REPORT

WATER SECTOR

The Assam Public Health Engineering Department (APHED) was created in 1956 as Public Health Engineering (PHE) Organization under the Directorate of Health Services to look after the implementation of Rural and Urban Water Supply throughout the State. This PHE organization started functioning as a full fledged Department since 1981 and a separate Secretariat was created for APHED in the year 1989.

Presently, the APHED has been working as the nodal department of the Government of Assam to deal with the aspiration in the rural areas of Assam with regards to Drinking Water Supply and Sanitation Sector.

Aims & Objective

The main object of APHED is to improve health of the rural population by ensuring Drinking Water Security (Availability, Accessibility and Water Safety) and safe Sanitation status through improvement in the environmental hygiene in rural perspective. To achieve this objective, the department undertakes planning, execution, operation and maintenance of work related to water supply and sanitation in rural areas.

Activities of PHED

To achieve the Departmental aims and objectives, the APHED is presently implementing mainly two Flagship Programmes of Government of India, namely Jal Jeevan Mission and Swachh Bharat Mission (G) in rural areas of Assam.

In this connection, the Department is involved with necessary planning, execution, operation and maintenance of work etc. related to water supply and sanitation sector in rural areas. These activities can be broadly categorized as follows:-

- a. Rural water supply activities.
- b. Rural Sanitation activities.
- c. Quality control activities.
- d. Monitoring and Evaluation activities through MIS.

1. Rural water supply activities under Jal Jeevan Mission:

Schemes for providing drinking water supply through 100% Functional Household Tap Connections (FHTCs) to every rural households in villages / habitations are taken up under Jal Jeevan Mission (JJM), a flagship program of the Ministry of Jal Shakti, Government of India with cost sharing pattern involving community contribution (5%) and Govt. share jointly by the Central and State Government on 90:10 basis.

JJM aims to provide a minimum of 55 lpcd of water of prescribed quality as per BIS: 10500 Standards and also aims to provide safe drinking water to all rural government schools and Anganwadis, etc.

Key Achievements of Jal Jeevan Mission in FY- 2024-25:

- Provided 3,91,524 Functional Household Tap Connections (FHTC), reaching a cumulative progress of 81.4%
- Handed over 4,815 Schemes.
- Introduced e-Bill, an online system, facilitating digital processing of bills for schemes in Assam, with 11737 e-Bills approved, totalling Rs. 3703.785 Cr. across 46 PHE Divisions.
- Implemented Electronic Measurement Book (e-MB) for automated progress tracking, linking draft e-MBs to e-bill progress.
- Developed Contractor Task Management Application for real-time monitoring of PWSS activities.
- Established Jal Doots (Water Ambassadors) through Jalshala workshops, with 1094 Jalshalas conducted 42,094 Jal Doots trained and 36,019 Activities completed by Jaldoots across Assam.
- Trained 4,339 Jal Mitras for the regular operation and maintenance of JJM schemes, engaging a total of 17,217 across the state.
- Partnered with ASRLM, involving 636 Cluster Level Federations as Implementation Support Agencies.
- Utilised ASHA network to emphasize safe drinking water to various demographics.
- Implemented QR Codes for transparency and accessibility in scheme details.
- Instituted Jal Seva Awards in 11 categories on monthly basis to promote and ensure proper O&M of the respective PWSSs' in villages, with incentives for GPs, WUCs, AWC, Schools, FTK groups, Jaldoots, Jal Mitras, contractors, ISA/CLF, FHTC Holders (individual), and ASHAs.

Grant No.30**PUBLIC HEALTH ENGINEERING DEPARTMENT**

After presentation of the Budget Estimates to the House on 10th March, 2025, the Departmentally Related Standing Committee on Development (B) Departments, Assam Legislative Assembly has scrutinized the demand for Grant no. 30 for the financial year 2025-2026.

Budget Estimates under Grant No. 30 for the financial year 2025-2026 is as follows:

(Rupees in lakhs)				
	Revenue	Capital	Total	Remarks
			(2025-26)	Revised Budget Estimates (2024-2025)
Voted	89459.79	428565.96	518025.75	216735.50
Charged	959.23	0.00	959.23	

Voted Budget provision of Rs. 518025.75 lakhs made for the financial year 2025-26 where Rs. 89459.79 lakhs and Rs. 428565.96 lakhs have been earmarked under the Revenue and Capital Head respectively. It seems that for the financial year 2025-26, an amount of Rs. 301290.25 lakhs has been increased in voted amount than that of the previous year's Revised Budget Estimates (2024-2025).

However, in Charged Budget, Rs. 959.23 in Revenue Head and Rs. 0.00 in Capital Head with a total of Rs. 959.23 have been allotted in the Budget Provision for the Financial Year 2025-26.

