in selected Olympic sports disciplines should be appointed, on contractual basis if necessary, by the sports and youth welfare during this financial year.

The Committee recommends that the Budget allocation provided under Grant No.74 for the Financial year 2025-26 for Sports and Youth Welfare be approved by the August House.

The Action taken report on the recommendations made in the Report may be submitted to the Committee within 90(Ninety) days from the date of its presentation to the House.