OBSERVATIONS AND RECOMMENDATIONS**PUBLIC HEALTH ENGINEERING DEPARTMENT****GRANT NO.30**

The Committee discussed the budgetary provision made in the budget documents for the financial year 2025-2026. At the outset, the Committee considered the Action Taken Report submitted by the concerned department. After threadbare discussion on the budget provision made for Public Health Engineering departments relating to the Grant No. 30, the Committee recommends the following:

1. After discussion on the recommendation no. 2 of 26th Report (2024-2025), the Committee observes that the reply submitted by the department is inadequate.

Therefore, the Committee recommends the department to furnish an elaborated status report and list of the schemes on 13 (Major Works) and 01 (Normal) Head of Account for the financial year 2024-25 and to complete the schemes at the earliest.

2. The Committee observes that in many parts of Assam, water pressure is seen low at the ending point of water taps installed under Jal Jeevan Mission Scheme.

Therefore, the Committee recommends the department to survey in this regard and to take necessary steps for redressing the problem.

3. The Committee recommends the department to survey relating to water supply disruption in several areas specifically at West Guwahati area including Rani and to submit a detailed report with reasons for closure of water supply to that area.

4. The Committee recommends the department to take necessary steps for wide and extensive publicity on the Schemes of drinking water supply and role of User Committee throughout the State.

5. The Committee recommends that the Department should include uncovered population/areas of various district with mini schemes under Jal Jeevan Mission or other schemes of the Department.

6. The Committee recommends that as JJM Schemes were implemented by the Department on DPR basis, the department do not have any budget for repairing of schemes, once the completed schemes are handed over.

Therefore, the Committee recommends the department to make adequate provision of Budget to repair and maintenance of Schemes.

The Committee recommends that the budget allocation provided under Grant No. 30 for the Financial Year 2025-26 for Public Health Engineering Department be approved by the August House.

The Action Taken Report on the recommendations made in the Report may be submitted to the Committee within 90 (ninety) days from the date of presentation (21-03-2025) to the House.

**Report on observations and recommendations on 26th Report of Departmentally Related
Standing Committee on Work Departments**

(Presented to the House on 21st February, 2024)

Point No	Observations & Recommendations	Remarks
1	The Committee reiterates its earlier recommendation No. 1 of 25th Report (2023-24)" to provide a detailed report on budget allocation and schemes implemented under Scheduled Caste Component Plan and Tribal Areas Sub-Plan under Head 789 and 796 for the Financial Year 2022-23". Further, the Committee recommends to submit schematic status report of every scheme regarding the working status of JJM in the particular scheme, whether it is functioning or not. The Committee also directs the department to check the status of the SCCP and TSP scheme whether it has been merged to JJM or tie-up with JJM Scheme.	An amount of Rs. 200.00 lakhs was provisioned against the Scheduled Caste Component Plan (SCCP) (HoA-4215-01-789-0778-000-14-99) and Rs. 150.00 lakhs was provisioned against Tribal Areas Sub-Plan (TSP) (HoA-4215-01-796-0778-000-14-99) in the budget for Public Health Engineering (Grant No. 30) for the Financial Year 2022-23. No new schemes have been implemented under Scheduled Caste Component Plan and Tribal areas Sub-Plan Head 789 and 796 for the financial year 2022-23. The list of schemes having pending liabilities under SCCP and TSP are given in Annexure- A(I) and Annexure- A(II) respectively. The schematic status report including merger to JJM or tie-up with JJM schemes for all the above mentioned schemes are shown in Annexure-A(I) and A(II)
2	The committee recommends the concerned Department to furnish a detailed status report and list of the schemes on 13 (Major Works) and 01 (Normal) Head of Account for the Financial Year 2024-25.	Two types of schemes have been considered under 13-(Major works)-01 Normal Head of Account for the FY 2024-25. -Urban Major Works -Rural Major Works The details of schemes taken up under both Urban Major Works and Rural Major Works are appended at Annexure (B)
3	The committee also recommends the Department to provide the list of existing schemes district wise on Head of Account total 973 of the Financial Year 2024-25.	The schemes considered under Head of Account 973 were the schemes accorded during 2019-20 for conversion of diesel operated water supply schemes to solar operated schemes. The list of schemes implemented is placed at Annexure (C).
4	The committee instructs the concerned Department to ratify the Head of Account on 1977, which is included under Grant No. 30 with the Finance Department.	As directed by Finance Deptt. The expenditure to be incurred under the Detailed Head-14-'Minor Works', 17-'Maintenance', '31-Grants-in-aid General (Salary)', '32--Grants-in-aid General (Non-Salary)' and '35-Grants for Creation of Capital Assets' should be budgeted under Revenue Head only. Hence, there is no need for creation of Head of Accounts (HoA).
